Fulton County Emergency Solutions CV Grant Program AMENDMENT 1 ATTACHMENT A: Statement of Work

Provide a succinct description of your activities to be delivered that will be reimbursed with Fulton County ESG CV funds. Please include specific details related to the following.

- A. Goal
- B. Target Population
- C. Number of Beneficiaries

Do not include information on other activities not funded with ESG CV.

Goal

(Agency Goal in conjunction with statement below)

All payments will be approved and provided with Environmental Reviews. All data and payments will be logged into Client Track. Latin American Association will submit monthly reports and reimbursement requests no later than the 15th of the following month in which services have been provided. (I.e. Services are provided from May 1-31, 2020. Invoices should be submitted by the 15th of June for processing).

Through this Fulton ESG-CV-1 grant, the LAA will focus on Fulton County residents who are at risk of becoming homeless due to the COVID-19 pandemic by supporting them with case management and rental assistance.

Target Population

Latino families are at greater risk of homelessness than non-Hispanic populations. Challenges to housing stability for Latinos include poverty, limited English proficiency, social isolation, lack of a safety net, lack of familiarity with U.S. systems, lack of insurance, and unemployment. When Latinos lose their homes, most do not consider themselves to be homeless. Rather than turning to the streets or a shelter, they tend to stay with relatives – doubling or even tripling up in overcrowded houses and apartments. They are often referred to as the hidden homeless.

Number of Beneficiaries

The projected number of beneficiaries assisted with ESG CV-1 funds will be 200 or roughly 45 households.
