

Contract Renewal Evaluation Form

Date:	September 26, 2022
Department:	INFORMATION TECHNOLOGY
Contract Number:	20ITB042220B-FB
Contract Title:	Countywide Structured Cabling and Physical Security

Instructions:

It is extremely important that every contract be rigidly scrutinized to determine if the contract provides the County with value. Each renewal shall be reviewed and answers provided to determine whether services should be maintained, services/scope reduced, services brought in-house or if the contract should be terminated. Please submit a completed copy of this form with all renewal requests.

1. Describe what efforts were made to reduce the scope and cost of this contract.

FCIT reviewed project scheduled, their scope, resources and deliverables required for projects and is requesting a similar authority amount for 2022 – authority amount is based upon proposed projects for 2023. GC&E services will be needed to provide large quantities of Networking and Physical Security upgrades to county facilities as well as professional services as required.

2. Describe the analysis you made to determine if the current prices for this good or service is reflective of the current market. Check all applicable statements and provide documentation:
