Summary & Background Request approval of the recommended proposal to provide Design/Build Services for the Fulton County Behavioral Health Crisis Center.

Scope of Work: To provide Design-Build services for the construction of the Fulton County Behavioral Health Crisis Unit at the Oak Hill Child, Adolescent, & Family Center located at 2805 Metropolitan Parkway, SW, Atlanta, GA 30315.

The project goal is to construct an additional wing at and partially renovate Fulton County's Oak Hill Child, Adolescent, & Family Center. The improvements will house the County's new Adult Behavioral Health Crisis Unit. The construction will also include the partial renovation of the current administrative office area due to the new unit being connected to the current facility. The existing Oak Hill complex underwent a major renovation and additions in 2012 that interconnected the four original buildings on site. This project will require all engineering, construction, quality control, and other services as necessary to complete the design and construction of approximately 23,309 SF for the new facility and connected areas.

The Design Build Services shall consist of, but not limited to:

- Project Management (coordination with Fulton County Staff and Departments)
- Building analysis and Mobilization Plan
- Management and execution of a Safety Plan
- Prepare project schedule and monthly updates to reflect variance
- Provide recovery schedule and recommendations
- Management and execution of Design - Construction Documents Phase
- Management and execution of all required permits
- Management and execution of the Construction Procurement Phase
- Management and execution of all Construction Phase activities
- Management and execution of the Post Construction Phase
- The Design-Builder is required control of time and cost of project

The County requires a project schedule that achieves substantial completion with a temporary certificate of occupancy (TCO) within 217 calendar days of notice to proceed.

Community Impact: The successful completion of this project will provide citizens with access to Fulton County's first ever Behavioral Health Crisis facility. This facility will provide previously unavailable access to care and treatment options for individuals experiencing a behavioral health crisis.

Department Recommendation: The Department of Real Estate and Asset Management recommends approval.

The recommended design-builder will work in collaboration with the DREAM's Building Construction team and the County's Department of Behavioral Health representatives.

Project Implications: This contract's intent is to provide a fully functional Behavioral Crisis Center to meet the Behavioral Health Crisis needs of the constituents and employees of Fulton County's Behavioral Health Crisis Unit at Oak Hill Child Adolescent & Family Center.

Community Issues/Concerns: None of which the Department is aware.

Department Issues/Concerns: If this proposal is not approved, the County does not have the capacity, or the expertise, to perform the Design/Build services for the expansion and renovation to the Fulton County Behavioral Health Crisis Center.

Contract Modification No, this is a new procurement.
