

A SOUTHERN COMPANY

Underground Distribution Construction Agreement

PROJECT / OWNER: 2024010184-001 Fulton County

LOCATION: 2805 Metropolitan Parkway Atlanta, Georgia 30315

OWNER / DEVELOPER: Fulton County

AREA OF CONSTRUCTION: Per attached Exhibit A

Customer / Developer does hereby attest that the above referenced area of construction in which underground electric distribution facilities are to be installed is clear of all obstructions; that all property lines, where required, are clearly marked and that the area is finished to a grade which shall not change more than three (3+/-) inches of the final grade.

Georgia Power Company, its employees, and contractors working on this project are hereby released from all claims due to damage of underground facilities that have not been located in the field and that are not covered by the "Utilities Protection Act of Georgia".

Customer / Developer does hereby agree to bear any and all costs to alter the installed underground electric distribution facilities as a result of grade changes or Developer design changes.

Customer / Developer shall be responsible for providing Georgia Power Company a clear unpaved route where underground electric distribution facilities can be installed. If this area is paved and conduit has not been installed, before Georgia Power Company facilities are installed the Developer shall be responsible for opening and re-paving the area required by Georgia Power Company.

Customer / Developer shall be responsible to communicate with contractors and subcontractors warning them of underground electric distribution facilities in the area and for notifying the Georgia Power Company by calling the Utilities Protection Center at GA 811 at least three (3) working days in advance to locate underground electric distribution facilities before digging or grading in the vicinity of installed underground electrical facilities. If Georgia Power Company is not notified, and the underground electric distribution facilities are damaged, then the Developer shall bear the cost of repairs.

Should underground electric distribution facilities become damaged in any way, Customer / Developer will notify the Georgia Power Company at phone #1-888-660-5890 and the Utilities Protection Center at GA 811.

Developer will establish and maintain the appropriate clearances for the transformer(s) on this site per Georgia Power Company Distribution Specification GUK-00.5003, dated 2/7/07. Electric service will not be provided until this specification is satisfied.

Georgia Power Company is not responsible for any damages to locks, gates, fences, walls, vehicles, equipment, trees, landscaping, sidewalks, or any other items that inhibit Georgia Power's access to the poles, cables, transformers, metering, or other equipment serving this site. This includes routine or emergency access of all equipment and personnel.
