FULTON
COUNTY

2024

PROPOSED
BUDGET

NOVEMBER 15, 2023

Fulton County Board of Commissioners
141 Pryor Street, SW Atlanta, Georgia, 30303

To the Honorable Board of Commissioners and Citizens of Fulton County:

Introduction

In 2023, Fulton County continued to navigate multiple emergencies, including several public health pandemics, and additional crises in the area of human services, public safety, and the economic crises with rising inflationary costs. FCG has had to navigate rising costs in all areas of operations and services with a flat millage rate and no expectation of property tax increase. With leveraging processes, fiscal management and use of federal support, the County was able to provide residents a sustained level of service and assist the most vulnerable members of our community, including those affected by the economic crisis triggered by the COVID-19 pandemic and jail overcrowding.

The FY2024 General Fund Proposed Budget is designed to provide the necessary resources for sufficient levels of service within the above-mentioned established financial constraints. Working within these financial constraints, **there were no additional resources available to fund program enhancements**. A rules-based criterion was developed to propose any additional funding which may accrue between now and the end of the fiscal year be prioritized first for enhancements based on life/safety, contractual, regulatory, statutory, or inflationary drivers. This approach results in many unmet requests; however, the remaining enhancement requests are categorized in prioritized tranches including Employees, Community (Community and Community – Competitively Bid Programs), Justice Related, ORCA and All Others.

Over the past several months, the Executive Team worked with Department Heads and Elected Officials assessing operational and capital needs for the upcoming year while taking into consideration known revenue and expenditure budget pressures. Each investment in the FY2024 Proposed Budget was carefully reviewed. This plan acknowledges our limited resources, addresses our mandates, ensures sufficient levels of service for our citizens, and meets lingering challenges expected to continue over the short and long term.

FY2024 Proposed Budget

In accordance with the statutory responsibilities of the County Manager, the FY2024 Proposed Budget is hereby respectfully presented. The budgets for all funds are considered legally

balanced with reasonable and conservative assumptions for all revenues and expenditures. Fulton County's proposed appropriated budget is \$1.34 billion, including approximately \$917 million in funding for the General Fund.

General Fund Summary

The FY2024 Proposed Expenditure Budget of \$917 million is balanced through a combination of revenues and the use of fund balance. The fund balance reserve is equal to 16.67% of total expenditures, in accordance with Board approved fund balance resolution.

For the purpose of the FY2024 Proposed Budget, we expect the billable value in the digest to grow by a 7% rate. The tax digest value combined with the millage rate is used to determine the tax billing amount. The proposed budget assumes a flat millage rate of 8.87 as provided by the Board of Commissioners in their guidance on the budget. State law requires this rate to be advertised as a tax increase if the County 2024 tax digest rollback rate is determined to be lower. Final determination of the FY2024 millage rate by the Board of Commissioners will take place during the summer of 2024. The property tax revenue projection assumes a 96% collection rate during the fiscal year, in line with historical trends. Our prior year collection rate is estimated at approximately 3% of the prior year's billing amount. Any change to prior year property tax collection patterns will result in small timing differences between collections in FY2023 and FY2024, with no overall impact on the proposed budget amount. The County anticipates other revenue collection trends to follow similar patterns as FY2023.

Other Funds Highlights

The Fulton Industrial District (FID) Fund Proposed FY2024 Expenditure Budget is \$28.3 million, including an appropriated, but unallocated, reserve of approximately \$25.3 million. The revenue projection reflects an increase in prior year property tax revenue. The other revenue sources including licenses and permits also assume a decrease due to the 2021 annexation. The budget assumes a millage rate sufficient to continue to fund Municipal-Type services in the remaining unincorporated area.

The FY2024 Airport Fund Proposed Expenditure Budget is \$7.7 million. It includes the re-appropriation of most of the retained earnings balance from FY2023 to be used in the re-development of the Airport. Resources will be utilized as seed funding for the Airport Master Plan, and to cover the debt service obligation for the potential issue of a bond.

The FY2024 Water and Sewer Revenue Proposed Expenditure Budget is \$164 million, including debt service. Revenue is projected at \$167.6 million. This projection includes approximately a

\$8.6 million increase over the projected FY2023 revenue. This is in line with the multi-year plan to increase rates for improvements to water lines and sewage treatment plants. The difference between revenue and expenditure will be funded through the use of fund balance.

Strategic Framework

The FY2024 proposed budget reflects our commitment to the County's focus areas and takes into consideration the operational impact of changes occurring as a result of local, state, federal legislation and economic driven pressures including inflation. The budget plan will also continue to fund important initiatives launched in prior years.

To maintain our commitment to the County's strategic framework; we aligned every initiative funded to one of five key focus areas associated with our long-term strategic plan. These Focus Areas are:

- Health and Human Services
- Justice and Safety
- Open and Responsible Government
- Infrastructure and Economic Development
- Arts and Libraries

Focus Areas

Below you will find a brief narrative of FY2023 accomplishments, a summary of the key investment decisions, and expected deliverables for FY2024.

Health and Human Services

-2023

As part of our ongoing response to the COVID-19 endemic, the County continued to invest resources to respond to the healthcare emergency and corresponding economic crisis. These resources are a combination of local funds and federal assistance. Our response plan included multiple programs ranging from facility pandemic-proofing to economic assistance, to court system support, vaccination and testing and a long-term revolving loan program.

The County provided \$1 million in funding along with the creation of the Fulton County Veterans Empowerment Commission. The Commission serves as an advisory board to the Board of Commissioners and provides recommendations to the Board of Commissioners of priorities, objectives, and policies which will support the veteran population in Fulton County, Georgia

including relevant funding recommendations for public and private programs. The Veterans Services Program supported 15 non-profit agencies and are projected to serve 2,000 veterans in the areas of Health and Wellness.

