Affiliations: President (1980), President-Elect (1979), Vice-President (1978), Greater Atlanta Society of Anesthesiologists; Executive Committee (1982-91), Georgia Society of Anesthesiologists; Director (1991), Medical Association of Atlanta; Delegate (1991), Medical Association of Georgia; Director (1991), Northside Hospital, Inc., Atlanta.

Dr. Neeld and his wife, Gail, reside in Atlanta, Georgia.

Michael H. Mescon, Ph.D.

Dr. Mescon is dean emeritus of Georgia State University's College of Business Administration where he was the first holder of the Ramsey Chair of Private Enterprise. He has gone on to help establish over 200 chairs of private enterprise globally. He is currently active in Georgia State University's Andrew Young School of Policy Studies.

Dr. Michael H. Mescon founded The Mescon Group, a consulting organization that helps their clients create competitive advantage. In 2001, The Mescon Group merged with Habif, Arogeti & Wynne, Atlanta's largest independent accounting and financial solutions firm and formed HA&W Mescon Group creating even greater resources for clients.

In 1999, Dr. Mescon received the William J. VanLandingham Commitment to Education award from the Georgia Economic Council on Economic Education. In 1996, he received an honorary doctorate of humane letters from the College of Charleston, and in 1997 he received an honorary doctorate of private enterprise from The Citadel where he also holds a visiting Chaired Professorship.

Other awards he has received are Entrepreneur of the Year from Ernst & Young/Venture Magazine; the Georgia Veterans' Small Business Advocate of the Year Award; and the National Award of Excellence, awarded to him twice by the U.S. Small Business Administration.

Mike Mescon is the author or co-author of over 300 articles and books including *Business Today*, the most successful introductory business textbook in the United States. Millions of students worldwide have learned about business from studying *Business Today*, now in its tenth edition, published in English, Spanish and Russian. He is also co-author of *Management: Individual and Organization Effectiveness*, a best-selling management text in the U.S. that has also been translated into Russian.

Showing Up for Work and Other Keys to Business Success, earned Dr. Mescon the Georgia Author of the Year Award from the Council of Authors and Journalists. His book *Memos to Management* provides insights into creating a successful organization culture.

Dr. Mescon is a contributing editor to Delta Air Lines' SKY magazine and writes a monthly column for the *Atlanta Business Chronicle*. He has also co-authored an audio-tape series for Nightingale-Conant entitled *Management Excellence: Leadership for the Future*.

Mike Mescon is active in community affairs and public service including serving as Chairperson of the Metropolitan Atlanta Red Cross and as Heart Fund Chairperson for the Georgia Heart Association. He is on the board of the Adaptive Learning Center, an organization that helps mentally and physically challenged children and he also serves on the board of Northside Hospital.

Dr. Michael Mescon has a doctorate from New York University in Human Relations, a Masters in Education from the University of Miami and a business degree from the University of Miami.

Michael Mescon has been married to Enid for 48 years. He has three children and seven grandchildren.

ABSTRACTS

Wells, S.J., DeRose, P.B., Cohen, C. Image cytometric assessment of cellular proliferation in hepatocellular carcinoma and adjacent liver tissue. 83rd Annual Meeting of the United States and Canadian Academy of Pathology, San Francisco, CA, March 12-18, 1994. Mod Pathol 7:136A,1994.

Wells, S.J., DeRose, P.B., Cohen, C. Image cytometric comparison of PCNA and MIB-1 as markers of cellular proliferation in hepatocellular carcinoma and adjacent liver tissue. XX International Congress of the International Academy of Pathology, Hong Kong, October 9-14, 1994. Int J Surg Pathol 2(Suppl):376A,1994.

Cohen, C., Wells, S.J., Rubin, E.M., DeRose, P.B. Prognostic significance of DNA ploidy and proliferative activity in hepatocellular carcinoma: an image cytometric study. XX International Congress of the International Academy of Pathology, Hong Kong, October 9-14, 1994. Int J Surg Pathol 2(Suppl):332A,1994.

Wells, S.J., Winton, E.F., Phillips, C.N., Farhi, D.C. Reverse transcriptase-polymerase chain reaction (RT-PCR) for BCR-ABL fusion in chronic myelogenous leukemia. ASCP/CAP Spring Meeting, Orlando, FL, April 22-27, 1995. Am J Clin Pathol 103:1995.

Wells, S.J., Farhi, D.C., Stempora, L.L., Bray, R.A. CD117/CD34 expression in leukemic blasts. 84th Annual USCAP Meeting, Toronto, Canada, March 11-17, 1995. Mod Pathol 8:123A,1995.

Wells, S.J., Phillips, C.N., Farhi, D.C. BCR-ABL in acute leukemia by RT-PCR and cytogenetics. 84th Annual USCAP Meeting, Toronto, Canada, March 11-17, 1995. Mod Pathol 8:123A,1995.

TEACHING

"Update in Hematology". Emory University, November 4, 1994.
Lecturer and laboratory instructor, Sophomore medical student
Pathology course

Lectures: Cystic Fibrosis, Malignant Lymphoma,
Hodgkin's Disease, Splenic Pathology

Lecturer, Pathology course, School of Physical Therapy

Introduction to Pathology, Cellular Injury and Repair

Lecturer, Pathology course, Physician Assistant Program

Laboratory Screening Tests, Endocrine Disorders

PROFESSIONAL SOCIETY MEMBERSHIPS

American Society of Clinical Pathology

United States and Canadian Academy of Pathology

ADDITIONAL EXPERIENCE

Locum tenens with case signout responsibility and ongoing autopsy
and gross room coverage, St. Joseph's Hospital, Atlanta, GA.

Weekend gross coverage, Gwinnett Medical Center, Lawrenceville, GA.

Independent signout responsibility with frozen section experience
during training.

Performance of over 50 bone marrow aspirations and biopsies, and
over 50 fine needle aspirations of breast and lymph nodes.

STEVEN G. MOSS, M.D.

Home Address:

928 Kings Croft
Cherry Hill, NJ 08034
(609) 321-1472

Work Address:

Musculoskeletal Fellow
Department of Radiology
Thomas Jefferson University
Hospital
111 South 11th Street
Philadelphia, PA 19107
(215) 955-6226

CERTIFICATION American Board of Radiology, June, 1998.

EDUCATION **Albert Einstein College of Medicine, Bronx, NY.**
M.D. degree, June, 1993.
Alpha Omega Alpha, inducted in junior year.
Union College, Schenectady, NY.
Bachelor of Science degree, Mechanical Engineering, June, 1987.
Summa Cum Laude.

POST GRADUATE TRAINING Musculoskeletal Fellow, Thomas Jefferson University Hospital, Philadelphia, PA, 7/98-present.
Interpret 20-30 Musculoskeletal MRI exams per day including direct and indirect MR arthrography and high and low field strength exams.
Perform 2-3 bone/soft tissue biopsies per week.
Perform numerous arthrograms per week.
Interpret plain radiographs of the musculoskeletal system.
Participate in body MR evaluations of breast, liver, adrenal, renal, pancreas, female pelvis and MR angiography.
Lecture to emergency department and medical students monthly.
Radiology Resident, Thomas Jefferson University Hospital, Philadelphia, PA, 7/94-6/98.
Chief Resident, 4/96-4/97.
Medical Intern, Beth Israel Hospital, Harvard University, Boston, MA, 7/93-6/94.

**HONORS/
AWARDS**

Thomas Jefferson University Hospital:
Recipient of "Introduction to Research" award – awarded to 80 second year radiology residents nationwide, selected by RSNA/ARRS.

Albert Einstein College of Medicine:
Alpha Omega Alpha, inducted in junior year.
Nominated for the Maurice Greenhill Award.

Union College:
Tau Beta Pi – National engineering honor society, inducted junior year.
Merit Finalist in *TIME* Magazine College Achievement Awards Program – selected as one of the top college juniors nation wide.

STEVEN G. MOSS, M.D.

**HONORS/
AWARDS****Union College:**

Eastman Kodak Co. Scholarship – awarded to two college sophomores for outstanding academic and extracurricular achievement.
Delphic Honor Society – inducted for extracurricular achievement.
University Service Award.

**LEADERSHIP/
WORK
EXPERIENCE**

Procter and Gamble Manufacturing Co., Staten Island, NY.

Team Manager, Ivory Bar Soap Operation, 7/88-7/89.

Managed \$1 million production operation. Interviewed, hired and fired employees. Led daily team meetings. Managed daily operation of 6 production lines. Supervised 30 union employees. Scheduled weekly work assignments and vacation schedules. Proposed and implemented cost saving projects and work system design changes.

Project Manager, Duncan Hines Cake Mixes, 8/87-7/88.

Proposed, managed and implemented projects to improve production line efficiency and reduce production costs.

President, Union College Student Government.

**PROFESSIONAL
ORGANIZATIONS**

Radiological Society of North America, 1994 – present.

American Roentgen Ray Society, 1994 – present.

American Medical Association, 1989 – present.
