Contract Renewal Evaluation Form

Date:	June 16, 2025
Department:	Public Works
Contract Number:	24ITBC1329891A-JWT
Contract Title:	Water Meter Vaults

Instructions:

It is extremely important that every contract be rigidly scrutinized to determine if the contract provides the County with value. Each renewal shall be reviewed and answers provided to determine whether services should be maintained, services/scope reduced, services brought in-house or if the contract should be terminated. Please submit a completed copy of this form with all renewal requests.

1. Describe what efforts were made to reduce the scope and cost of this contract.

The contract scope was streamlined to include only essential vault sizes and components, avoiding custom configurations that would drive up cost. Specifications were centered on standard industry products, but bidders were allowed to propose approved equivalents to reduce dependence on premium brands and foster competitive pricing.

2. Describe the analysis you made to determine if the current prices for this good or service is reflective of the current market. Check all applicable statements and provide documentation:
