

Contract Renewal Evaluation Form

Date:	9/22/2022
Department:	Public Works
Contract Number:	21ITBC000023A-CJC
Contract Title:	Water Meter Vaults

Instructions:

It is extremely important that every contract be rigidly scrutinized to determine if the contract provides the County with value. Each renewal shall be reviewed and answers provided to determine whether services should be maintained, services/scope reduced, services brought in-house or if the contract should be terminated. Please submit a completed copy of this form with all renewal requests.

1. Describe what efforts were made to reduce the scope and cost of this contract.

The scope and cost reduction efforts of this contract are limited since this contract is to renew existing contract for water meter vaults. The water meter vaults are necessary for replacement of failed and aged units and are used to effectively maintain the existing Water Distribution System in Fulton County. If this contract was reduced it could delay the department's response time in responding to any new water service installations, repairs, and/or replacements. A contract for water meter vaults must be in place each year to insure availability of water meter vaults.

2. Describe the analysis you made to determine if the current prices for this good or service is reflective of the current market. Check all applicable statements and provide documentation:

A service contract for Water Meter Vaults is needed by the Public Works Department on a year-round basis to complete the process of installing new water service installations, repairs, and replacement. This contract is essential to the ongoing operations of the Water Distribution System to ensure availability of water meters required by state law.

7. What would be the impact on your department if this contract was not approved?

Approval by the Board of Commissioners in the renewal of this contract is critical for the Public Works Department to effectively complete the process of installing new water meter vaults. If this contract is not renewed it could delay the department's response time in responding to any failed or aged meter vaults within the Water Distribution System.
