Georgia Justice Project , To decrease homelessness & improve health and wellness by providing legal services and social service support for veterans in Fulton County. will provide the following activities and services in Fulton County with VSP funding:

A grant of \$25,000 will provide 1% of a budget of \$2,181,844 and help us deliver a suite of legal interventions and supportive social services that help remove legal barriers to accessing revoked benefits, increase housing placement, and improve access to substance abuse and behavioral health programs already available in the community. Our services will work to reduce homelessness and improve health and wellness for veterans with a criminal history in Fulton County. Over six months, we will process referrals and conduct intake for 20-25 clients, provide legal consultation to 75% of those clients and extend legal representation for up to 7 individuals. Depending on the complexity of each client's criminal record and severity of need for social service support, services rendered could include any of the following.

- Provide criminal record clearing assistance from our main office located in Fulton County at 438 Edgewood Avenue SE. As needed, social workers will work with clients to connect them to complimentary social services including substance abuse treatment, housing, and employment.
- Provide planning assistance and criminal record assessment during community events and partnerships focused on veteran outreach. Events vary annually but previous and current partners include the Fulton County District Attorney's and Solicitor's office, The Atlanta VA Medical Center's monthly Clinic at Fort McPherson (MOU attached as part of this application), The Temple, and Ebenezer Baptist Church.
- Work in partnership with the Fulton County Solicitor to continue to receive referrals for attorney consultations on complicated cases that need the review of a lawyer before applying available legal interventions.
- Screen and assess criminal histories for clients serving a prison sentence at Metro Reentry Facility (MRF) and for those in jail at the Fulton County Jail and Atlanta City Detention Center. We estimate that 10% of MRF's population have served in the armed forces.
- Provide consultation and representation for clients facing driver's license suspension for missed court appearances and non-serious traffic tickets.
- Work in partnership with Grady Health System, Atlanta PAD (Policing Alternatives & Diversion) and others to resolve outstanding warrants, bench warrants, failures to appear (FTAs), and probation violations for veterans who are eligible for diversion and/or currently at the Fulton County Jail.
- Provide high quality, pro bono criminal defense, probation assistance, and wrap-around social services for veterans with a pending criminal case. Probation assistance will be supported by our partnership with Georgia's Department of Community Supervision. To increase our capacity to adequately provide services for clients with mental health/substance abuse issues, we rely on the support of community partners like DBHDD/ACT Teams and Grady Behavioral Health.

The following program measures/ Key Performance Indicators (“KPI’s”) will be utilized to track and report program outcomes for the Fulton County residents supported with VSP funding, during the funding period 07/01/2024 through 12/31/2024:

GJP's short-term outcome measures for all programs are part of our long-term overall strategy that help decrease the number of people under correctional control in Georgia and increase opportunities for meaningful employment and successful reentry into the community. To measure our effectiveness and progress, each year we maintain records of all clients served, the type of legal intervention each person receives, the success of criminal representation/record clearing services and the number of participants connected with social service support and/or receiving emergency funding. All information is collected during intake, updated throughout the duration of service, and stored in a Salesforce database. For the purposes of this grant, we will report back KPI's on:

- Number of potential instances of homelessness prevented by increasing access to employment for veterans.
- Number of Veterans placed in Transitional Housing or Permanent Supportive Housing.
- Number of Veterans whose self-sufficiency outcomes are improved by removing legal barriers that can prevent access to benefits or enrollment in support service programs already available in the community.

Of cases accepted for GJP legal representation:

- 90% of eligible criminal histories will be improved (outstanding warrants resolved, record sealed, probation terminated early, driver's license reinstated, letter explaining record to employers/housing/transitional centers, etc.).
- Of those cases resolved, 90% of clients will have increased opportunities for employment, housing, or education/training based on improved public criminal record or removal of barrier.

Agency Defined Performance Measure(s):

Due to the needs of each client, staff capacity, and limits on Georgia's laws, GJP provides varying levels of legal services and connections to supportive services including housing, mental health support and access to addiction programs. As such, GJP will also track a number of the health and wellness county defined performance measures, the referral/intake services we provide each client, and the number of individuals receiving information disseminated during community events.

- Number of veterans connected to available resources to help mitigate illness and health disparities.
- Number of veterans receiving referrals to behavioral health and other supportive services.
- Number of veterans benefiting from long-term care services.
- Number of veterans connected to disability benefits.
- Number of clients receiving information during virtual and in-person events.
- Number of clients going through our intake process and receiving legal consultation.

CONSUMER DISCLOSURE

From time to time, Carahsoft OBO Fulton County, Georgia (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign, Inc. (DocuSign) electronic signing system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to these terms and conditions, please confirm your agreement by clicking the 'I agree' button at the bottom of this document.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after signing session and, if you elect to create a DocuSign signer account, you may access them for a limited period of time (usually 30 days) after such documents are first sent to you. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. To indicate to us that you are changing your mind, you must withdraw your consent using the DocuSign 'Withdraw Consent' form on the signing page of a DocuSign envelope instead of signing it. This will indicate to us that you have withdrawn your consent to receive required notices and disclosures electronically from us and you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.
