Approach and Design:

Crossroads Community Ministries, Inc., The Mission United Family Assistance Program (MUFA) will provide services to **48** clients that reside in Fulton County, with VSP funding.

Crossroads Community Ministries, Inc., The Mission United Family Assistance Program (MUFA) will provide the following activities and services in Fulton County with VSP funding:

Activities and Services Provided: Crossroads seeks funding support related to the Homeless and Housing Funding Priorities, as outlined in the Veterans Services Program Funding Priorities and reads:

Veterans Homelessness. Includes basic needs, goods and services, emergency financial services, rental assistance, home ownership, homeless services, and transitional and permanent housing. Programs should focus on solutions to address needs not met through existing programs.

Crossroads' primary purpose has traditionally focused on providing access to programs and resources intended to empower people experiencing homelessness so they may progress on the road toward economic and personal stability. We work with Veterans to equip them with tools and essentials necessary to break the cycle of homelessness in an effort to achieve economic stability through the attainment of personal health and safety, gainful employment, stable housing and overall self-sufficiency.

To meet the needs of Veterans in Fulton County, Crossroads will serve up to 48 Veterans through our Mission United Family Assistance Program. This will include two full-time Crossroads Case Managers to work with each Veteran to determine their most urgent needs, related to preventing or ending homelessness. This will include, but not be limited to seeking solutions for permanent housing, emergency rent, mortgage and utility assistance, and providing basic essentials for those who are imminently at-risk of or currently experiencing homelessness.

How Activities and Services will be Accomplished:

When Veterans arrive at Crossroads, they are immediately connected with our professional Case Managers and invited to a 30-minute orientation. During the orientation, Veterans are given an overview of Crossroads services available to them. Upon completion of orientation, Veterans work with their assigned case manager, who assess their unique needs and register them into the ClientTrack HMIS case management system. Crossroads Case Managers are specially trained in trauma-informed care and provide extended case management to Veterans who may need it. Case Managers recommend supportive services to help ensure each Veteran's needs and goals are pursued and achieved.

The Crossroads' MUFA program is available to Veterans experiencing homelessness, as well as those who are imminently at risk of homelessness. Crossroads is committed to serving those who, without financial assistance, would continue experiencing homelessness or be at impending risk of homelessness. Therefore, Veterans must be in a position where they would remain in homelessness or be imminently at risk of homelessness without our financial assistance. Our professional team works to verify if individuals have a birth certificate and a valid identification card. If not, they will complete intake paperwork and a Case Manager will document the visit in the ClientTrack HMIS system.

Simultaneously, the Case Manager will also refer the Veteran to a Housing Specialist to begin their intake into the Housing Program.

The Crossroads Housing Specialist connects participants to landlords within our network of community partnerships (we have established relationships with landlords who are willing to accept tenants with lower credit scores or previous evictions). Once the Veteran has been approved for housing, Crossroads pays the initial fees for move-in (security deposit, administrative fees, furniture).

The process for payments for housing assistance will involve the landlords completing a form indicating who our Finance Department should submit checks to.

For Veteran households in need of utilities assistance, Crossroads verifies the outstanding amount with the provider, and then remits payments directly to the utility provider on behalf of the household we are assisting.

In addition to our housing assistance efforts, Crossroads offers fundamental services to participants including meals five days per week through the Crossroads Kitchen, MARTA passes for employment and medical appointments, birth

certificates and mobile documentation services, individual counseling and assessment, case management, mailing address and mailbox access, healthcare, and employment and job navigation resources.

Since our inception in 1996, Crossroads has always been there for thousands of men, women and children as they take their first steps toward ending their homelessness and moving along the path toward economic self-sufficiency. We are proud to extend this same level of support to Veterans in our community. Fundamental services we offer include individual counseling and assessment, case management, mailing address and mailbox access, birth certificate and identification services, MARTA passes, healthcare, and daily meals.

Due to the comprehensive nature and diverse offerings of our programs, the length of time an individual or family may spend accessing our programs for help may vary. Some Veterans only access our food kitchen daily, while others may access all components of programs. It mostly depends on what stage of stability they are when they come to us. Some matriculate through programs and have their needs met more quickly than others. The housing assistance program is about four months, from start to finish. The comprehensive program which may include housing, counseling, case management and other services averages about 9 to 12 months.

The Fulton County Health and Human Services Key Performance Indicator this program aligns with includes the following:

Support the vulnerable residents in our social services

Number of people who receive permanent supportive housing and support services

Percentage change in the homeless population year to year

As a result of our work, we anticipate 70% of Veteran households will maintain their existing home and avoid evictions or utilities disconnected, and 100% of Veteran households served will be able to successfully move into a permanent home. Additionally, we anticipate 100% of Veterans we serve who are assigned to a Crossroads Case Manager will have their homelessness decreased.