The Department of Senior Services continued administration of its rideshare programs with Transdev and Uber/Lyft to allow increased mobility and access to our senior residents. The Community Services Program (CSP) awarded funds to 153 public service agencies, which we project will serve over 72,000 Fulton County constituents in 2023. We also expanded our investment in ensuring healthy foods were available to residents by leveraging resources from the American Rescue Plan Act for our Fulton Fresh program. The Department of Behavioral Health and Developmental Disabilities served over 5,000 clients across 15 programs representing over 26,000 client contacts.

During 2023, the Fulton County continued its support of the Fulton County Board of Health and support of indigent residential medical care with Grady Hospital.

Through a unique partnership with Morehouse School of Medicine, we opened a primary care clinic in East Point filling a small portion of the disparity in primary care physicians per capita gap identified in the extensive Ernst & Young Project Care study. To fully respond to health care gaps will require significant investments from both the public and private sector to expand the number of primary care physicians, specialists, urgent care and an acute care hospital. **However, based on the millage rate constraints, we will not have a health care reserve and ability to pursue additional opportunities to close the health care access gap in South Fulton.**

The County, through our relationship with the Georgia Department of Behavioral Health and Developmental Disabilities (DBHDD), have developed and launched construction of the Behavioral Health Crisis center which will be funded through state support secured during the 2023 legislative session.

In addition to the items listed above, the County provided expanded support in the areas of Sadie G. Mays, Home Delivered Meals, Quality Living Services, individual youth programs, and Summer Youth programs.

-2024

In 2024, we are investing over \$215.8 million towards the Health and Human Services strategic focus area.

As part of the FY2024 Proposed Budget, the County will continue to focus on preventing health disparities by educating residents and connecting them to available resources, help residents realize their education potential through community services programs and support the vulnerable residents through our social services.

We will continue our base investment in popular Health and Human Services programs including

Community Services Programs, Quality Living Services and Senior Services programs including food assistance, case management, and transportation services. In addition, we will continue development of the Integrated Prevention and Care Plan to address HIV Elimination. Moreover, the County plans to maintain its investment in behavioral health services including the School Based Therapy and Permanent Supportive Housing programs.

The County will increase its investment for indigent health services with Grady and addressing health access with a continued partnership with Morehouse School of Medicine. The County will move forward with the renovation of a North Fulton facility to centralize Health and Human Services and will embark on a feasibility study for a Health and Humans Services facility in South Fulton.

Justice and Safety

-2023

In 2023, the primary focus of the justice system was ensuring that Fulton County meets or exceeds recognized standards for Justice and Safety functions.

The County also maintained its investment towards the implementation of a virtual court structure. The funding was used to expand the Justice System's virtual capability including enhancements to the jury selection process for State Court and tripling the number of Zoom Rooms at the jail. With the use of federal resources, the Justice System continued its multiyear plan (Project ORCA) to reduce case backlogs in Superior, State, Magistrate, and Juvenile Courts. The program is expected to exhaust American Rescue Plan resources and end in June 2024.

The County allocated financial resources towards addressing jail overcrowding through the relocation of inmates to other neighboring jails or use of the funds for other programs that helped reduce the jail population. This effort was expected to provide inmates with better conditions and mitigate the spread of illnesses, including COVID-19, and lessen mental health complications. The County also continued resources to keeping the Alpharetta city jail open and completed Phase 1 of the jail feasibility study. The Board of Commissioners approved Phase 2 of the feasibility study and directed leadership to source options related to the construction and financing of a replacement jail.

The County continued construction of a public safety training center and completed the construction of a state of the art animal shelter which will open for operations in November 2023.

Fulton County Public Safety departments were 100% operational during the year. All functions delivered critical services in an efficient and effective manner to ensure the safety of residents and employees.

-2024

In 2024, we are investing over \$462.8 million of appropriated funds towards the Justice and Safety focus area.

During 2024, the County will conclude our multiyear backlog reduction program (Project ORCA). The County plans to continue to publish court performance data in a monthly operations report to the BOC as well as the public facing county website.

We will continue to invest in the operation of the Justice Diversion center expected to open in 1Q2024.

We will continue and complete the renovation and build out of the public safety training center.

We will continue our security transformation initiative including the safety and security efforts of hardening access points around county facilities.

We will continue investing in resources for inmate outsourcing to address jail overcrowding and increased resources for the jail bridging program including inmate medical services, inmate and jail staff food services, public relations, and tower staffing.

Open and Responsible Government

-2023

During FY2023, the County continued updating the disparity study to determine if inequities exist in public procurement and contracting that could adversely affect disadvantaged businesses owned by women or minorities. The study should conclude in 2024.

The Department of Purchasing and Contract Compliance implemented and launched the E-Procurement system where all solicitations are now posted and received electronically.

We continued our investment in our tax and revenue system by upgrading to the latest release and completed the much anticipated rollout of Office365 including a migration to Sharepoint which provides realtime access to emails and data files.

We continued to build out our Open Government platform with increased access to dashboards, standards and performance measures.

-2024

In 2024, we are investing \$266.7 million towards the Open and Responsible Government strategic

focus area.

Fulton County Registrations and Elections Department will be responsible for organizing and managing four elections including the Presidential Preference Primary, General Primary, runoff, and Presidential elections throughout the year. An additional run-off election is also planned, if necessary.

The FY2024 Proposed Budget includes a 5% cost of living increase for employees. For vacant positions, historically, the county has fully funded the salary and fringe financial resources for the entire year. In practice, a majority of vacant positions are still in the recruitment process and not filled as of the beginning of the year. With the financial resources available, the County will continue recouping attrition savings by partially funding salary and fringe benefits of vacant positions.

The County maintains the commitment to attract, hire and retain top talent.

During FY2024, the County is also planning to conclude the second disparity study to improve suppliers and diversity. Additional resources will also be made available to enhance our contracting and purchasing capabilities.

Infrastructure and Economic Development

-2023

The County continued with Renew the District, an initiative to accelerate re-development and increase economic opportunities on the Fulton Industrial District corridor. In addition, the County continued with the \$100 million dollar expansion of the Fulton County Airport to stimulate economic development.

The County acquired a parking lot to increase parking spaces for the Bowden Senior Center.

Our IT Infrastructure Team continued playing a key role during the year by focusing on technological stability across service areas and the County's workforce. It continued education and support of educating the workforce of dangers associated with cybersecurity through an increased technological workforce.

Our Physical Infrastructure Team continued to maintain our facilities and focus on the prevention of COVID-19 within the workplace. The team embarked on the Reimagining the Workplace initiative to develop the workspace of the future via pandemic proofing, redesigning of spaces

and relocating departments and functions with the goals of effectiveness, efficiency, productivity, and increased customer service.

During FY2023, the County continued the capital review and assessment process. By performing a thorough review of each request, our Infrastructure Team assessed the viability of each project and provided recommendations to Executive Leadership. Due to financial constraints, priorities were given to life/health/safety projects.

The County continued sourcing options for a new Enterprise Resource Planning system (ERP) during FY2023. Currently in process, we will present optimization of our current application in an upcoming meeting.

The County also opened the Elections Hub and Operational Center for the continued operations of Registration and Elections, Emergency Management, Real Estate and Asset Management, Information Technology, Clerk to the Superior and Magistrate Courts, Marshal, Police and Sheriff.

The County completed construction and will have the formal grand opening of the \$42 million world class animal shelter in November 2023.

The Department of Real Estate and Asset Management completed new landscape installations at six libraries and the Hammond House. They also replaced critical fire-safety equipment in the Government Center and Justice Center Tower and completed the retrofit of the Government Center Cooling tower.

-2024

In 2024, we are investing \$337 million towards the Infrastructure and Economic Development Strategy.

We will continue to execute water infrastructure improvements of \$1B on Big Creek, Little River, Camp Creek, and collection distribution systems to promote growth opportunities.

We will continue our investment in capital projects with our pay as you go program with a focus on developing tools to have a steady acquisition and replacement program for vehicle and equipment needs.

The County is planning to start construction on the Reimagining of the County's workplace to provide employees with increased flexibility and collaboration spaces.

We will continue the implementation of our multi-year Visioning plan at the Fulton County Airport. The plan includes a new administration office, a modernized aircraft rescue and firefighting command center, and more hangar space.

We will continue our county-wide animal services at our recently opened world-class animal services shelter.

The County will begin renovation of an existing county facility to serve as the new home to the South Fulton Training center for our developmental disabilities clients.

Working through the South Fulton Municipal Regional Jail Authority, we plan to issue \$100 million in bonds to begin the design and program management for the planned replacement jail.

Arts and Libraries

-2023

The County continued with innovative virtual programming and noted a marked increase in virtual circulation of the borrowing of digital materials through third-party sites which include OverDrive, Hoopla and Paper.

Arts and Culture funded 185 artists and arts organizations with our Contract for Services Program (CFS). We also secured a partnership with Georgia Tech and Microsoft to kick-off our Future Lab Initiatives, where Public Art intersects with technology and facilitates emerging artists. Moreover, Arts and Culture partnered with one of our funding organizations to produce a Disability Study that supports artists, patrons, and staff in reference to total access to arts facilities in the county.

We worked with artists appointed to the Rogers Bridge Public Art commission. This project, a collaborative effort funded by the county and city showcases the integration of art and historical preservation.

The County transferred ownership of the West End Performing Arts Center to the City of Atlanta.

The County fully implemented the transition of FGTV under Arts and Culture to enhance and improve Fulton Films programming and services.

In 2023, we continued support of the F.A.C.E. (Fashion, Art, Culture and Education) program and partnered with a variety of brands and organizations to collectively market Fulton County as a key destination for fashion in the United States.

The County provided expanded support of several Arts programs including the Contract for Services programs, Fulton Films and provided capital funding support for Bear Creek and Chattoahoochee Nature Centers.

-2024

In 2024, we are investing \$56.6 million towards the Arts and Libraries strategic area.

We will maintain our financial commitment to the Library System and will be a partner in the Vision of the Library of the future (strategic plan) with a focus on early literacy and digital inclusion.

We will continue to leverage the remainder of our Federal funding to enhance our investment to combat food deserts through Fulton Fresh programs. We will also maintain our annual investment in e-materials, to satisfy increasing demands triggered as a result of the ongoing public health emergency.

Our commitment to the Arts will continue in 2024. We will continue our legacy programs, including Contracts for Services and support for Fulton Films.

Conclusion

In 2024, the County will continue a course of providing efficient high-impact service within the financial resources available.

This \$1.34 billion budget reflects both, the needs of our residents and a steady operational and fiscally responsible plan.

Thank you for your continued support and we look forward to your feedback on the FY2024 Proposed Budget.

Fund Synopsis

Fulton County's Budget is structured on the basis of individual funds. Each fund represents a distinct financial entity with its own revenues and expenditures. Listed below is a description of the major operating funds used.

The General Fund (Fund 100) is a tax-based fund used to provide and account for costs of services, which are supplied, on a countywide basis, such as court, health, library and welfare services.

The Fulton Industrial District Fund (Fund 301) is used to account for all financial activities in the Fulton Industrial Boulevard Corridor. Separate taxes are levied in the area and municipal type services are provided for the citizens living in the area. The municipal type services provided include police, fire, code enforcement and business license. Financing is provided by a specific annual property tax levy and fees and charges for services.

The Animal Services Fund (Fund 312) will be created in 2024. This contractual services fund provides for the County's animal service activities. It is funded by the revenue received from the participating municipalities along with a supplement from the General Fund.

The Communications (911) Fund (Fund 340) was created in 1994. This fund provides for the County's emergency communication operation. It is funded by the "911 surcharge" on county residents' telephone bills and by a supplement from the General Fund.

The Water & Sewer Revenue System (Fund 201), which is composed of the Water & Sewer Revenue Fund, and the Water & Sewer Renewal and Extension Fund (Fund 203), is funded principally from fees paid by water and sewer customers for water and sewer services. Taxes are not used as a source of revenue for the system; fees are set at a level to make the system self-supporting.

The Bond Fund (Fund 600) is a taxed-based fund used by Fulton County to provide the capital necessary for major infrastructure improvements and falls into two categories:

- Annual Bond – General Obligation Bond (GOB). The entire general tax-base of Fulton County supports debt incurred through an issuance of these bonds. The County is authorized by the State to issue up to \$3,000,000 in (GOB) on an annual basis without a referendum.
- Referendum General Obligation Bonds. The entire general tax base of the County supports debt created by issuing this type of bond. State Law requires that a referendum be held before these bonds may be issued.

The Risk Management Fund (Fund 725) was created in 1999 to account for insurance services provided to all agencies in the County. The primary insurance activities financed from this fund

include automobile physical damage, automobile liability, employee and Public Officials bonds, building & contents, medical malpractice, general liability, risk management operating expenses, and in 2004 the Workers' Compensation self-insurance program.

The Airport Fund (Fund 200) was created in 2002 to be in compliance with the Government Accounting Standards Board's (GASB) thirty-four (34) reporting requirements that require an Airport to operate and be reported as an Enterprise Fund. The Airport Fund's Budget is balanced using revenues generated from services, rentals and sales, and subsidized if needed by the General Fund.

The Special Appropriation Funds (various funds) are used to account for the proceeds of specific revenue sources (other than major capital projects) that are legally restricted to expenditures for specified purposes.

General Fund

The FY2024 General Fund Proposed Budget is \$917 million, including approximately \$412 million allocated to personnel and \$505 million allocated to other operating expenditures. The FY2024 budget represents an estimated \$19.7 million increase from the FY2023 adopted budget of \$897.5 million. This change is the result of multiple efforts including increases and decreases in revenue and expenditures.

The main drivers in the budget includes the Board of Commissioner decision to maintain a flat millage rate in 2023 resulting in revenue adjustments across both years while simultaneously increasing support of the Sheriff's Office and in particular, support for the operation of the current Fulton County Jail and planning efforts for the replacement jail. Other drivers include increases within Registration and Elections to support the 2024 Elections which include a Presidential and other Statewide election, compensation adjustments in the form of a 5% COLA for County employees, and inflation. Resources were reallocated resulting in several decreases including the application of an attrition factor applied to all vacant positions, a reduction in departmental operating budgets to align with programs associated with non-recurring funding resources, and continued funding of inmate outsourcing and the jail bridging plan.

The budget is balanced with \$879 million in revenue, the use of \$38 million in fund balance, and operating expenditures of \$917 million. **This represents the third year in a row where expenses have exceeded revenues requiring use of the fund balance and leaves a fund balance of \$153 million, which represents 16.667% of total yearly expenditures as required by Fulton County's fund balance reserve policy.**

The FY2024 General Fund Proposed Budget is designed to provide the necessary resources for sufficient levels of service within the above-mentioned established financial constraints. Working within these financial constraints, there were no additional resources available to fund program enhancements. A rules-based criterion was developed to propose any additional funding which may accrue between now and the end of the fiscal year be prioritized first for enhancements based on life safety, contractual, regulatory, statutory, or inflationary drivers. This approach results in many unmet requests; however, the remaining enhancement requests are categorized in prioritized tranches including Employees, Community (Community and Community – Competitively Bid Programs), Justice Related, ORCA and All Others.

Budget Preparation and Process Changes

For FY2024 budget preparation, the County's Executive Team kept the Board of Commissioners informed and engaged beginning in Spring 2023 with a five-year outlook based on commitments, actions taken and known budgetary pressures. In addition to mid-year FY2023 updates and

projections, monthly information updates were presented at the Board of Commissioner meetings. This process provided the Board with an opportunity to understand the direction and provide feedback concerning priorities during the FY2024 process. In tandem, the Executive Team accepted requests from county departments, agencies and stakeholders identifying costs required to maintain FY2023 service levels along with a variety of enhancements within personnel and other operations for expanding existing programs, funding new programs and initiatives and capital requests in the areas of equipment, facilities, vehicles, and technology. Based on discussion updates and guidance received from Board of Commissioners, various scenarios were explored including increasing revenue projections, expenditure adjustments such as personnel and operating budget reductions, review of contracts, services and unfunding of services previously provided that did not have a designated recurring funding source.

The County Executive team discussed the above-mentioned scenarios and applied a rules-based approach. This approach included the prioritization of requests that were statutory, regulatory, inflationary or contractually driven increases or had a life/safety consequence. In addition, consideration was given to additional unavoidable expenditures including Board of Commissioner approved items. Requests based on new personnel staff, compensation adjustments (outside of the 5% COLA), new programs or program expansions were outside of the rules-based criteria and not recommended for funding. This approach helped the Executive Team identify a consistent level of review. This methodology allowed candid discussion among all stakeholders to present and explain the relationship between resources available, existing commitments, and available funding for investment.

