7. What would be the impact on your department	if this contract	was not approved?				
The County would be in violation of Title VI of the Civil Rights of 1964, which mandates that local government entities take reasonable steps to ensure individuals with Limited English Proficiency (LEP) have meaningful access to service. Additionally, the entire county would be without a foreign language service provider to provide oral and written translation, creating a hardship for members of the public who need county services and the employees assisting.
