Previously, Fulton County was granted a sanitary sewer easement, as referenced in and recorded at Plat Book/Deed Book (circle one)   , Page    of Fulton County, Georgia records, and hereby grants Owner a License to enter within a portion of its sanitary sewer easement to construct, repair and replace, from time to time as may be needed certain private improvements at his sole cost and responsibility, said private improvements as same are more fully described in Exhibit "A" (the "Private Improvements").

3. With respect to this License, Owner shall install and construct the Private Improvements in a good and workmanlike manner and in compliance with all state, local, and Fulton County laws and regulations, including but not limited to, all current state, local and Fulton County laws and regulations governing soil erosion and sedimentation control. 5.

Owner may terminate this License and Agreement by written notice to the County and shall remove the Private Improvement at his sole costs and return the area to its natural vegetative state. part by the negligent act, negligent omission or willful misconduct of Owner, his employees, subcontractors, or assigns in the performance of this License or Agreement.

10.

Owner agrees to repair or replace in a manner acceptable to the County and/or the owner thereof any public utilities damaged by its employees or subcontractors during performance of this License and Agreement or resulting from the failure of the Private Improvements. At its election the County may repair or replace the damaged utility and assess all costs against Owner.
