STATEWIDE CONTRACT
Attachment 1**

Contract Terms and Conditions for Goods and Ancillary Services

A. DEFINITIONS AND GENERAL INFORMATION

1. Definitions. The following words shall be defined as set forth below:

- (i) **"Agency"** means the Department of Administrative Services of the State of Georgia.
- (ii) **"Awarded Item Schedule"** means the summarizing document, if any, listing the goods and services as awarded and may also denote the Contractor providing such goods and services.
- (iii) **"Contract"** or **"Statewide Contract"** means the agreement between the Agency and the Contractor as defined by the Statewide Contract Form and its incorporated documents.
- (iv) **"Contractor"** means the provider(s) of the goods and services under the Statewide Contract.
- (v) **"Purchase Instrument"** means the documentation issued by the Agency or User Agencies to the Contractor for a purchase of goods and services in accordance with the terms and conditions of the Statewide Contract. The Purchase Instrument should reference the Statewide Contract and may include an identification of the items to be purchased, the delivery date and location, the address where the Contractor should submit the invoices, and any other requirements deemed necessary by the Agency or User Agencies.
- (vi) **"Response", "Contractor's Response" or "Final Response"** means the Contractor's submitted response to the RFX, including any modifications or clarifications accepted by the Agency.
- (vii) **"RFX"** means the Request for Proposal, Request for Bid, or other solicitation document (and any amendments or addenda thereto) specifically identified in the Statewide Contract Form that was issued to solicit the goods and/or services that are subject to the Statewide Contract.
- (viii) **"State"** means the State of Georgia, the Agency, User Agencies, and any other authorized state entities issuing Purchase Instruments against the Statewide Contract.
- (ix) **"Statewide Contract Form"** means the document that contains basic information about the Statewide Contract and incorporates by reference the applicable Contract Terms and Conditions, the RFX, Contractor's Response to the RFX, the final pricing documentation for goods and services and any mutually agreed clarifications, modifications, additions and deletions resulting from final contract negotiations. No objection or amendment by a Contractor to the RFX requirements or the Statewide Contract shall be incorporated by reference into this Statewide Contract unless the Agency has accepted the Contractor's objection or amendment in writing. The Statewide Contract Form is defined separately and referred to separately throughout the Statewide Contract Terms and Conditions as a means of identifying the location of

certain information. For example, the initial term of the Statewide Contract is defined by the dates in the Statewide Contract Form.

(x) **"User Agency" or "User Agencies"** means any offices, agencies, departments, boards, bureaus, commissions, institutions, or other entities of the State of Georgia entitled to or required to make purchases from this Statewide Contract.

2. **Certified Source of Goods and Services.** Pursuant to Section 50-5-57 of the Official Code of Georgia Annotated (O.C.G.A.), the Agency hereby certifies the Contractor as a source of supply to the User Agencies of the goods and services identified in this Statewide Contract. Orders shall be placed individually and from time to time by the User Agencies. The execution of this Statewide Contract only establishes the Contractor as an authorized source of supply by the Agency and creates no financial obligation on the part of the Agency.

3. **Priority of Contract Provisions.** Any pre-printed contract terms and conditions included on Contractor's forms or invoices shall be null and void.

4. **Reporting Requirements.** Contractor shall provide all reports required by the RFX. In addition, unless otherwise provided in the RFX, Contractor shall keep a record of the purchases made pursuant to the Statewide Contract and shall submit a quarterly written report to the Agency.

B. DURATION OF CONTRACT

1. **Contract Term.** The Statewide Contract shall begin and end on the dates specified in the Statewide Contract Form unless terminated earlier in accordance with the applicable terms and conditions. Pursuant to O.C.G.A. Section 50-5-64, this Statewide Contract shall not be deemed to create a debt of the State for the payment of any sum beyond the fiscal year of execution or, in the event of a renewal, beyond the fiscal year of such renewal.

2. **Contract Renewal.** The Agency shall have the option, in its sole discretion, to renew the Statewide Contract for additional terms on a year-to-year basis by giving the Contractor written notice of the renewal decision at least sixty (60) days prior to the expiration of the initial term or renewal term. Renewal will depend upon the best interests of the State, funding, and Contractor's performance. Renewal will be accomplished through the issuance of a Notice of Award Amendment. Upon the Agency's election, in its sole discretion, to renew any part of this Statewide Contract, Contractor shall remain obligated to perform in strict accordance with this Statewide Contract unless otherwise agreed by the Agency and the Contractor.

3. **Contract Extension.** In the event that this Statewide Contract shall terminate or be likely to terminate prior to the making of an award for a new contract for the identified goods and services, the Agency may, with the written consent of Contractor, extend this Statewide Contract for such period as may be necessary to afford the State a continuous supply of the identified goods and services.

C. DESCRIPTION OF GOODS AND SERVICES

1. **Specifications in Bidding Documents.** The Contractor shall provide all goods, services, and other deliverables in compliance with the specifications contained in the RFX and the terms of the Statewide Contract, plus those equipment, services and deliverables as may additionally be described in the Response.

2. **Product Shipment and Delivery.** All products shall be shipped F.O.B. destination. Destination shall be the location(s) specified in the RFX or any provided Purchase Instrument. All items shall be at the Contractor's risk until they have been delivered and accepted by the receiving entity. All items shall be subject to inspection on delivery. Hidden damage will remain the responsibility of the Contractor to remedy without cost to the User Agencies, regardless of when the hidden damage is discovered.
3. **Non-Exclusive Rights.** The Statewide Contract is not exclusive. The Agency reserves the right to select other contractors to provide goods and services similar to goods and services described in the Statewide Contract during the term of the Statewide Contract. User Agencies may obtain similar goods and services from other contractors upon prior approval of the Agency, which approval shall be made at the sole discretion of the Agency when it is deemed to be in the best interests of the State, and shall be conclusive.
4. **No Minimums Guaranteed.** The Statewide Contract does not guarantee any minimum level of purchases.

D. COMPENSATION

1. **Pricing and Payment.** The Contractor will be paid for the goods and services sold pursuant to the Statewide Contract in accordance with the RFX and final pricing documents as incorporated into the Statewide Contract Form and the terms of the Statewide Contract. Unless clearly stated otherwise in the Statewide Contract, all prices are firm and fixed and are not subject to variation. Prices include, but are not limited to freight, insurance, fuel surcharges and customs duties. User Agencies are solely and individually financially responsible for their respective purchases.
2. **Billings.** If applicable, and unless the RFX provides otherwise, the Contractor shall submit, on a regular basis, an invoice for goods and services supplied to the User Agencies under the Statewide Contract at the billing address specified in the Purchase Instrument or Statewide Contract. The invoice shall comply with all applicable rules concerning payment of such claims. User Agencies shall pay all approved invoices in arrears and in accordance with applicable provisions of State law.

Unless otherwise agreed in writing by the Agency and the Contractor, the Contractor shall not be entitled to receive any other payment or compensation from the User Agencies for any goods or services provided by or on behalf of the Contractor under the Statewide Contract. The Contractor shall be solely responsible for paying all costs, expenses and charges it incurs in connection with its performance under the Statewide Contract.

3. **Delay of Payment Due to Contractor's Failure.** If the User Agencies in good faith determine that the Contractor has failed to perform or deliver any service or product as required by the Statewide Contract, the Contractor shall not be entitled to any compensation under the Statewide Contract until such service or product is performed or delivered. In this event, the User Agencies may withhold that portion of the Contractor's compensation which represents payment for services or products that were not performed or delivered. To the extent that the Contractor's failure to perform or deliver in a timely manner causes the User Agencies to incur costs, the User Agencies may deduct the amount of such incurred costs from any amounts payable to Contractor. The User Agencies' authority to deduct such incurred costs shall not in any way affect the Agency's sole authority to terminate the Statewide Contract.
4. **Set-Off Against Sums Owed by the Contractor.** In the event that the Contractor owes the User Agency any sum or the User Agency must obtain substitute performance, the User

Agency may set off the sum owed against any sum owed by the User Agency to the Contractor.

