Summary & Background

(First sentence includes Agency recommendation. Provide an executive summary of the action that gives an overview of the relevant details for the item.)

Scope of Work: This contract provides unemployment claims administrative services which includes comprehensive claims determination; hearings management and representation; handling appeals with the Georgia Department of Labor; verification of quarterly benefits charges; recording keeping and reporting.

On August 1, 2018, the Board of Commissioners approved Agenda Item #18-0499 to Equifax, Inc. to provide unemployment services. After multiple attempts, the County was unable to get the needed information in order to execute the contract. There has been no response in two months, therefore after a final attempt, the County determined it was in its best interest to rescind the award and to make a recommendation to award to the next top ranked proposer. The request to rescind the award will be presented on the December 19, 2018 BOC Meeting.