Organizational Impacts

- Beginning in 2024, the costs to provide county animal services (contractual, maintenance, dispatch, etc.) and the user fees received from the participating municipalities will be reallocated to the Animal Services fund. The general fund will continue to support costs not supported by the municipalities including mandated services and debt payments related to the new animal services facility. This proposal will reduce the resources available in the Emergency Communications, Emergency Management and Department of Real Estate and Asset Management departments.
- The County is reallocating Police department personnel resources to align with activities performed in the General fund and South Fulton Special Services District.

Discussion of General Fund Revenue Assumptions

The total FY2024 General Fund revenue budget is \$879 million and was developed with the following assumptions and considerations:

- The County’s primary source of revenue is property tax. The FY2024 current year property tax revenue projection assumes a flat millage rate of 8.87 as provided by the Board of Commissioners in their guidance on the budget. The final determination of the FY2024 millage rate by the Board of Commissioners will take place during the summer of 2024.
- The property tax revenue projection assumes a billable growth rate of 7% in billings. This growth rate which increased from a conservative 3%, is based on the average of the last 7 years and derived through a combination of reassessments and new construction.
- The FY2024 property tax revenue projection assumes a 96% collection rate, in line with historical trends.
- The revenue projection for FY2024 assumes Prior Year Property Tax Revenue of approximately 3% of FY2023 billings. If the collection rate of FY2024 billings during 2023 is higher/lower than expected, the FY2024 projection for Prior Year Taxes will be adjusted accordingly as this is simply a timing difference.
- Motor vehicle taxes and TAVT are expected to remain at approximately the same level as FY2023.
- In FY2024, receipts of local option sales tax are expected to be \$18.5 million. This amount reflects a renegotiated agreement and the expectation on the overall economy in 2024. Based on the renegotiated rate approved in November 2022, the County’s share will increase from 4.98% to 12.5% over the next decade with a 6% share in 2024.
- Assumes the return of \$2 million in TAD increment from the closure of the East Point TAD #1 and the Princeton Lake TAD. 2024 will be the last year tax increment will be collected on the Atlantic Station TAD and an expectation that the tax increment will be returned in 2025 to the County’s general fund and will be established in writing with Invest Atlanta.
- The County anticipates other revenue collection trends to follow similar patterns as FY2023.

Discussion of Expenditure Components in the General Fund

This \$917 million FY2024 General Fund Proposed Budget reflects our plans and objectives approved from requests received from County departments, agencies, and stakeholders. Its structure has been divided into areas to demonstrate a comprehensive approach to simplify its components and highlight the most critical commitments/objectives as we move into 2024.

- **Recurring (Base Budget):** These resources ensure a similar level of recurring operations is maintained and we can fulfill commitments made by the Board of Commissioners. Contractual and inflationary increases are being proposed for priority funding from realized 2023 expenditure underruns.

- **Understanding through Operational Review of Projects and Contracts** Includes a continued review of the County’s over 600 contracts to ensure the efficient and effectiveness in meeting the County’s established priorities.
- **Lapse of Supplemental Funding of Projects:** Due to limited financial resources, in FY2024 Proposed budget, there is a lapse of supplemental funding for projects without a defined funding source. Some of the projects include several initiatives added during the January 18, 2023 Board of Commissioners meeting where an additional \$36 million in new program and program expansions were created. For program expansions, such as the Contracts for Services (CFS) and Community Services Programs (CSP), recurring funding is still provided in the base budget, however, supplemental funding provided in FY2023 through a one-time funding source to enhance or expand these programs has lapsed due to the limited financial resources available.
- **Elections:** The financial investment allocated for Elections purposes provides the necessary resources for four out of five election cycles. These are the March 2024 - Presidential Preference Primary, May 2024 -General Primary, June 2024 – General Primary Runoff and November 2024 – General Election. If a December 2024 - General Election runoff is required, it is proposed to be funded from 2024 underruns.
- **Employees:** Includes a 5% cost of living increase (COLA) for all filled positions. Maintains funding for filled positions but includes an attrition reduction by not fully funding the salary and fringe financial resources for departments with vacant positions.
- **Enhancements:** Includes several enhancements considered during the budget setting process based on known pressures.
- **+ Enhancements:** Includes a set of enhancements that were prioritized based on a thorough review of requests submitted during the budget request process. Prioritized into tranches, these enhancements are proposed to be funded with additional resources, if any, identified at the end of the 2023 fiscal year.

Base Budget - \$800 million

As part of our FY2024 budget development process, we identified the County’s “Base Budget”. This represents the current funding needed to address historical spending patterns including personnel expenditures (filled and vacant) and other operational spending. Due to competing inflationary increases, operations may not function at the previous level of service. Based on our assessment, we estimate the total expenditure footprint to be approximately \$917 million. The structure of the Base Budget is as follows:

- **It includes partial funding for departments with vacant positions.** This estimate assumes a workforce that is in line with the recurring personnel structure approved as part of the

FY2023 budget and adjusted for a reduction of salary and fringe benefits of vacant positions. This assumes that vacant positions will be recruited and filled on a staggered basis reducing the need for full funding of vacant positions for the entire year.

- **Recurring operational needs are funded.** This estimate assumes funding of existing recurring costs associated with legacy contracts, leases, and other recurring operational needs. This also includes the annual base allocation to the Fulton County Board of Health (BOH).
- **Includes sufficient resources to cover all existing debt service obligations.**
- **Meets our existing commitments to Grady.** All operational and debt service commitments to Grady, approved by the Board of Commissioners, are included in the FY2024 Proposed Budget including resources contemplated during contract negotiations
- **Includes resources needed to meet our pension obligation.**
- **Includes resources needed for inmate outsourcing.** Funding has been provided to meet current contractual obligations for inmate outsourcing at four locations (Atlanta, Cobb County, Forsyth County, Oconee County)
- **The increase in several lease obligations.**
- **No increase to Risk Management fund premiums beyond normal funding level.** – Same funding level as in FY2023.
- **Includes resources needed for securing physical access points around several government facilities.** A total of \$1.2 million is made available to continue improvement of security in several County facilities.
- **Takes into consideration our annual allocation of capital funding of \$7.5 million.** This is part of our “Pay as You Go” capital program and allows the County to maintain our facilities, prevent potential risks and ensure facility-related emergencies are handled swiftly. As part of a new rigorous capital review process, life/safety and continuity of operations items were prioritized first to fund. The funding for selected investments is included in the FY2024 Non-Agency Proposed expenditure budget. During 2024, these resources will be transferred to the Department of Real State and Asset Management (DREAM) and the Department of Information Technology capital budgets for identification and use.

Elections — Additional \$35 million

The County will allocate an additional \$35 million for Registration and Elections Department above the standard personnel and operating budget. This increase is added as it is a general election year. It was noted in 2023, that the \$15 million allocated was insufficient to fund the 2024 election cycle. The election cycles are as follows:

March 2024 - Presidential Preference Primary

May 2024 - General Primary

June 2024 - General Primary Runoff

November 2024 - General Election

If a December 2024 - General Election runoff is required, it is proposed to be funded from 2024 underruns.

Employees — Net Increase of \$6 million

The FY2024 Proposed Budget includes a net increase of \$6 million for personnel related costs. The net increase is from a \$16 million increase for the cost-of-living adjustment and a \$10 million decrease for attrition.

The \$16 million increase represents a proposed 5% COLA for all filled positions in 2024. This financial resource will be housed in Non-Agency and will be allocated to address this action for filled positions that cannot be absorbed by a department's budget.

For vacant positions, historically, the county has fully funded the salary and fringe financial resources for the entire year. In practice, many vacant positions are still in the recruitment process and not filled as of the beginning of the year. In addition, with the increased recruitment and retention strategies, there is still a level of attrition. With the limited financial resources available, there will be a decrease of \$10 million dollars in personnel expenditures because the county has implemented the following:

- Departments with vacant positions as of 4Q2023 will receive a reduction of their personnel expenditures. The total averages 29% per position among departments identified with vacant positions.
- These departments have the ability to recruit for their vacant positions, but the reduction assumes that vacant positions will be recruited and filled on a staggered basis reducing the need for full funding of vacant positions for the entire year. Departments will manage the resources available to onboard employees.

Enhancements Already Considered in Budget

There were several separately identified/known expenditures enhancements included in the proposed budget calculation and discussion, as a result of known external pressures. With the application of the known pressures, the following funding allocations are included in the FY2024 Proposed Budget:

BEHAVIORAL HEALTH - \$3,810,000

The County will continue to invest in behavioral health services to address criminal justice reform, the county's homeless population, and to serve as the safety net provider of core mental health and substance abuse services.

As part of our commitment, we will set aside approximately \$3.8 million (non-recurring). The resources will be allocated as follows:

- Funding of \$520,000 (non-recurring) will be allocated for services to support the Emerging Adults Re-Entry Team (18–24-year-old).
- Funding of \$2.09 million (non-recurring) will be allotted for school-based therapy services. This program helps students overcome behavioral, emotional, or social problems that interfere with success at school and home.
- We will also continue our investment in Behavioral Health and Housing/Homeless initiatives by allocating \$800,000 (non-recurring). These resources will fund the Permanent Supportive Housing program.
- Funding of \$400,000 (non-recurring) dedicated towards Pre-Arrest Diversion programs.

BOARD OF HEALTH \$800,000

- The FY2024 Proposed Budget includes an allocation of \$800,000 (non-recurring) to fund supplemental contributions for salaries and benefits for employees transferred from Fulton County to the Board of Health. These resources will be kept in a separate program/unit within the Board of Health FY2024 allocation. Payments against these resources will be based on actual costs associated with the supplemental salary and benefit contributions for those specific employees transferred.

GRADY \$1,500,000

The FY2024 Proposed Budget includes an additional \$1,500,000 for additional services based on the status of contract negotiations.

NON-AGENCY – \$70,503,106

- The County plans to allocate \$19,100,000 (non-recurring) towards addressing overcrowding at the jail. The resources are for contractual rates at the Atlanta Detention Center, Cobb County, Forsyth County and Oconee County. This effort is in line with the Board of Commissioners and the Fulton County Sheriff’s objective to provide inmates with better conditions while mitigating the spread of illnesses, including COVID-19, and lessening mental health complications.
- Additional funding of \$16,000,000 (recurring) is set aside for a 5% cost of living increase for all employees (filled positions).
- Additional funding of \$2,000,000 (recurring) for residual and incremental funding received from closed tax allocation district closing. Funds will be budgeted as a pass through to a facilities reserve as required by BOC resolution.
- Additional funding of \$1,200,000 (non-recurring) for efforts toward safety and security of hardening access points of and around county facilities.

- Additional funding of \$703,276 (non-recurring) for costs associated with medical contract increases related to the employee health plan.
- Additional funding of \$1,000,000 (recurring) for costs associated with the opening of the public safety training center.
- Additional funding of \$630,000 (non-recurring) for senior transportation contingency (held in non-agency based on utilization and need).
- Additional funding of \$1,700,000 (non-recurring) for Diversion center operational contingency.
- Additional funding of \$2,500,000 (non-recurring) for the Behavioral Health Crisis Center needs.
- Additional funding of \$1,947,260 (non-recurring) for the Morehouse School of Medicine healthcare services
- Additional funding of \$10,000,000 (recurring) for the debt service associated with the replacement jail.
- Additional funding of \$1,500,000 (non-recurring) for costs associated with Health and Human Services – South – feasibility study.
- Additional funding of \$500,000 (non-recurring) for public relations costs.
- Additional funding of \$2,522,570 (non-recurring) for costs associated wayfinding, FMLA contractual increases and lease and utility increases.

REAL ESTATE AND ASSET MANAGEMENT \$230,000

- An increase of \$230,000 (non-recurring) in the budget for incremental costs associated with rental leases.

REGISTRATION AND ELECTIONS \$35,000,000

- An increase of \$35 million (non-recurring) in the budget to fund four county-wide elections for 2024.
 - March 2024 - Presidential Preference Primary
 - May 2024 -General Primary
 - June 2024 – General Primary Runoff
 - November 2024 – General Election

SENIOR SERVICES - \$100,000

- The Department will receive \$100,000 (non-recurring) to supplement existing funding for the Quality of Living Services (QLS) initiative.

SHERIFF – \$ 16,296,724 – JAIL BRIDGING PROGRAM

- Funding of \$1,320,000 (non-recurring) will be added to the Sheriff’s Office to cover the tower staffing contract.
- Funding of \$1,826,724 (non-recurring) will be added to cover the increased costs for the inmate food contract.
- Funding of \$ 650,000 (non-recurring) will be added to cover the increased costs for the inmate food contract (jail staff)
- Funding of \$12,500,000 (non-recurring) will be added to cover increased contractual costs for the inmate medical contract including pass through medication.

STATE COURT GENERAL – \$260,000

- An increase of \$260,000 (non-recurring) to provide additional judicial officer’s support.

(+) Additional Enhancements – In 2024

In addition to the above mentioned enhancements already considered, there were over \$120 million in unique personnel/operating requests and almost \$63 million in capital requests received from departments, agencies and external stakeholders during the FY2024 budget process. The requests were separately reviewed and prioritized into tranches for funding consideration if additional resources are realized at the end of 2023. The County Manager presents the following operating requests color coded in priority for consideration. Details for each request are included and color coded in the Appendix.

1) RULES - \$12.5 million (BLUE)

The rules-based criteria included priority consideration for regulatory, statutory, inflationary, and contractually driven increases. The criteria also considered requests with a compliance and/or life safety consequence. It did not prioritize new county programs and/or current program expansion.

2) Employees - \$13 million (GREEN)

Funding to update and transition employees to the Segal compensation plan to align starting salaries with market rates.

3) Community - \$8.9 million (YELLOW)

Program expansion requests from various departments with community impact including Community – Competitively Based Programs and additional community programs. Departments with requests in this group include Arts & Culture, Community Development, the Library, Non-Agency, and Senior Services.

4) Justice Related - \$57.5 million (**ORANGE**)

Program expansion requests from Justice agencies including the County Marshal, District Attorney, Juvenile Court, Magistrate Court, Probate Court, Public Defender, Sheriff, Solicitor General, State Court and Superior Court.

5) ORCA - \$9 million (**NAVY**)

Program expansion requests from all Justice agencies to continue personnel and operating expenditures for August – December 2024, after the ORCA program federally funded by the American Rescue Plan dollars end. While this enhancement is for the last five months of 2024, there would be a \$32 million yearly need, if the positions are maintained.

6) All Others - \$18.9 million (**PURPLE**)

New position and Program expansion requests from all other non-Justice departments that were not categorized within the above-mentioned categories. Department requests from Arts and Culture, Behavioral Health, Board of Health, Clerk to the Commission, Community Development, County manager, Diversity and Civil Rights, Department of Real Estate and Asset Management, Emergency management, Emergency Services, External Affairs, Finance, Human Resources, Information Technology, Police, Registration and Elections, Senior Services, Tax Assessor, and the Tax Commissioner.

Discussion of Fund Balance

The ending fund balance for FY2024 is projected at \$153 million. This amount is the projected beginning fund balance of \$191 million in FY2024 and when combined with budgeted revenues of \$879 million, total available resources equal \$1.07 billion. With budgeted expenditures of \$917 million, including \$800 million in recurring and \$117 million in non-recurring expenditures, the projected ending fund balance at the end of FY2024 is \$153 million. The projected fund balance amount represents 16.67% of expenditures, which is in line with the fund balance minimum requirement (two months of budgeted expenditures).

Water and Sewer Revenue and Renewal Fund (201-203)

201-Fund Revenue

The Water & Sewer Revenue Fund FY2024 Proposed Expenditure Budget is \$171 million. The amount is lower than the FY2023 projected expenditures of \$144 million by approximately \$7 million. The difference relates primarily to salary savings generated due to vacant positions within Public Works. In addition, the additional allocation to the Water Renewal fund is approximately \$25 million less than the amount contributed in FY2023. In FY2020 the Water System issued \$290 million in bonds that are being used towards the expansion of a wastewater treatment plant, for a spill mitigation strategy, pump stations and other related capital projects in the system. Debt service for this bond is also included as part of the FY2024 Proposed Expenditure Budget.

The FY2024 Revenue Budget for the fund is \$167.7 million. The projected increase takes into consideration the plan to raise rates by 5 percent in 2024 to pay for planned improvements to the system and a potential reduction in demand.

For FY2024, the Public Works Department will receive an enhancement of \$5.9 million (\$5,750,331 recurring and \$200,000 non-recurring).

- A recurring enhancement of \$20,000 for increased contract costs in the meter reading contract.
- A recurring enhancement of \$20,286 for increased contract costs in the North Fulton Operations and Maintenance contract between Fulton County and Veolia.
- A recurring enhancement of \$3,500,000 for indirect cost expenditures.
- A recurring enhancement of \$500,000 for increased electricity costs.
- A recurring enhancement of \$937,062 for increased contract costs in the North Fulton Operations and Maintenance contract between Fulton County and Veolia.
- A recurring enhancement of \$250,000 for increased electricity costs.
- A non-recurring enhancement of \$200,000 for a low boy trailer for use by the South Fulton sewer crew (replacement of Talbert TDW-35SA-HRG-1-T1).
- A recurring enhancement of \$210,865 for increased contract costs in the Camp Creek Managed Asset contract between Fulton County and Veolia.
- A recurring enhancement of \$312,118 for increased contract costs in the North Fulton Operations and Maintenance contract between Fulton County and Veolia.

For FY2024, the Finance Department will receive an enhancement of \$167,749 (recurring). This enhancement includes \$8,544 for increased annual maintenance cost for the billing system, \$88,112 for increased postal fees for bill printing and mailing and \$71,093 to cover incremental credit card fee costs based on increased usage.

FUND BALANCE

The revenue amount combined with the FY2024 beginning retained earnings of \$34 million; minus the expenditure budget leaves projected retained earnings at the end of the year of \$37.6 million, which is sufficient to meet the system's standing debt covenant requirements.

203-Fund Renewal

The Water and Sewer Renewal and Extension Fund FY2024 Expenditure Budget is \$105.5 million, including \$90 million in multi-year capital expenditures. This budget ensures resources are made available to deploy the 2016 to 2025 Water and Wastewater Capital Improvements Program approved by the Board of Commissioners. The revenue budget is equal to \$48 million, including a transfer of \$39.8 million from the Water & Sewer Revenue Fund (Fund 201).

For FY2024, the Public Works Department will receive an enhancement of almost \$1.2 million (\$1,155,000 non-recurring).

- A non-recurring enhancement of \$750,000 for the small water meter replacement program.
- A non-recurring enhancement of \$250,000 for replacement of the Ford F550 Flatbed and Vacuum skid w/Valve Turner.
- A non-recurring enhancement of \$40,000 for replacement of Eng Tech pickup.
- A non-recurring enhancement of \$75,000 for Electro Scan Swordfish - Service Line Tester.
- A non-recurring enhancement of \$40,000 for SUV - Ford Explorer XLT.

FUND BALANCE

The projected ending retained earnings for FY2023 is \$83.5 million. This amount is the beginning retained earnings in FY2024 and when combined with budgeted revenues of \$48.1 million, total available resources equal \$131.6 million. With budgeted expenditures of \$105.5 million, the projected ending retained earnings for FY2024 is \$26 million.

Fulton Industrial District (FID – 301)

This fund was formerly used to account for the operations of the South Fulton Special Services District. After the incorporation of the City of South Fulton on May 1, 2017, the fund became solely dedicated to operations of municipal-type services in the Fulton Industrial District (FID). In early May 2021, the corporate limits of the City of South Fulton were modified as to include all of the unincorporated territory of the Fulton Industrial District south of the centerline of the right of way of State Route 402, also known as Interstate 20.

During FY2024, this fund will continue to provide municipal-type services to the remaining unincorporated area of the Fulton Industrial District, which is located north of Interstate 20. The FY2024 projected revenue for the Fulton Industrial District is \$7.7 million. This revenue figure assumes a reduction in property taxes in comparison to the FY2023 projection. The FY2023 projection documents an increase in prior year property tax revenue that is expected to be non-recurring. This revenue figure also assumes a decrease in licenses and permits and an increase in other revenues due to increase in FY2023 projection. The FY2024 property tax millage rate will be set in the summer of 2024 to provide sufficient recurring funds to continue to deliver municipal type services.

The FY2024 Proposed Expenditure Budget is \$28.3 million and includes the following allotments;

- \$3.7 million for Police.
- \$87,000 for the Finance Department's Accounts' Receivable unit.
- \$400,000 for the Fire Services agreement with the City of South Fulton.
- \$1.5 million for Public Works. This budget includes the new budget footprint for the FID district after the 2021 annexation.
- The Non-Agency Budget of \$22.7 million includes
 - 911 transfer to the Emergency Communications Fund for \$415,000
 - Streetlight costs of \$30,000
 - Animal Control costs of \$37,000
 - The expenditure budget also includes an appropriated amount of approximately \$22.7 million, which for the most part, is the residual projected fund balance at the end of FY2023. This provides the county with resources for blight remediation, economic development efforts or any potential eventualities.

FUND BALANCE

The fund balance at the end of FY2023 is projected at \$25.3 million. This amount is the beginning fund balance in FY2024 and when combined with budgeted revenues of \$7.7 million, total available resources equal \$33 million. The FY2024 expenditure budget is \$28.4 million, including budgets for municipal-type services and the residual FY2023 fund balance that will be used to cover unexpected financial pressures and economic development efforts. This leaves projected ending fund balance of \$4.7 at the end of FY2024.

Emergency Communications Fund (911 - 340)

The Emergency Communications Fund FY2024 expenditure budget is \$8.5 million.

The total revenue amount budgeted for FY2024 to support the expenditure budget is \$7.3 million from various sources including monthly 911 telephone emergency fee surcharge of \$1.50 per user, prepaid wireless fee, and supplement fee revenue from the following jurisdictions using the system:

- City of South Fulton
- Fulton Industrial District
- City of Fairburn
- City of Chattahoochee Hills
- Fulton County School Police, and
- National Park

The supplement is necessary because of dwindling 911 telephone surcharge of \$1.50, which is no longer sufficient to cover the 911 operations. The County's Fulton Industrial District fund is currently providing a contribution of \$415,000 to the Emergency Communication fund as part of the supplemental payments.

FUND BALANCE

The fund balance for FY2023 is projected at \$7 million. This amount is the beginning fund balance in FY2024 and when combined with budgeted revenues of \$7.3 million, total available resources equal \$14.3 million.
