**PARA #104 DEFINITIONS:**

(104) 04/29/2020

As used in this CONTRACT:

**"Provider Manual"** means any Community Provider Manual published by DBHDD which is applicable to the type of services that Contractor is delivering under this Contract and which is in effect at the time of service delivery. Information about the applicability of Provider Manuals and how they may be accessed is provided in Paragraph #105 of this Contract.

**"Individual"** means a person to whom Contractor is providing services pursuant to this Contract.

**"Subcontractor"** (whether or not the term is capitalized) means a person or entity who is not an employee of Contractor and who is delivering services to Individuals on Contractor's behalf which Contractor is obligated to deliver under this Contract. Contractor staff who are independent contractors rather than employees (for example, a staff member who receives an IRS Form 1099 instead of a Form W-2) are also "subcontractors" under this definition. A "subcontract" is the agreement between Contractor and a subcontractor, and "subcontracting" is the act of entering into subcontracts with subcontractors. Note that not all Contracts permit Contractors to subcontract services, and the terms of this Contract and applicable DBHDD Policies and Provider Manuals should be reviewed to determine whether the Contractor is permitted to subcontract services under this Contract. There are also specific provisions throughout this Contract which apply to any Contractor who is utilizing subcontractors.

**"Administrative Services Organization"**, also referred to as **"ASO"**, refers to an organization that is an authorized agent of DBHDD that is contracted to perform certain administrative functions such as, but not limited to, quality reviews of service delivery, compliance audits, utilization management and utilization review, claims processing, operation of the crisis and access line, and other activities in support of DBHDD and its provider network.

**PARA #105 COMPLIANCE WITH DBHDD POLICIES AND PROVIDER MANUALS:**

(105) 04/19/2021

- A. DBHDD sets policies with which community service Providers are required to comply at all times. All DBHDD policies are accessible through the DBHDD PolicyStat website at <https://qadbhdd.policystat.com/>. This website includes a link to the DBHDD PolicyStat Index which will assist Contractor in identifying the applicable policies for Community Providers. Contractor agrees to comply with the DBHDD policies applicable to Contractor, as from time to time amended, whether or not any such policy is specifically referenced in this Contract.
- B. DBHDD and the Department of Community Health (DCH) also maintain Provider Manuals for Community Behavioral Health Services and for Community Developmental Disabilities services with which community services providers are required to comply at all times. Contractor agrees to comply with the DBHDD and DCH Provider Manuals applicable to Contractor, whether or not a specific Provider Manual requirement is specifically referenced in this Contract. All DBHDD and DCH Provider Manuals are accessible through the DBHDD PolicyStat website at <https://qadbhdd.policystat.com/>. By execution of this Contract, Contractor certifies that Contractor has accessed and reviewed the applicable Provider Manual.
- C. Provider Manuals are applicable depending upon the type of services a provider is approved by DBHDD to provide.
  1. For Behavioral Health services, the applicable Provider Manual is the DBHDD Provider Manual for Community Behavioral Health Providers and is found within DBHDD Policy Provider Manual for Community Behavioral Health Providers, 01-112.
  2. For Developmental Disabilities services, the applicable DBHDD Provider Manuals are the DBHDD Provider Manual for Community Developmental Disabilities Providers (for NOW and COMP waiver services) and, when the provider is providing State-funded services, the DBHDD Provider Manual for Community Developmental Disabilities Providers of State-Funded Developmental Disabilities Services. Links to the current version of these manuals is found in DBHDD Policy Provider Manuals for Community Developmental Disabilities Providers, 02-1201 and NOW and COMP Waivers for Community Developmental Disability Services, 02-1202.
  3. For Developmental Disabilities services funded through the NOW and COMP waivers, the applicable DCH Provider Manuals (to be used in addition to the DBHDD Provider Manuals) are found at DCH's MMIS website: <http://www.mmis.georgia.gov/>. All NOW and COMP waiver service providers must comply with the DCH manual Part I Policies and Procedures for Medicaid/Peachcare for Kids. All NOW and COMP waiver service providers must also comply with the applicable Part II and Part III DCH manuals, as required and specified by DCH. For convenience, DBHDD has listed the applicable Part II and Part III manuals in the DBHDD policy NOW and COMP Waivers for Community Developmental Disability Services, 02-1202; however, the Provider has an independent duty to confirm which DCH manuals are applicable.
- D. Each Provider Manual is updated periodically (generally in January, April, July, and October of each year), and the Contractor is responsible for complying with the Provider Manual as amended.
- E. Each Provider Manual contains definitions and descriptions of the various services which DBHDD may authorize Contractors to deliver. Contractor agrees to maintain a record of which of those services DBHDD has authorized Contractor to deliver under this Contract, and Contractor shall deliver those services in accordance with the service definitions and descriptions in the Provider Manual, as well as with the other requirements and standards set forth in the Provider Manual.

**PARA #106 APPROVED SERVICES AND LOCATIONS:**

(106) 06/02/2020

- A. DBHDD's Office of Provider Enrollment approves Contractors to deliver specific services at particular physical addresses and for specified counties of coverage. The only services that may be provided under this Contract are those for which Contractor has received specific approval to deliver from DBHDD's Office of Enrollment.
- B. Contractor may request and will be provided with the ***Provider Approved Locations and Services*** document from the Office of Provider Enrollment at any time, and a copy is provided at the initiation or renewal of each Contract. DBHDD will provide written notification to Contractor of subsequent changes to approved locations or services, as appropriate, throughout the term of this Contract.
- C. Contractor agrees that the services covered by this Contract will be provided only in the counties and from the site locations at the physical addresses that are approved by the DBHDD Office of Provider Enrollment. Services the Contractor are not approved to deliver and services delivered in unapproved locations are not covered by this Contract and are not reimbursable. Submission of claims for services delivered in unapproved locations may result in termination of this Contract.

**PARA #107 NONDISCRIMINATION BY CONTRACTORS AND SUBCONTRACTORS:**

(104A) 06/22/2022

- A. **NONDISCRIMINATION IN EMPLOYMENT PRACTICES:** The Contractor agrees to comply with federal and state laws, rules and regulations, and the Department's policy relative to nondiscrimination in employment practices because of political affiliation, religion, race, color, sex, handicap, age, creed, veteran status or national origin. Nondiscrimination in employment practices is applicable to employees, applicants for employment, promotions, demotions, dismissal, and other elements affecting employment/employees.

- B. NONDISCRIMINATION IN CONSUMER/CUSTOMER/CLIENT/CONSUMER/CUSTOMER/CLIENT SERVICE PRACTICES: The Contractor agrees to comply with federal and state laws, rules and regulations, and the Department's policy relative to nondiscrimination in consumer/customer/client and consumer/customer/client service practices because of political affiliation, religion, race, color, sex, handicap, age, creed, veteran status or national origin. Neither shall any individual be excluded from participation in, denied the benefits of, or otherwise be subjected to discrimination under any program or activity conducted or supported by the Department.
- C. COMPLIANCE WITH APPLICABLE PROVISIONS OF THE AMERICANS WITH DISABILITIES ACT: The Contractor agrees to comply with all applicable provisions of the Americans with Disabilities Act (ADA), 42 U.S.C. § 12101 et seq., and its implementing regulations (including but not limited to 28 C.F.R. Part 36), 29 U.S.C. § 701 et seq., and any relevant federal and state laws, rules and regulations regarding employment practices toward individuals with disabilities and the availability/accessibility of programs, activities, or services for consumers/customers/clients with disabilities.
- D. The Contractor agrees to require any subcontractor performing services funded through this contract to comply with all provisions of the federal and state laws, rules, regulations and policies described in this paragraph.

**PARA #108 CONFIDENTIALITY OF INDIVIDUAL INFORMATION:**

(105) 03/08/2017

- C. Contractor acknowledges that some material and information that may come into its possession or knowledge in connection with this Contract, or the performance hereof, may consist of confidential and private information, and that the disclosure of such information to or use of such information by third parties may be damaging. Contractor therefore agrees to hold such material and information in strictest confidence, not to make use thereof other than as is necessary for performance of this Contract, and not to release or disclose any information to any other party except as may be required by law.
- D. Contractor hereby expressly agrees to immediately remove its employees or subcontractors from performing any work in connection with this Contract upon DBHDD giving notice that such employee or subcontractor has failed to meet the confidentiality obligations or standards of this Contract. Some services performed for DBHDD may require that Contractor sign a nondisclosure agreement. Contractor understands and agrees that refusal or failure to sign such a nondisclosure agreement, if required, may result in termination of the Contract.
- E. Contractor agrees that, in the event it receives a request for information pursuant to the Georgia Open Records Act, which request seeks information that is confidential, privileged and/or protected health information under any applicable law or regulation, it will inform DBHDD in writing within two (2) business days of the receipt of the request. Contractor further will inform the Open Records Act requestor that it will provide documents or information in response to the request no earlier than two (2) weeks following Contractor's receipt of the request, in order to allow DBHDD the opportunity to represent, at its own expense, its interests regarding any potential disclosure of confidential, privileged or protected health information that may be responsive to the request. Contractor shall not release the requested information to the requesting party until two (2) weeks following Contractor's receipt of the request, unless DBHDD expressly authorizes an earlier release in writing.

**PARA #109 CONFLICT OF INTEREST:**

(111) 04/19/2021

The Contractor and the Department certify that the provisions of the Official Code of Georgia Annotated, Section 45-10-20 *et seq.*, as amended, which prohibit and regulate certain transactions between certain state officials or employees and the State of Georgia, have not been violated and will not be violated in any respect.

**PARA #110 CONTRACT MODIFICATION/ALTERATION:**

(107) 04/29/2020

- A. No modification or alteration of the terms and conditions of this Contract, will be valid or effective unless such modification is made in writing and signed by both parties and affixed to this Contract as an amendment indicating the DBHDD agreement number involved, the original contracting parties and the original effective date of the Contract and the paragraph(s) being modified or superseded, except as stated in subparagraph B or C immediately below.
- B. In the event that either of the sources of reimbursement for services under this Contract (appropriations from the General Assembly of the State of Georgia, or the Congress of the United States of America) is reduced during the term of this Contract, DBHDD has the absolute right to make financial and other adjustments to this Contract and to notify the Contractor accordingly. Such adjustment(s) may require a Contract amendment or a termination of the Contract. The certification by the Commissioner of DBHDD of the occurrence of either the reductions stated above or termination of this Contract shall be conclusive.

- C. In the event that a state of emergency (including, but not limited to, a public health emergency) for or including the State of Georgia is declared by the President of the United States or the Governor of Georgia during the term of this Contract, DBHDD has the absolute right, in its sole discretion, to make financial and other adjustments to this Contract, and/or to modify other terms of this Contract, unilaterally, and to notify the Contractor accordingly.

**PARA #111 DEPARTMENT'S RIGHT TO SUSPEND CONTRACT:**

(108) 04/08/2013

The Department reserves the right to suspend the contract/sub-grant in whole or in part under this contract provision if it appears to the Department that the Contractor is failing to substantially comply with the quality of service or the specified completion schedule of its duties required under this contract. Alternatively or additionally, the Department may require further proof of reimbursable expenses prior to payment thereof, and/or require improvement, at the discretion of and to the satisfaction of the Department, in the programmatic performance or service delivery.

**PARA #112 NOTIFICATION OF BREACH OR FAILURE TO PERFORM AND OPPORTUNITY TO CURE:**

(206) 03/08/2017

- A. The notice may, at the discretion of DBHDD, inform the Contractor of any opportunity to cure the breach or failure to perform, to include development and implementation of a corrective action plan (CAP), and in such event will further provide the time period for the completion of such cure or plan. DBHDD is not required to provide notice or opportunity to cure.
- B. Corrective Action Plan: Upon notice to the Contractor of a failure to perform or breach of the terms of this Contract, DBHDD may require and/or permit the Contractor to develop and implement a Corrective Action Plan (CAP). The CAP must be developed by the Contractor within the time period specified by DBHDD and must be submitted to DBHDD for approval. A CAP must be specific and must, at a minimum, include provisions aimed toward correction of the deficiencies, indicate reasonable completion dates, fully describe the methodology to be used to accomplish complete and permanent corrective action, and describe methods for ensuring full compliance with the CAP. Failure to comply with a submitted CAP may result in actions outlined in the Contract or in DBHDD policy. DBHDD may require the Contractor, as a part of a CAP, to participate in a program of technical assistance provided by or on behalf of DBHDD, any cost of which, when applicable, shall be borne by the Contractor.
