6 **WHEREAS** the Fulton County Board of Commissioners recognizes its responsibility to
7 protect and preserve the health, safety, and welfare of all county residents and visitors; and

9 prompt access to an AED, in conjunction with Cardiopulmonary Resuscitation (CPR), is crucial

12 of survival decreases by approximately 10%; and

15 emergency medical care; and

16 **WHEREAS** the Fulton County Police Department needs AEDs to be deployed in its patrol
17 vehicles and at its offices; and

18 **WHEREAS** the purchase of said AEDs will align with best practices for law enforcement
19 agencies and is consistent with the county's commitment to providing a high level of public safety
20 services; and

21 **WHEREAS** funding for the purchase in the approximate amount of \$225,000 is available
22 from opioid settlement funds.

23 **NOW, THEREFORE, BE IT RESOLVED** that the Board of County Commissioners
24 hereby authorizes and approves the purchase of AEDs for a total cost not to exceed \$225,000 for

BE IT FURTHER RESOLVED that the Police Department shall establish and maintain a policy for the proper storage, maintenance, inspection, and use of all AEDs, in accordance with manufacturer guidelines and state regulations.

BE IT FINALLY RESOLVED that this Resolution shall take effect immediately upon adoption.
