Summary & Background

(First sentence includes Agency recommendation. Provide an executive summary of the action that gives an overview of the relevant details for the item.)

At the September meeting, the Fulton County Board of Registration and Elections (FCBRE) voted 3-1, with one abstention, to request a new compensation structure. The stipend for FCBRE members has been \$50 per meeting for at least 25 years. During elections, Board members are asked to attend three meetings per month, and between meetings frequently respond to requests or complaints from voters and review information pertaining to the Board. In 2015, the FCBRE met 30 times.

The FCBRE surveyed the election board compensation for ten metro counties, of which only Douglas County pays the lowest amount of \$50 per meeting, and Cherokee County pays the highest amount of \$350 for the chairperson and \$300 per Board member, per month.

The requested increase to \$300 per month for the chairperson of the FCBRE and \$250 per month for other board members would make FCBRE compensation comparable to the majority of metro county election boards, effective January 1, 2019.