Through the Mission United Family Assistance Program, we will provide permanent supportive housing and support services to Veterans experiencing or imminently at risk of homelessness in the Fulton County District 4 community. They will benefit from financial housing and emergency assistance, as well as support services provided through an assigned Crossroads Case Manager and Housing Specialist. The MUFA program helps Veterans become self-sufficient through use of wrap-around services including mailing address and mailbox access, birth certificate and identification services, MARTA passes for access to healthcare and job interviews, etc.; and access to nutritious meals provided 5 days each week. These services will directly decrease the percentage of Veterans experiencing or at risk of homelessness in the Fulton County District 4 community.

Community Collaborative Partners: Crossroads works with several collaborative community partnerships to help serve Veterans who access our services. Over 3,300 Veterans and individuals come to us each year in need of personal identification, such as birth certificates, state IDs and social security cards. Identification is crucial for an independent and self-sufficient life, as it is a primary requirement in obtaining employment and housing. Crossroads provides identification services at no cost, by contacting the birth state of participants on their behalf. If a Georgia state-issued ID is needed, Crossroads provides vouchers and assistance completing necessary paperwork.

Several non-profit partners refer Guests to Crossroads for documentation and housing assistance, along with other support services. They include (1) Atlanta Mission, (2) HOPE Atlanta, (3) City of Refuge, (4) Salvation Army and (5) The Gateway Center.

(6) St. Luke's Episcopal Church provides long-term volunteers to staff many of our programs. (7) The Furniture Bank assists Crossroads with furniture for women and children, who are placed in a safe, secure home. (8) Crossroads refers Guests to Mercy Care's facility on Decatur Street for medical treatment. (9) Richmond University counselors provide mental health services on-site one day per week, and financial counselors from Frontline Housing offer two monthly

financial literacy classes.

The Gateway Center provides homelessness diversion services on-site at Crossroads one day per week. Crossroads refers guests to the Gateway Center for access to showers; laundry services; clothing services; and referrals to other support services and housing resources as appropriate.

Crossroads Ministries, ReStart320, Atlanta Investment Properties, and VEO are working together to provide transitional and permanent housing for homeless American military veterans and their families.

ReStart320 will create a fundraising campaign to raise \$1,000,000. Atlanta Investment Properties will identify and manage the closing process, Crossroads Ministries and the VEO will select the occupants for the housing.

We also partner with PTSGA who provides HIV and STD testing. Additionally, we have partnerships with MercyCare and Fulton County Department of Behavioral Health who offer a variety of physical/behavioral medical supports, both directly onsite here at Crossroads as well as via referrals to their facilities.

County Defined Performance Measure(s):

Health and Wellness:

Not Applicable

Homelessness and Housing:

1. Homeless and Housing-Number of potential instances of homelessness prevented,4. Homeless and Housing-Number of Veterans placed in Permanent Supportive Housing

The following program measures/ Key Performance Indicators (“KPI’s”) will be utilized to track and report program outcomes for the Fulton County residents supported with VSP funding, during the funding period 07/01/2024 through 12/31/2024:

Crossroad's goals are to equip Veterans with tools and essentials necessary to break the cycle of homelessness and achieve economic stability through the attainment of personal health and safety, gainful employment, stable housing and overall self-sufficiency.

Through our Case Managers, Veterans will complete orientation and intake at Crossroads and provide proof of continuing income, which may include government benefits. Any documentation needs can be resolved through our existing programs, including the use of our address for applications or to receive mail. The Case Manager will work with each Veteran to develop an Individual Service Plan (ISP), including a monthly budget, that will increase the likelihood of maintaining their housing.

Our Housing Specialist will also work to connect Veterans to landlords within our network of community partnerships (we have established relationships with landlords who are willing to accept tenants who may have lower credit scores or previous evictions). Once Veterans are approved for housing, Crossroads will coordinate up to \$1,500 payment of initial fees for move-in (security deposit, administrative fees, furniture), as well as utilities assistance. After move-in, the housing specialist will provide extended support for an additional 90 days through case management, referrals to other needed services, accountability to meet stability plan goals, budgeting training, etc.

For Veterans at-risk of utilities disconnection, the Crossroads Case Manager will coordinate payment directly with appropriate service providers, and make payment accordingly.

The Case Manager will work to assess Veterans’ needs and register them into the ClientTrack case management system. Crossroads Case Managers are specially trained in trauma-informed care and provide extended case management to Veterans who may need it. Case Managers recommend supportive services that help ensure each person’s needs and goals are pursued and achieved.

Major milestones we anticipate completing from July 1, 2024 – December 31, 2024 include:

July 2024 – December 2024; Week 1 of accessing Crossroads: Connect Veterans with Case Managers, who will work

with them to provide services including individual counseling and assessment, registration into the ClientTrack case management database, establishment of a mailing address, assistance acquiring state-issued identification and birth certificates, MARTA cards, and on-site healthcare through our community partnerships.

July 2024 – December 2024; First 30 days of accessing Crossroads: Provide Case Management and housing assistance to up to 48 Veterans in Fulton County District 4 by providing assistance with moving costs related to securing permanent housing; emergency rent and utility assistance to individuals/families currently in their own housing who are imminently at-risk of homelessness; and gift cards to purchase starter supplies of essential needs.

July 2024 – December 2024; Monday – Friday of each week: Provide daily nutritional meals through Crossroads Clyde's Kitchen to 48 Veterans six days per week.

Through our tracking and evaluation methods, Crossroads will measure and report on the following County defined performance measures:

Number of potential instances of homelessness prevented – To measure this performance measure, Crossroads tracks the number of Veterans with a housing crisis who receive emergency prevention assistance including rent, mortgage and utilities assistance. Our Case Managers also maintain ongoing follow up and serve as a resource to help ensure Veterans are able to stay in their homes.

Number of Veterans placed in Permanent Supportive Housing - To measure this performance measure, Crossroads tracks the number of Veterans we place in permanent supportive housing by providing assistance with security deposits and/or first month's rent for those who are experiencing homelessness.

Agency Defined Performance Measure(s):

In addition to tracking and reporting on County defined performance measures, Crossroads also tracks and measures the following Agency defined performance measures:

The number of Veterans who receive access to Crossroads stabilization services such as mail, assistance acquiring state-issued identification and birth certificates, MARTA cards, and on-site healthcare through our community partnerships.

The number of Veterans who access our Kitchen for weekly meals.

Crossroads uses data and evaluation results to develop our strategic planning, gauge our progress and introduce new programs. We make adjustments as necessary if performance or impact targets are not met. Additionally, we remain in constant communication with our program staff to determine where improvements may be needed. We utilize feedback from program participants to ensure that we are providing beneficial stabilization services, and may adjust as needs change.

(a) With respect to each Additional Insured's vicarious liability for "actual damages" solely caused by you or by "your work" that is ongoing for such Additional Insured's supervision of "your work"; and

(b) If the Additional Insured did not cause or contribute to the "occurrence" or act resulting in liability.

(2) If an endorsement is attached to this policy and specifically names a person or organization as an Additional Insured, then the coverage extended under this paragraph **4. AUTOMATIC ADDITIONAL INSURED(S)** does not apply to that person, entity, or organization.

(3) The following is added to **Section V - Definitions**:

24. "Actual Damages" is to have its usual and customary legal meaning and excludes without limitation, punitive damages, restitution, penalties, and formula damages added to "actual damages" and any other enhanced damages.

(4) All other terms and conditions of this Coverage Part which are not inconsistent with this Paragraph h. apply to coverage extended to the above referenced Additional Insureds REGARDLESS OF WHETHER OR NOT A COPY OF THIS COVERAGE PART AND/OR ITS ENDORSEMENTS ARE DELIVERED TO AN ADDITIONAL INSURED.

L. BLANKET WAIVER OF SUBROGATION

Paragraph 8. under **Section IV - Commercial General Liability Conditions** is deleted and replaced with the following:

8. Transfer of Rights Of Recovery Against Others To Us And Blanket Waiver Of Subrogation

- a. If an insured has rights to recover all or part of any payment we have made under this Coverage Part, those rights are transferred to us. The insured must do nothing after loss to impair them. At our request, the insured will bring "suit" or transfer those rights to us and help us enforce them.
- b. If required by written "insured contract," we waive any right of recovery we may have against any person or organization because of payments we make for injury or damage arising out of your ongoing operations or "your work" done under a contract for that person or organization and included in the "products-completed operations hazard."

M. PRIORITY OF APPLICATION FOR MULTIPLE INSUREDS

Section III - Limits Of Insurance is amended to add the following paragraph:

8. In the event a claim or "suit" is brought against more than one insured, due to "bodily injury" or "property damage" from the same "occurrence," or "personal injury," or "advertising injury," from the same offense, we will apply the Limits of Insurance in the following order:

- a. You;
- b. Your "executive officers," directors, "employees," and
- c. Any other insureds in any order that we choose.

ALL OTHER TERMS AND CONDITIONS REMAIN UNCHANGED.

CONSUMER DISCLOSURE

From time to time, Carahsoft OBO Fulton County, Georgia (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign, Inc. (DocuSign) electronic signing system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to these terms and conditions, please confirm your agreement by clicking the 'I agree' button at the bottom of this document.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after signing session and, if you elect to create a DocuSign signer account, you may access them for a limited period of time (usually 30 days) after such documents are first sent to you. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. To indicate to us that you are changing your mind, you must withdraw your consent using the DocuSign 'Withdraw Consent' form on the signing page of a DocuSign envelope instead of signing it. This will indicate to us that you have withdrawn your consent to receive required notices and disclosures electronically from us and you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.
