RE: DELAY NOTICE & CLAIM OF ADDITIONAL CONTRACT TIME

MR. BORDERS-

Per the contract section 2.5 Term of The Contract the specified term for the contract on the Fulton County Juvenile Justice project is 365 days from the Notice to Proceed. BCCII received the NTP for this project on January 15th, 2020.

Due to unforeseen project delays related to the following items BCCII must hereby request additional time be added to the contract completion:

- Limitation on site and building access
- Weather Delays
- Delays associated with roofing scope of work by other contractors
- Delays associated with Masonry Mortar Cement Strength Approval
- Extended delays in design and production of South Elevation Curtainwall due to insufficient As-Built information

The aforementioned items have created an overall project delay of 177 calendar days. Please see attached Delay Logs associated with the project. Please confirm receipt of this request and time extension to the overall project schedule as requested.

Regards,

Neal Morrison, Project Director  
Brad Construction Company II
