Contract Renewal Evaluation Form

Date:	8/1/2024
Department:	Public Works
Contract Number:	22ITBC079A-KM
Contract Title:	Colilert Reagent 24 and Colilert 18 Reagent Supplies

Instructions:

It is extremely important that every contract be rigidly scrutinized to determine if the contract provides the County with value. Each renewal shall be reviewed and answers provided to determine whether services should be maintained, services/scope reduced, services brought in-house or if the contract should be terminated. Please submit a completed copy of this form with all renewal requests.

1. Describe what efforts were made to reduce the scope and cost of this contract.

Our team members attended the 2024 Georgia Association of Water Professionals' annual conference to investigate emerging technologies that could enable us to perform coliform analyses more quickly, cost-effectively, and accurately. The adoption of improved technology could potentially reduce the scope and cost of our current contract. However, no new technologies for coliform testing were identified

2. Describe the analysis you made to determine if the current prices for this good or service is reflective of the current market. Check all applicable statements and provide documentation:
