ITEM # 23-0096 RM 2/1/23
REGULAR MEETING

1 EXHIBIT A

2 **Sec. 46-140. Juvenile curfew.**

3 (a) *Title of section.* This section shall be known as the Fulton County Juvenile Curfew
4 Ordinance.

5 (b) *Findings and purpose.* It is the responsibility of the Fulton County Board of
6 Commissioners to protect the health, safety, and welfare of the citizens of Fulton
7 County. The Fulton County Board of Commissioners is concerned about the increase
8 in criminal activity engaged in by minors especially those crimes that occur after
9 hours and/or times in which juveniles should be at home. During public hearings held
10 in Fulton County, many parents voiced their concerns about the increase in youth
11 violence, the need to protect our children from being victims of crimes that occur after
12 hours, and the need to make parents more responsible for their children. These
13 parents have stated that a child curfew ordinance is one initiative in protecting our
14 children from being the victims and perpetrators of crime. In an effort to keep our
15 communities drug free and our streets safe by reducing the numbers of crimes that
16 are committed by and against minors after hours, the board of commissioners
17 believes that a child curfew ordinance is in the best interest of the citizens of Fulton
18 County. As one parent expressed at a public hearing, "a juvenile curfew ordinance is
19 an attempt by Fulton County to save at least one child's life." Accordingly, the Fulton
20 County Board of Commissioners finds and declares that the purpose of this section
21 is to reduce the number of crimes committed by and against juveniles after hours,
22 and to safeguard the welfare of our children in areas in unincorporated Fulton County.
