WHEREAS, the Issuer is required to provide certain financial and other information about the County in connection with the initial sale of the Series 2021 Bonds and on an ongoing basis until such Series 2021 Bonds are no longer outstanding, and it is necessary for the County to compile and furnish such information to the Issuer and/or to the selected purchaser and the holders, from time to time, of the Series 2021 Bonds; and

WHEREAS, in connection with the foregoing and in order to assist the purchaser with meeting its requirements under Rule 15c2-12 of the United States Securities and Exchange Commission under the Securities Exchange Act of 1934, as the same may be amended from time to time (“Rule 15c2-12”), the Fulton County Board of Commissioners desires to authorize and approve the execution and delivery of a continuing disclosure certificate or agreement (the “Continuing Disclosure Agreement”), in form and substance similar to the form attached to the Preliminary Official Statement presented at this meeting; and

NOW, THEREFORE, be it resolved by the Fulton County Board of Commissioners, in a public meeting properly and lawfully called and assembled, and it is hereby resolved by authority of the same, that the actions described in this resolution to be taken by or on behalf of the County shall be taken, that such actions are in the best interests of the citizens of the County and are necessary and appropriate to effect the revitalization of the Fulton County Urban Redevelopment Area, and it is further resolved as follows:

Section 1. **Incorporation of Recitals.** The recitals set forth above are adopted by the County as the findings of the County and are incorporated herein. The County further ratifies, confirms and approves the findings set forth herein.

Section 2. **Execution of Agreement.** The Agreement, in substantially the form attached hereto as **Exhibit “B”**, is hereby approved by the County, and by this reference, the Agreement is made a part hereof, and the execution, delivery and performance of the Agreement is hereby authorized, and the Chairperson or Vice Chairperson of the Fulton County Board of Commissioners or the County Manager are each authorized to execute the Agreement on behalf of the County and the Clerk of the Commission shall attest and impress the seal thereon; provided that the payments made by the County under the Agreement in amounts corresponding to the principal and interest on the Series 2021 Bonds is consistent with the Series 2021 Bond

Section 3. **Ratification and Approval of the Notice of Sale, Preliminary Official Statement, Final Official Statement and Continuing Disclosure Agreement.** The preparation, use and delivery, as the case may be, of the Official Notice of Sale and the Preliminary Official Statement in connection with the competitive sale of the Series 2021 Bonds, which Notice of Sale and Preliminary Official Statement have been presented at this meeting are hereby ratified, confirmed and approved. The preparation, use and delivery of a Final Official Statement reflecting the final terms of the Series 2021 Bonds and otherwise in form and substance deemed appropriate by the officers and employees authorizing or executing same, after consultation with the other officers, employees, agents, consultants and attorneys for the Issuer and the County substantively engaged in the preparation of such document, including, without limitation, the financial advisor and disclosure counsel to the Issuer and the County, as the case may be is hereby approved. The execution, use, delivery and performance, as the case may be, of such Final Official Statement and Continuing Disclosure Agreement by the Chair or the Vice Chair or the Chief Financial Officer of the County, as the case may be, as herein authorized shall be conclusive evidence of any such approval.

Section 4. **Actions of the County Manager, Chief Operating Officer, Chief Financial Officer, Interim County Attorney and Other Officials.** The County Manager, Chief Operating Officer, Chief Financial Officer, Interim County Attorney, Clerk of the Commission, and other appropriate officials of the County are authorized to certify any documents and execute any receipts or other closing documents, instruments, agreements or papers necessary to effect the purposes of this resolution and the Agreement, and the execution by such officer of any such other closing document, certificate, instrument, agreement or other papers (inclusive of a federal tax certificate and form 8038-G) necessary or appropriate for the consummation of the transactions contemplated in this resolution and in the Agreement.

Section 5. **Annual Tax Levy.** The obligation of the County to make the payments provided for pursuant to the terms of the Agreement shall constitute a general obligation of the County and a pledge of the full faith and credit of the County to provide the funds required to fulfill such obligation. The County is hereby authorized to and shall levy on all property, including real property, within the County, subject to taxation for such purpose, an ad valorem tax sufficient as to rate or amount or otherwise in order to meet its payment obligations in connection with the Agreement (subject only to the limitation currently imposed on the County's ad valorem tax rate); provided that the County's duty to levy such tax shall abate to the extent that its revenues from other sources are used to make such payments provided for under the

Agreement. Nothing herein contained, however, shall be construed as limiting the right of the County to pay the obligations hereunder out of general funds or from other sources lawfully available for such purpose.

Section 6. **Resolution Constitutes Contract.** The provisions, terms and conditions of this resolution shall constitute a contract by and between the County and the Issuer, and, upon the execution and delivery of the Agreement, this resolution shall not be repealed or amended in any respect which will adversely affect the rights and interest of the Issuer or the owners of the Series 2021 Bonds, nor shall the County adopt any resolution in any way ever adversely affecting the rights of such owners; provided, however, that the County may adopt such ordinance or resolutions supplemental hereto, as shall not be inconsistent with the terms and provisions hereof, to (i) correct any ambiguity or formal defect or omission or inconsistent provisions in this resolution, or (ii) to grant to or confer upon the owners of the Series 2021 Bonds any additional rights, remedies, power or authority that may be lawfully granted to or conferred upon such owners.

Section 7. **Partial Invalidity.** In case any one or more of the provisions of this resolution shall for any reason be held to be illegal or invalid by a court of competent jurisdiction, such illegality or invalidity shall not affect any other provisions hereof unless expressly so held, but this resolution shall be construed and enforced as if such illegal or invalid provisions had not been contained herein, and this resolution shall be construed to adopt, but not to enlarge upon, all applicable provisions of Georgia law, and, if any provisions hereof conflict with any applicable provision of such law, the latter as adopted by the legislature and as interpreted by the courts of this state shall prevail and shall be substituted for any provision hereof in conflict or not in harmony therewith.

Section 8. **Repealer.** Any and all resolutions or parts of resolutions in conflict with this resolution shall be and the same hereby are repealed (but solely as and to the extent of any such conflict), and this resolution shall be in full force and effect from and after its adoption.

Section 9. **Effective Date.** This resolution shall be in full force and effect immediately upon its adoption.

ARTICLE I. REPRESENTATION

Section 1.1 - Representations by the Agency.

The Agency makes the following representations as the basis for the undertakings on its part herein contained:

Under the provisions of the Act, the Agency is authorized to (i) adopt the Bond Resolution, (ii) issue, execute, deliver and perform its obligations under the Series 2021 Bonds, and (iii) execute, deliver and perform its obligations under this Contract. The Bond Resolution has been duly adopted and has not been modified or repealed, other than as contemplated in the Supplemental Bond Resolution adopted by the Agency on [____], 2021 relating to the Series 2021 Bonds (the "Pricing Resolution"). The Agency has duly authorized (i) the issuance, execution, delivery and performance of the Series 2021 Bonds and (ii) the execution, delivery and performance of this Contract, subject only to the requirement of the adoption of the Pricing Resolution. The Bond Resolution (inclusive of the Pricing Resolution), the Series 2021 Bonds, and this Contract are, or will be at the time of closing on the sale of the Series 2021 Bonds, valid, binding and enforceable obligations of the Agency.

(b) All approvals or other action required by any governmental authority or agency or other person required in connection with the (i) issuance of the Series 2021 Bonds or (ii) execution, delivery and performance of this Contract by the Agency has been received and no additional approval or other action by any governmental authority or agency or other person is required.

(c) The adoption of the Bond Resolution (inclusive of the Pricing Resolution), the issuance of the 2021 Bonds and the authorization, execution, delivery and performance by the Agency of this Contract do not violate the Act, any bylaws of the Agency, or the laws or Constitution of the State and do not constitute a breach of or default under any existing court order, administrative regulation, or other legal decree, or any agreement, indenture, mortgage, lease, note or other instrument to which it is a party or by which it is bound.

(d) There is no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, public board or body, pending or, to the knowledge of the Agency, threatened against or affecting the Agency (or, to the knowledge of the Agency, any meritorious basis therefor) (i) attempting to limit, enjoin or otherwise restrict or prevent the Agency from issuing the Series 2021 Bonds or pledging the Pledged Revenues to the payment of the Series 2021 Bonds, (ii) contesting or questioning the existence of the Agency or the titles of the present officers of the Agency to their offices, or (iii) wherein an unfavorable decision, ruling or finding would (A) adversely affect the enforceability of the Series 2021 Bonds, the Bond Resolution, or this Contract, or (B) materially adversely affect (1) the financial condition or results of operations of the Agency or (2) the transactions contemplated by this Contract.

