

Contract Renewal Evaluation Form

Date:	July 23, 2024
Department:	Real Estate and Asset Management
Contract Number:	23RFP138765K-CRB
Contract Title:	Standby Professional Services for Environmental Engineering & Testing Services

Instructions:

It is extremely important that every contract be rigidly scrutinized to determine if the contract provides the County with value. Each renewal shall be reviewed and answers provided to determine whether services should be maintained, services/scope reduced, services brought in-house or if the contract should be terminated. Please submit a completed copy of this form with all renewal requests.

1. Describe what efforts were made to reduce the scope and cost of this contract.

This service cannot afford to be reduced because we do not have any alternative resources to provide standby professional environmental engineering and testing services. This service provides basic services that will consist of the following but not limited to: pre-design and construction, geotechnical, archeological, environmental surveys, environmental engineering, materials testing & inspections services (EETI), asbestos, lead based paint and contaminated soil surveys, geotechnical sampling testing and reporting, water testing & surveys, phase I & II environmental assessments, indoor air quality services (IAQ), and code required special construction materials inspection services (SCMI). This standby- environmental engineering and testing services program is on an “as needed-task task order assignment” basis.

2. Describe the analysis you made to determine if the current prices for this good or service is reflective of the current market. Check all applicable statements and provide documentation:
