Where the State agency seeks to change the status of an administrative temporary staffing resource, acquired under this Statewide contract, from temporary to permanent status, the following method shall be used to determine any applicable conversion fees due to the Statewide Contract supplier:

CONVERSION FEE: If prior to completing 520 hours of a work assignment, the contractor will convert to a full-time role, using a fee equal to 160 hours of the rate of pay.

Step 1: The temporary resource meets the administrative temporary staffing conversion requirements

Step 2: Please contact the Statewide Contract Supplier Contract Manager to complete the resource conversion fee process

Affordable Care ACT Fee:

Contractor acknowledges the State's intent to take advantage of the Safe Harbor provision relevant to third-party employment arrangements between Applicable Large Employers and temporary staffing firms in compliance with the Code, rules, regulations and other official guidance, under which an offer of coverage by the temporary staffing firm is deemed an offer of healthcare coverage by User Agencies. Contractor further acknowledges that the fees a User Agency pays to Contractor include an additional fee attributable to those individuals with MEC. This additional fee shall be \$ 2.00 per Contractor's Employee per month of MEC, as indicated in Contractor's cost proposal as "ACA Safe Harbor Provision Fee", and shall be designated "ACA Compliance Charge" (or similar) on Contractor's invoice. The ACA Compliance Charge may appear as an aggregate total in the last weekly invoice of the month. Each of Contractor's last weekly invoices to a User Agency shall identify the number of Contractor's Employees who provided services to the User Agency during any portion of the month, and separately identify the number of Contractor's Employees with MEC, if different.