(e) The Agency is not in violation of the Act, its bylaws, any ordinances of the County or the laws or Constitution of the State and is not in default under any existing court

order, administrative regulation, or other legal decree, or any agreement, indenture, mortgage, lease, note or other instrument to which it is a party or by which it is bound, as and to the extent such violation or default would reasonably be expected to have a material adverse effect on the operation of the Agent, its ability to perform under this Contract, or its right to receive the Contract Payments from the County.

(f) The Project constitutes, and at all times will constitute, a “project” within the meaning of the Act, and the Agency, in issuing the Series 2021 Bonds to finance the Project, will be acting in accordance with the public purpose expressed in the Act.

(g) There is no event of default and there has been no material default (that is, a default indicating financial difficulties) relating to the Series 2021 Bonds.

Section 1.2 - Representations by the County.

The County makes the following representations as the basis for the undertakings on its part herein contained:

(b) No approval or other action by any governmental authority or agency or other person is required in connection with the execution, delivery and performance of this Contract by the County, except as shall have been obtained as of the date hereof.

(c) The authorization, execution, delivery and performance by the County of this Contract do not violate the laws or Constitution of the State or any ordinance or resolution of the County, and do not constitute a breach of or a default under any existing court order, administrative regulation, or other legal decree, or any agreement, indenture, mortgage, lease, note or other instrument to which it is a party or by which it is bound.

(d) There is no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, public board or body, pending or, to the knowledge of the County, threatened against or affecting the County (or, to the knowledge of the County, any meritorious basis therefor) (i) contesting or questioning the existence of the County or the titles of the present officers of the County to their offices, or (ii) wherein an unfavorable decision, ruling or finding would (A) adversely affect the enforceability of this Contract, or (B) materially adversely affect (1) the financial condition or results of operations of the County or (2) the transactions contemplated by this Contract.

(e) The County is not in violation of the laws or the Constitution of the State and is not in default under any existing court order, administrative regulation, or other legal decree, or any agreement, indenture, mortgage, lease, note or other instrument to which it is a party or by which it is bound, as and to the extent such violation or default would reasonably be expected to

have a material adverse effect on the operation of the County or its ability to make the Contract Payments.

(f) The County hereby approves the issuance of the Series 2021 Bonds and the terms of the Bond Resolution (as amended by the Pricing Resolution, a copy of which has been provided to the County for its review and inspection).

[End of Article II]

ARTICLE III.
EFFECTIVE DATE OF THIS CONTRACT; DURATION OF TERM; CONTRACT
PAYMENT PROVISIONS

Section 3.1 - Effective Date of this Contract; Duration of Term.

This Contract shall become effective as of the date of issuance of the Series 2021 Bonds, and the interest created by this Contract shall then begin, and, subject to the other provisions of this Contract, shall expire on the date that all of the Series 2021 Bonds have been paid in full as to principal, interest and premium, if any, but in no event in excess of 50 years from the effective date hereof (the “Term”).

Section 3.2 - Contract Payments.

(a) The County shall make Contract Payments to the Agency for deposit into Bond Fund, no later than three (3) business days prior to each Interest Payment Date and mandatory redemption date as set forth in Section 3.01 of the Bond Resolution, and the Pricing Resolution (as contemplated herein and in the Bond Resolution), in order to enable the Agency to pay the principal of and interest on the Series 2021 Bonds on the dates and times and in the manner set forth in the Bond Resolution; provided, however, that the County shall receive a credit against any required Contract Payments to the extent moneys are on deposit in the Bond Fund and available to pay debt service on the Series 2021 Bonds coming due on the next succeeding Interest Payment Date. Such Contract Payments shall remain in effect and continue until the Agency has made provision for the payment in full of the Series 2021 Bonds as to principal, interest and premium, if any. In connection with its obligation to the County, the Agency shall provide the County with a schedule of Contract Payments, as revised from time to time, subject to compliance with the Delegation Parameters. Absent manifest error, such schedule of Contract Payments shall be deemed conclusive and binding on the County and the Agency. In this connection, the County hereby acknowledges and agrees, and the holders of the Series 2021 Bonds issued on the date hereof will be deemed to have acknowledged and agreed by the purchase of such Series 2021 Bonds, that the Contract Payments are due as to principal and interest at the times, and in the amounts set forth in **Schedule 1** attached hereto and by this reference made a part hereof, subject to additional interest payment amounts due to an Event of Default (after giving effect to applicable notice and cure periods).

(b) In addition, the County will pay the reasonable fees and expenses (if any) of all custodians and depositories and of their successors and assigns, such reasonable fees and expenses to be paid directly to the party to whom the payment is due when such reasonable fees and expenses become due and payable.

(c) The County will also pay any costs payable for transfers and exchanges of the Series 2021 Bonds.

(d) In the event the County fails to make any of the payments in this Section 3.2, the item or installment so in default shall continue as an obligation of the County until the amount in

default shall have been fully paid and the County agrees to pay the same with interest thereon at the rate borne by the Series 2021 Bonds, to the extent permitted by law, from the date thereof.

Section 3.3 - Obligation to Make Contract Payments.

The obligations of the County to make the Contract Payments when due under Section 3.2 hereof, and to perform its other obligations hereunder, are absolute and unconditional general obligations of the County as herein provided, and the County hereby pledges its full faith and credit and taxing power to such payment and performance; provided, however, nothing herein contained shall be construed as limiting the right of the County to pay the obligations hereunder assumed out of its general funds or from other sources lawfully available to it for such purpose.

In the event the amount of funds lawfully available to the County is not sufficient to pay the Contract Payments when due in any year, the County shall levy an ad valorem tax on all taxable property located within the limits of the County, subject to taxation for such purposes, at such rate or rates as may be necessary to produce in each calendar year revenues which shall be sufficient to fulfill the County's obligations hereunder, from which revenues there shall be appropriated sums sufficient to pay in full when due the obligations herein contracted to be paid by the County including specifically the obligation to make the Contract Payments as provided herein.

The County hereby creates a lien on any and all revenues realized by it pursuant to the provisions of this Section 3.3 to enable it to make the Contract Payments required pursuant to Section 3.2 hereof and such lien is superior to any that can hereafter be made; provided, however, the County may create a lien on a parity with the lien created herein in connection with the issuance of Additional Bonds (as defined in the Bond Resolution), it being the understanding of the parties that the Series 2021 Bonds are expected to be issued in one or more series or sub-series, each ranking on a parity as to the lien created herein and in the Bond Resolution with the other.

The County further covenants and agrees that in order to make funds available for such purpose, it will, in its general revenue appropriation and budgetary measures whereby its tax funds or revenues and the allocation thereof are controlled or provided for, include sums sufficient to satisfy any such Contract Payments that may be required to be made, until all payments so required to be made shall have been made in full.

In the event for any reason any such provision or appropriation is not made as provided herein, the fiscal officers of the County are hereby authorized and directed to set up as an appropriation on their accounts in the appropriate fiscal year the amounts required to pay the obligations which may be due from the general funds of the County. The amount of such appropriation shall be due and payable and shall be expended for the purpose of paying any such obligations, and such appropriation shall have the same legal status as if the County had included the amount of the appropriation in its general revenue appropriation and budgetary measures, and the fiscal officers of the County shall make such Contract Payments to the Agency if for any reason the payment of such obligations shall not otherwise have been made.

Section 3.4 - Optional Prepayment: Redemption of Bonds.

The payments due under Section 3.2 shall be subject to prepayment, in whole or in part, all in accordance with, and subject to, the provisions of the Bond Resolution (as supplemented and amended by the Pricing Resolution), and the County shall pay all costs which may be incurred in connection with the redemption of the Series 2021 Bonds or any portion thereof, together with any applicable premium.

