Community Service Program funds will enable Emmaus House to address three Fulton County Strategic Priority “Health & Human Services” objectives: Prevent health disparities by educating residents and connecting them to available resources through reducing the number of residents who experience food insecurity; Support the vulnerable residents in our social services through increasing the number of residents who receive community-based services (including seniors and people with disabilities) and a decrease in the homeless population by helping multi-generational families stay in their homes; and Help residents realize their educational potential through our community services and library programs by enrolling eligible families in our educational programs, including Youth on the Move and Freedom Schools®. We recognize that access to economic opportunity is not always readily available to those who live in poverty because of barriers such as lack of employable skills, inadequate transportation, age, disability, unaffordable childcare, and unaddressed health issues. These barriers inhibit residents from becoming economically self-sufficient.

The Supports for Success (SFS) program helps lessen the burden of housing insecurity and leads to stabilization. The program guidelines listed in detail below indicates how SFS addresses Economic Stability/Poverty Funding Priorities 1, 2, and 5. By providing financial security through rental, mortgage, and utility assistance, SFS participants gain the confidence and ability to explore programs and resources focused on Training/Job Development/Employment leading to self-sufficiency. Starting with an Individualized Service Plan, SFS’s work helps participants improve access to economic opportunities, programs and resources including benefits enrollment assistance, financial literacy courses, and coaching, leading to self-sufficiency and sustainability, which changes families’ financial trajectories.

- Emergency financial assistance for rent, mortgage, or utilities

CONSUMER DISCLOSURE

From time to time, Carahsoft OBO Fulton County, Georgia (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign, Inc. (DocuSign) electronic signing system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to these terms and conditions, please confirm your agreement by clicking the 'I agree' button at the bottom of this document.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after signing session and, if you elect to create a DocuSign signer account, you may access them for a limited period of time (usually 30 days) after such documents are first sent to you. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. To indicate to us that you are changing your mind, you must withdraw your consent using the DocuSign 'Withdraw Consent' form on the signing page of a DocuSign envelope instead of signing it. This will indicate to us that you have withdrawn your consent to receive required notices and disclosures electronically from us and you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.
