2 Sec. 101-76 – Procedure for district nominations by the board of commissioners of individuals or
3 commissioners to boards, commissions, taskforces, committees, councils and
4 authorities.

5 The following procedure shall be used whenever it becomes necessary for the board of
6 commissioners to make a district nomination of an individual or a commissioner to a board, commission,
7 taskforce, committee, council and authority.

8
9 A. District nominations

- 10
11 (1) District nomination shall be defined as the situation(s) in which the establishing
12 legislation of a board, commission, taskforce, committee, council, or authority provides
13 each member of the board of commissioners with the responsibility to make a
14 nomination to the relevant body, and in such cases, each district commissioner shall
15 have the opportunity to nominate an individual subject to the full board of
16 commissioners voting on the nomination. These nominations may appear on the
17 consent agenda of a regular meeting.
18
19 (2) Where a total of 7 appointments are to be made with each commissioner responsible
20 to make a nomination, they shall be considered district appointments and each
21 commissioner shall be entitled to nominate the requisite number of district
22 appointments. If there is a vacancy and there is no district commissioner at that time,
23 then the procedure for making a full board appointment shall apply to the appointment.
24
25 (3) A district nominated appointee of a board, commission, taskforce, committee, council,
26 or authority that is created and controlled under the sole authority of the board of
27 commissioners shall serve at the pleasure of the district commissioner. Upon a district
28 commissioner terminating the appointment or the appointment ending for any reason,
29 the clerk to the commission shall send written notice to the appointee stating that
30 his/her appointment has ended, with the chair of the affected organization and the
31 district commissioner being copied on the notice.
32
33 (4) A full board appointee of a board, commission, taskforce, committee, council, or
34 authority that is created and controlled under the sole authority of the board of
35 commissioners shall serve at the pleasure of the board of commissioners. Upon a
36 majority vote by the board of commissioners terminating the appointment or such
37 appointment ending for any reason, the clerk to the commission shall send written
38 notice to the appointee stating that his/her appointment has ended, with the board of
39 commissioners and the chair of the affected organization being copied on the notice.