No prepayment of any amount in accordance with the provisions of the preceding paragraph shall relieve the County to any extent from its obligations thereafter to make the full Contract Payments required by the provisions hereof until all of the Series 2021 Bonds issued under the Bond Resolution and the interest thereon and any other charges required hereunder have been paid in full. Upon the prepayment of any such amount in whole, the amount of such prepayment shall be used to retire all outstanding Series 2021 Bonds in the manner provided in, and subject to, the Bond Resolution (as supplemented and amended by the Pricing Resolution).

Section 3.5 - Obligations of County Hereunder Absolute and Unconditional.

The obligations of the County to make the payments required in Section 3.2 hereof and to perform and observe any and all of the other covenants and agreements on its part contained herein shall be absolute and unconditional irrespective of any defense or any rights of set off, recoupment, or counterclaim it may otherwise have against the Agency or any Bondholder.

Until such time as all amounts owing hereunder have been paid in full or provision for the payment thereof shall have been made in accordance with the Bond Resolution and this Contract, the County (a) will not suspend, abate, reduce, abrogate, diminish, postpone, modify or discontinue the Contract Payments provided for herein, (b) will perform and observe all of its other agreements contained in this Contract, and (c) will not terminate the Term of this Contract or its obligations hereunder for any contingency, act of God, event, or cause whatsoever, including, without limiting the generality of the foregoing, failure of the Agency's title in and to the Project or any part thereof, any acts or circumstances that may constitute failure of consideration, eviction or constructive eviction, destruction of or damage to the Project, the taking by eminent domain of title to or the use of all or any part of the Project, commercial frustration of purpose, any change in the tax or other laws of the United States of America or of the State or any political subdivision of either, any declaration or finding that any of the Series 2021 Bonds are unenforceable or invalid, the invalidity of any provision of this Contract, or any failure of the Agency to perform and observe any agreement, whether express or implied, or any duty, liability or obligation arising out of or connected with this Contract or the Bond Resolution.

Nothing contained in this Section 3.5 shall be construed to release the Agency from the performance of any of the agreements on its part contained herein or in the Bond Resolution; and if the Agency should fail to perform any such agreement, the County may institute such action against the Agency as the County may deem necessary to compel performance or recover its damages for nonperformance as long as such action shall not do violence to or adversely affect the agreements on the part of the County contained in this Contract and to make the Contract Payments specified herein.

Section 3.6 - Enforcement of Obligations.

The obligation of the County to make Contract Payments under this Article may be enforced by:

(a) the Agency or (b) the owners of any Series 2021 Bonds, in accordance with the applicable provisions of the Bond Resolution and independently of the Agency. The covenants and agreements hereunder, including specifically the obligation to make the Contract Payments, shall be enforceable by specific performance; it being acknowledged and agreed by the Agency and the County that no other remedy at law is adequate to protect the interests of the parties hereto.

(b) Notwithstanding the foregoing and to avoid confusion, neither the Agency nor the owners of the Series 2021 Bonds shall be entitled to accelerate the payment of all or any portion of the Contract Payments.

ARTICLE IV. SPECIAL COVENANTS AND AGREEMENTS

Section 4.1 - No Warranty of Condition or Suitability.

Neither the County nor the Agency makes any warranty either express or implied as to the condition of the Project or that it will be suitable for the County's or the Agency's purposes or needs, it being the understanding of such parties that they intend to rely on policies of insurance (including self-insurance), third-party warranties, performance and surety bonds, and other similar policies or protections relating to the implementation of the Project.

Section 4.2 - Operating Covenants of the Agency.

Operation and Maintenance of Project. The Agency shall perform or cause the work required for the Project to be performed economically, efficiently and consistent with good business practices and in compliance with the terms of the laws, regulations and ordinances of any federal, state or county government having jurisdiction over the operation of such activities.

Operating Expenses. The Agency shall pay or cause to be paid the reasonable and necessary costs of the Project, including salaries, wages, employee benefits, the payment of any contractual obligations incurred pertaining to the operation of the Project, cost of materials and supplies, rentals of leased property, real or personal, insurance premiums, audit fees, any incidental expenses and such other charges as may properly be made for the purpose of performing work necessary for the Project in accordance with sound business practice. The Agency may pay the operating expenses from the payments made to it by the County pursuant to Section 3.2 hereof; provided, however that the Contract Payments shall first be applied to pay debt service and meet any other payment requirements in respect of the Series 2021 Bonds.

Insurance. The Agency shall maintain or cause to be maintained insurance as provided for in the Bond Resolution.

Section 4.3 - Further Assurances and Corrective Instruments, Recordings and Filings.

The Agency and the County agree that they will, from time to time, execute, acknowledge and deliver, or cause to be executed, acknowledged and delivered, such supplements hereto and such further instruments as may reasonably be required to facilitate the performance of this Contract.

Section 4.4 - Inspection of the Project.

The Agency agrees that the County, the Bondholders and their duly authorized agents who are acceptable to the Agency shall have the right at reasonable times during business hours, subject to the Agency's usual safety and security requirements and those of any of its agents, to examine and inspect the Project without interference or prejudice to the Agency's operations.

Section 4.5 - Financial Covenants.

The parties acknowledge that this Contract has been assigned by the Agency to the Bondholders, and their successors and assigns, for the payment of principal, interest, and premium, if any, on the Series 2021 Bonds. The County hereby consents to such assignment of this Contract.

The Bondholders shall have all rights and remedies herein accorded to the Agency, and any reference herein to the Agency shall be deemed, with the necessary changes in detail, to include the Bondholders, and the Bondholders are deemed to be and are third party beneficiaries of the representations, covenants, and agreements of the County herein contained. The County further agrees that the Bondholders have not undertaken any of the duties, obligations or liabilities of the Agency under this Contract.

The obligation of the County to pay amounts due under this Contract is for the benefit of the Bondholders, and so long as this Contract is assigned to the Bondholders, such obligation shall be absolute and unconditional and shall not be subject to any defense or any right or setoff, counterclaim or recoupment arising out of any breach by the Agency of any obligation to the County, and this Contract and the obligation to pay amounts hereunder may not be suspended or terminated by the County for any cause whatsoever. Until such time as the principal, interest and premium, if any, on the Series 2021 Bonds shall have been fully paid or provision for the payment thereof shall have been made, the County shall not suspend or discontinue any payments provided for herein for any cause.

As set forth in Section 3.3 hereof, the obligations of the County to make the payments to the Agency under this Contract shall constitute a general obligation of the County for the payment of which the full faith and credit of the County shall be and the same hereby is pledged to provide the funds required to fulfill all obligations arising under this Contract, subject to the limitations expressed herein. Unless such payments or provisions for such payments shall have been made from other funds of the County, the County will annually in each and every fiscal year during the term of this Contract include in its general revenue or appropriation measure, whether or not any other items are included, sums sufficient to satisfy the payments required to be made in such year by this Contract. In the event for any reason such provision or appropriation is not made for a fiscal year of the County, then the Chief Financial Officer of the County shall set up as an appropriation on the accounts of the County in each fiscal year the amounts required to pay the obligations called for under this Contract. The amount of the appropriation in such fiscal year to meet the obligations of this Contract shall be due and payable and shall be expended for the purpose of paying and meeting the obligations provided under the terms and conditions of this Contract, and such appropriation shall have the same legal status as if the County had included the amount of the appropriation in its general appropriation measure. Subject to the provisions of Section 3.3 hereof, if payments are required of the County hereunder, the County shall provide for the assessment and collection of annual revenues in amount to provide funds annually, to the extent necessary due to deficiencies in its general revenues made hereunder, to make all payments due under the provisions of this Contract in each year over the remainder of the term of this Contract, and the Agency or its assignee or any Bondholder shall have the right to bring any suit, action or proceeding in law or in equity,

including mandamus and action for specific performance, to enforce this Contract. No remedy need be exhausted prior to enforcing this Contract.

In case any one or more of the provisions of this Contract shall for any reason be held to be illegal or invalid by a court of competent jurisdiction, it is the intention of each of the parties hereto that such illegality or invalidity shall not affect any other provision hereof, but this Contract shall be construed and enforced as if such illegal or invalid provision had not been contained herein, and this Contract be construed to adopt, but not to enlarge upon, all the applicable provisions of the Constitution and general laws of the State, and, if any provisions hereof conflict with any applicable provision of said Constitution or laws, the latter as adopted by the General Assembly and as interpreted by the courts of this State shall prevail in lieu of any provision hereof in conflict or not in harmony therewith.
