1 **X. Personnel and Participant Conditions**

2
3 **A. Civil Rights**

4
5 **1. Compliance**

6 The Sub-recipient agrees to comply with the State of Georgia and with Title VI of the Civil Rights
7 Act of 1964 as amended, Title VIII of the Civil Rights Act of 1968 as amended, Section 104(b) and
8 Section 109 of Title I of the Housing and Community Development Act of 1974 as amended, Section
9 504 of the Rehabilitation Act of 1973, the Americans with Disabilities Act of 1990, the Age
10 Discrimination Act of 1975, Executive order 11063 and with Executive Order 11246 as amended
11 by Executive Order 11375 and 12086.
12

13
14 **2. Nondiscrimination**

15 The Sub-recipient will not discriminate against any employee or applicant for employment because
16 of race, color, creed, religion, ancestry, national origin, sex, disability or other handicap, age,
17 marital/familial statuses with regard to public assistance. The Sub recipient will take affirmative
18 actions to insure that all employment practices are free from such discrimination. Such employment
19 practices include but not limited to the following: hiring, upgrading, demotion, transfer, recruitment
20 or recruitment advertising, layoff, termination, rates of pay or other forms of compensation, and
21 selection for training, including apprenticeship. The Sub-recipient agrees to post in conspicuous
22 places, available to employees and applicants for employment, notices to be provided by the
23 contracting agency setting forth the provisions of this nondiscrimination clause.

24 **3. Land Covenants**

25 This Agreement is subject to the requirements of Title VI of the Civil Rights Act of 1964 (P.L. 88-
26 352) and 24 CFR 570.601 and 602. In regard to the sale, lease, or other transfer of land acquired,
27 cleared or improved with assistance provided under this Agreement, the Sub-recipient shall cause
28 or require a covenant running with the land to be inserted in the deed or lease for such transfer,
29 prohibiting discrimination as herein defined, in the sale, lease or rental, or in the use or occupancy
30 of such land, or in any improvements erected or to be erected thereon, providing that the Grantee
31 and the United States are beneficiaries of and entitled to enforce such covenants. The Sub-
32 recipient, in undertaking its obligation to carry out the program assisted hereunder, agrees to take
33 such measures as are necessary to enforce such covenant and will not itself so discriminate.
34

35 **4. Section 504**

36 The Sub-recipient agrees to comply with any Federal regulations issued pursuant to compliance
37 with Section 504 of the Rehabilitation Act of 1973 (29U.S.C. 706), which prohibits discrimination
38 against the handicapped in any Federal assisted program. The Grantee shall provide the Sub
39 recipient with any guidelines necessary for compliance with that portion of the regulations in force
40 during the term of this Agreement.
41

42 **5. Fair Housing**

43 The Sub-recipient agrees to comply with Public Law 90-284, which is the Fair Housing Act (42
44 U.S.C. 3601-3620). In accordance with the Fair Housing Act, the Secretary of the Department of
45 Housing and Urban Development requires that grantees administer all programs and activities
46 related to housing and community development in a manner to affirmatively further the policies of
47 the Fair Housing Act.
48

49 The Sub-recipient agrees to take all actions necessary to assure compliance with the Fair Housing
50 Act, and affirmatively further fair housing. The Sub-Recipient also agrees to affirmatively further
51 fair housing within its own jurisdiction and support Fulton County's actions to comply with the
52 County's fair housing certification. This provision is required because noncompliance by a unit of
53 general local government included in an urban county may constitute noncompliance by the
54 grantee (i.e., the county) that can, in turn, provide cause for funding sanctions or other remedial
55 actions by the Department of Housing and Urban Development.

1 **6. Benefits to Legal Resident Aliens**

2 Under Section 214, the Secretary of Housing and Urban Development may not make financial
3 assistance available to an alien unless the alien both is a resident of the United States and is:

6 others, alien visitors, tourists, diplomats, and students who enter the United States
7 temporarily with no intention of abandoning their residence in a foreign country;
8
9 b. an alien who ... is deemed to be lawfully admitted for permanent residence [under the registry
10 provisions of the INA];
11
12 c. an alien who has qualified ... [as a refugee or asylee];
13
14 d. an alien who is lawfully present in the United States as a result of an exercise [of the Attorney
15 General's parole authority] ...;

21 Immigration and Nationality Act

22 Unauthorized aliens are not eligible for financial assistance under Section 214-covered programs.

23 **B. Affirmative Action**

25 The Sub-recipient agrees that it shall be committed to carry out pursuant to the Grantee's

28 Action guidelines to the Sub-recipient to assist in the formulation of such program. The Sub-
29 recipient shall submit a plan for an Affirmative Action Program for approval prior to the award of
30 funds.
31

32 **2. WBE/MBE**

33 The Sub-recipient will use its best efforts to afford minority and women-owned business enterprises
34 the maximum practicable opportunity to participate in the performance of this Agreement. As used
35 in this Agreement, the term "minority and female business enterprise" means a business at least
36 fifty-one (51) percent owned and controlled by minority group members of women.
37

38 For the purpose of this definition, "minority group members" are Afro-Americans, Spanish-speaking,
39 Spanish surnamed or Spanish-heritage Americans, Asian- Americans, and American Indians. The
40 Sub recipient may rely on written representations by businesses regarding their status as minority
41 and female business enterprises in lieu of an independent investigation.
42

45 all information and reports required hereunder and will permit access to its books, records, and
46 accounts by the Grantee, HUD or its agent, or other authorized Federal officials for purposes of
47 investigation to ascertain compliance with the rules, regulations and provisions stated herein.
48

49 **4. Notifications**

50 The Sub-recipient will send to each labor union or representative of workers with which it has
51 collective bargaining agreement or other contract or understanding, a notice, to be provided by the
52 agency contracting officer, advising the labor union or worker's representative of the Sub-recipient's
53 commitments hereunder, and shall post copies of the notice in conspicuous places available to
54 employees and applicants for employment.

1
2 **5. EEO/AA Statement**

3 The Sub-recipient will, in all solicitations or advertisements for employees placed by or on behalf
4 of the Sub-recipient; state that it is an Equal Opportunity or Affirmative Action employer.
5

6 **6. Subcontract Provisions**

7 The sub-recipient will include the provisions of Paragraph X A, Civil Rights, and B, Affirmative

19 **2. Labor Standards**

20 The Sub-recipient agrees to comply with the requirements of the Secretary of Labor in accordance
21 with the Davis-Bacon Act as amended, the provisions of Contract Work Hours and Safety
22 Standards Act, the Copeland "Anti-Kickback" Act (40 U.S.C. 276a-276a-5; 40 USC 327 and 40 USC
23 276c) and all other applicable Federal, State, and local laws and regulations pertaining to labor
24 standards insofar as those acts apply to the performance of this Agreement. The Sub recipient
25 shall maintain documents which shall be made available to the Grantee for review upon request.
26

27 The Sub-recipient agrees that, except with respect to the rehabilitation or construction of residential
28 property containing less than eight (8) units, all contractors engaged under contracts in excess of
29 2,000.00 for construction, renovation or repair work financed in whole or in part with assistance
30 provided under this Agreement, shall comply with Federal requirements adopted by the Grantee

40
41 **a. Compliance**

42 Compliance with the provisions of Section 3, the regulations set forth in 24 CFR 135, and all
43 applicable rules and orders issued hereunder prior to the execution of this Agreement, shall be
44 a condition of the Federal financial assistance under this Agreement and binding upon the
45 Grantee, the Sub-recipient and any of the Sub recipients sub-recipients and subcontractors.
46 Failure to fulfill these requirements shall subject the Grantee, the Sub-recipients and any of the
47 Sub-recipients sub-recipients and subcontractors, their successors and assigns, to those
48 sanctions specified by the Agreement through which Federal assistance is provided. The Sub-
49 recipient certifies and agrees that no contractual or other disability exists which would prevent
50 compliance with these requirements.

51 The Sub-recipient further agrees to comply with these "Section 3" requirements and to include
52 the following language in all subcontracts executed under this Agreement:
53

54 "The work to be performed under this Agreement is project assisted under a program providing
55 direct Federal financial assistance from HUD and is subject to the requirements of Section 3 of

1 the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. Section 3 requires
2 that to the greatest extent feasible opportunities for training and employment be given to low
3 and very low income. Residents of the project area and contracts for work in connection with

32 action pursuant to the subcontract upon finding that the subcontractor is in violation of

Fulton County Community Development Block Grant Program
ATTACHMENT A- 2026 Project Description
City of Fairburn: Orchard Street and Strickland Pedestrian
Improvements

The Orchard and Strickland Street Pedestrian Improvements Project involves the installation of sidewalk on Orchard Street and Strickland Street in the Lightning Neighborhood. The project also comprises the installation of new ADA handicap ramps, and the reconstruction of driveways to accommodate pedestrian movements. In addition, the project will consist of the preparation of sub-grade, saw-cutting and demolition of existing asphalt and concrete, as well as clean up and backfilling. The scope of work for Add Alternate #1 involves the installation of pedestrian lighting. The scope of the work for Add Alternate #2 involves milling, asphalt paving, the installation of decorative traffic-print textured paving crosswalks, manhole adjustments and associated tasks. No existing granite curb will be impacted by the proposed project.

The City of Fairburn completed a planning initiative in 2009, with significant public involvement, which identified this type of project as being a priority for the Lightning Neighborhood. This program is the result of the 2009 Livable Centers Initiative (LCI) Study and aligns with the recommendations identified in the short-term strategies for the City as we continue to improve the Lightning District. The completion of this proposed project will aid in satisfying some of the recommendations contained within the aforementioned study.

It is important to note that the Orchard and Strickland Street Pedestrian Improvements Project also stemmed from recommendations contained in the Lightning Community Strategic Plan, which is the community-based vision for guiding the growth of and change in the Lightning Neighborhood, and a direct result of the Lightning Community Development Study completed in 2019. It is also important to note that the Lightning Community Development Study (\$59,240) was paid for with Fulton County Community Development Block Grant (CDBG) Funds.

The service area of the Fairburn program is approximately 500 homes within a quarter-mile radius of the project limits. Based on our occupancy records, we anticipate this project will positively impact over 1,000 residents in the area. Job creation is most likely negligible; however, the project will create work for approximately 20 employees, contractors, and suppliers. Because the intent of the project is to complete a construction project and create a fixed asset, no continuing employment will be affected by it.

Target Population: The target population for the public infrastructure improvements project as described above are the residents of Fairburn, particularly those within the Lightning Community. Mullis Street is a local roadway within the residential L/M income Lightning Community. The City currently has 1,038 residents residing in census tract 105.14, of which all are categorized as low/moderate income levels. The stated census tract is within the project activity area.

National Objective: The CDBG national objective being addressed is to provide low/moderate income persons under area benefit qualified by median income of the target population census tracts. The City of Fairburn has a median income of \$43,886.

Exhibit A

Sub-recipient Monitoring Fulton County Community Development Block Grant Sub-recipient Monitoring

Fulton County must meet the requirements for record keeping set by the U.S. Department of Housing and Urban Development. To do so, we have to standardize the type of data collected from all agencies that receive federal CDBG funds.

The CDBG Program is mandated to service lower income persons. Each funded program or activity is designed to provide a service or facility that enhances the quality of life for our residents. To demonstrate that persons of lower income are the beneficiaries of the programs and to satisfy other record keeping requirements, we must collect data on persons who utilize services at each agency.

- Those agencies that do an intake of clients to determine eligibility must provide information on the income of those beneficiaries by family size as well as race and ethnicity and number of female head of households.
- Those agencies that provide services that must document that not less than 51% of persons served must also provide information on income, race and ethnicity and female head of households.
- Those agencies eligible to provide services based on the Census Tract area that is served, must still provide data on the beneficiaries by race and ethnicity. If you do not do a daily census or intake, estimate the total number served by race and ethnicity based on your client contact.
- Agencies who serve groups presumed to be lower income (elderly, abused women, homeless), must also provide data on total numbers serviced, race and ethnicity.

If you administer more than one program using federal funds, please report on the unduplicated total for all programs.

In addition to the above, we need a brief statement as to how the accomplishments for the period meet the objectives outlined in your sub-recipient agreement with the County.

EXHIBIT B
SUB-RECIPIENT MONITORING PLAN
COMMUNITY DEVELOPMENT BLOCK GRANT PROGRAM

Fulton County
CDBG PROGRAM ANNUAL MONITORING PLAN
Fiscal Year 2024

This plan represents Fulton County strategy for overseeing the activities of entities that carry out CDBG assisted activities. This plan will identify:

- The organizations to be monitored
- The issues to be explored and the methodology to be utilized in conducting the monitoring
- The schedule to be followed in conducting the monitoring
- Identification of the specific staff members of the County's Planning Department who will assume responsibility for monitoring
- The follow up measures to be followed in communicating the results of the monitoring to affected organizations and the methods that will be utilized to obtain feedback from affected organizations

The County will conduct an **external** monitoring to review the activities of its sub-recipients. In addition, the County will conduct an **internal** monitoring to review certain CDBG activities being carried out by County departments and agencies, when such activities are undertaken.

The purpose of the County's monitoring efforts is:

1. to identify and correct issues that prevent the County from achieving full compliance with the regulatory requirements of the CDBG Program and other Federal requirements *before* deficiencies lead to HUD monitoring findings, and
2. to learn more about the strengths and weaknesses of the various organizations that play a role in the County's CDBG program and to use this knowledge as the basis for structuring future CDBG activities.

The monitoring plan for 2023 appears on the chart that follows this page. The County of Fulton County will update this monitoring plan annually.

GENERAL POLICY FOR CDBG MONITORING

The Fulton County will conduct on-site (external) monitoring for all active CDBG activities carried out by sub-recipients at least annually.

The County will also conduct an internal monitoring evaluation of CDBG activities carried out by County staff if such activities are selected. In addition, the County will conduct an annual monitoring evaluation of its CDBG administrative processes.

PROCESS FOR NOTIFYING SUB-RECIPIENTS OF SCHEDULED MONITORING REVIEWS

The County will notify sub-recipients by mail of the time and date for their scheduled monitoring visit. In addition, sub-recipients will be notified of the program areas to be evaluated. The County's notification will include a list of documentation to be made available and the key staff of the organization that need to be present during the monitoring visit. Notification will be provided approximately four weeks prior to the scheduled visit.

DETERMINING THE PROGRAM AREAS TO BE INCLUDED IN ANNUAL MONITORING

For all internal activities and sub-recipient (external) activities, the County will conduct a full evaluation that includes all program areas. These reviews will involve an evaluation of eligibility, statutory objective compliance, accomplishments, timeliness, financial management, and other federal requirements.

COMPLIANCE CHECKLISTS

The County will utilize the CDBG monitoring checklist attached to this plan.

SITE VISIT PROCEDURES

When conducting an on-site visit, the County will:

1. Conduct an entrance interview with key staff involved in conducting the activity.
2. Review all pertinent sub-recipient files, including any third party contractor files, for necessary documentation.
3. Interview appropriate officials and employees of the sub-recipient organization, third party contractor staff, program clientele, and interested citizens, to discuss the sub-recipient's performance.
4. A fiscal officer of the County will conduct an on-site monitoring of each sub-recipient's financial management system.
5. Visit the project site(s) or a sampling of the projects being conducted.
6. Discuss with the sub-recipient any discrepancies resulting from the review of files, interviews, and site visits.
7. Conduct an exit interview with the appropriate officials and/or staff of the sub-recipient organization to discuss the findings of the monitoring visit.

MONITORING RESULTS

An official letter reporting the results of the monitoring visit will be sent to the authorized agency official (Director) within 30 days of the monitoring visit. A copy of the letter will also be provided to the chairperson of the agency's governing board.

This letter will generally contain the following information:

1. Name of the activity monitored
2. Date(s) of monitoring visit
3. Names of the department staff who conducted the monitoring visit

4. Scope of the monitoring visit
5. Names of agency officials and staff involved in the monitoring visit
6. Findings and results of the monitoring visit, with both positive and negative, supported by facts considered in reaching the conclusions
7. Specific recommendations or corrective actions to be taken by the sub-recipient
8. Time frame for completion of necessary action(s)
9. If appropriate, an offer of technical assistance

FOLLOW UP ACTION

If concerns or findings identified during the monitoring visit require corrective action by the sub-recipient, those actions must be completed by the sub-recipient within the time frame mandated in the monitoring letter.

In the event that the sub-recipient fails to meet a target date for making required actions, a written request for response will be sent to the authorized agency official and board chairperson.

If a sub-recipient has not sufficiently responded within 30 days from the date the corrective actions were to be made, further payments to the sub-recipient will be withheld until the sub-recipient submits the required responses and/or take the required corrective actions and those responses or actions are determined to be acceptable. If responses or corrective actions are determined to be unacceptable, funds will continue to be withheld until satisfactory actions are taken.

RESOLVING MONITORING FINDINGS

When reviews of all documents of corrective actions taken by the sub-recipient indicate that the identified concerns or findings have been corrected to the satisfaction of the County, a letter will be mailed to the authorized official of the sub-recipient and the chairperson of the governing board stating that the findings are resolved.