E. TERMINATION

1. **Immediate Termination.** Pursuant to O.C.G.A. Section 50-5-64, any purchase made pursuant to this Statewide Contract will terminate immediately and absolutely if the User Agency determines that adequate funds are not appropriated or granted or funds are de-appropriated such that the User Agency cannot fulfill its obligations under the Statewide Contract, which determination is at the User Agency's sole discretion and shall be conclusive. Further, the Agency may terminate the Statewide Contract for any one or more of the following reasons effective immediately without advance notice:
 - (i) In the event the Contractor is required to be certified or licensed as a condition precedent to providing goods and services, the revocation or loss of such license or certification may result in immediate termination of the Statewide Contract effective as of the date on which the license or certification is no longer in effect;
 - (ii) The Agency determines that the actions, or failure to act, of the Contractor, its agents, employees or subcontractors have caused, or reasonably could cause, life, health or safety to be jeopardized;
 - (iii) The Contractor fails to comply with confidentiality laws or provisions; and/or
 - (iv) The Contractor furnished any statement, representation or certification in connection with the Statewide Contract or the bidding process which is materially false, deceptive, incorrect or incomplete.
2. **Termination for Cause.** The occurrence of any one or more of the following events shall constitute cause for the Agency to declare the Contractor in default of its obligations under the Statewide Contract:
 - (i) The Contractor fails to deliver or has delivered nonconforming goods or services or fails to perform, to the Agency's satisfaction, any material requirement of the Statewide Contract or is in violation of a material provision of the Statewide Contract, including, but without limitation, the express warranties made by the Contractor;
 - (ii) The Agency determines that satisfactory performance of the Statewide Contract is substantially endangered or that a default is likely to occur;
 - (iii) The Contractor fails to make substantial and timely progress toward performance of the Statewide Contract;
 - (iv) The Contractor becomes subject to any bankruptcy or insolvency proceeding under federal or state law to the extent allowed by applicable federal or state law including bankruptcy laws; the Contractor terminates or suspends its business; or the Agency reasonably believes that the Contractor has become insolvent or unable to pay its obligations as they accrue consistent with applicable federal or state law;
 - (v) The Contractor has failed to comply with applicable federal, state and local laws, rules, ordinances, regulations and orders when performing within the scope of the Statewide Contract;

- (vi) The Contractor has engaged in conduct that has or may expose the Agency or the State to liability, as determined in the Agency's sole discretion; or
 - (vii) The Contractor has infringed any patent, trademark, copyright, trade dress or any other intellectual property rights of the Agency, the State, or a third party.
3. **Notice of Default.** If there is a default event caused by the Contractor, the Agency shall provide written notice to the Contractor requesting that the breach or noncompliance be remedied within the period of time specified in the Agency's written notice to the Contractor. If the breach or noncompliance is not remedied within the period of time specified in the written notice, the Agency may:
- (i) Immediately terminate the Statewide Contract without additional written notice; and/or
 - (ii) Procure substitute goods or services from another source and charge the difference between the Statewide Contract and the substitute contract to the defaulting Contractor; and/or,
 - (iii) Enforce the terms and conditions of the Statewide Contract and seek any legal or equitable remedies.
4. **Termination Upon Notice.** Following thirty (30) days' written notice, the Agency may terminate the Statewide Contract in whole or in part without the payment of any penalty or incurring any further obligation to the Contractor. Following termination upon notice, the Contractor shall be entitled to compensation from the User Agency, upon submission of invoices and proper proof of claim, for goods and services provided under the Statewide Contract to the User Agencies up to and including the date of termination.
5. **Termination Due to Change in Law.** The Agency shall have the right to terminate this Statewide Contract without penalty by giving thirty (30) days' written notice to the Contractor as a result of any of the following:
- (i) The Agency's authorization to operate is withdrawn or there is a material alteration in the programs administered by the Agency; and/or
 - (ii) The Agency's duties are substantially modified.
6. **Payment Limitation in Event of Termination.** In the event of termination of the Statewide Contract for any reason by the Agency, the User Agencies shall pay only those amounts, if any, due and owing to the Contractor for goods and services actually rendered up to the date specified in the notice of termination for which the User Agencies are obligated to pay pursuant to the Statewide Contract or Purchase Instrument. Payment will be made only upon submission of invoices and proper proof of the Contractor's claim. This provision in no way limits the remedies available to the State under the Statewide Contract in the event of termination. The State shall not be liable for any costs incurred by the Contractor in its performance of the Statewide Contract, including, but not limited to, startup costs, overhead or other costs associated with the performance of the Statewide Contract.
7. **The Contractor's Termination Duties.** Upon receipt of notice of termination or upon request of the Agency, the Contractor shall:
- (i) Cease work under the Statewide Contract and take all necessary or appropriate steps to limit disbursements and minimize costs, and furnish a report within thirty (30) days of

the date of notice of termination, describing the status of all work under the Statewide Contract, including, without limitation, results accomplished, conclusions resulting therefrom, and any other matters the Agency may require;

- (ii) Immediately cease using and return to the State, any personal property or materials, whether tangible or intangible, provided by the State to the Contractor;
- (iii) Comply with the State's instructions for the timely transfer of any active files and work product produced by the Contractor under the Statewide Contract;
- (iv) Cooperate in good faith with the Agency, the User Agencies, and their employees, agents and contractors during the transition period between the notification of termination and the substitution of any replacement contractor; and
- (v) Immediately return to the User Agencies any payments made by the User Agencies for goods and services that were not delivered or rendered by the Contractor.

F. CONFIDENTIAL INFORMATION

1. **Access to Confidential Data.** The Contractor's employees, agents and subcontractors may have access to confidential data maintained by the State to the extent necessary to carry out the Contractor's responsibilities under the Statewide Contract. The Contractor shall presume that all information received pursuant to the Statewide Contract is confidential unless otherwise designated by the State. If it is reasonably likely the Contractor will have access to the State's confidential information, then:
 - (i) The Contractor shall provide to the State a written description of the Contractor's policies and procedures to safeguard confidential information;
 - (ii) Policies of confidentiality shall address, as appropriate, information conveyed in verbal, written, and electronic formats;
 - (iii) The Contractor must designate one individual who shall remain the responsible authority in charge of all data collected, used, or disseminated by the Contractor in connection with the performance of the Statewide Contract; and
 - (iv) The Contractor shall provide adequate supervision and training to its agents, employees and subcontractors to ensure compliance with the terms of the Statewide Contract.

The private or confidential data shall remain the property of the State at all times. Some services performed for the Agency and/or User Agencies may require the Contractor to sign a nondisclosure agreement. Contractor understands and agrees that refusal or failure to sign such a nondisclosure agreement, if required, may result in termination of the Statewide Contract.

2. **No Dissemination of Confidential Data.** No confidential data collected, maintained, or used in the course of performance of the Statewide Contract shall be disseminated except as authorized by law and with the written consent of the State, either during the period of the Statewide Contract or thereafter. Any data supplied to or created by the Contractor shall be considered the property of the State. The Contractor must return any and all data collected, maintained, created or used in the course of the performance of the Statewide Contract, in whatever form it is maintained, promptly at the request of the State.

3. **Subpoena.** In the event that a subpoena or other legal process is served upon the Contractor for records containing confidential information, the Contractor shall promptly notify the State and cooperate with the State in any lawful effort to protect the confidential information.
4. **Reporting of Unauthorized Disclosure.** The Contractor shall immediately report to the State any unauthorized disclosure of confidential information.
5. **Survives Termination.** The Contractor's confidentiality obligation under the Statewide Contract shall survive termination of the Statewide Contract.

G. INDEMNIFICATION

1. **Contractor's Indemnification Obligation.** The Contractor agrees to indemnify and hold harmless the State and State officers, employees, agents, and volunteers (collectively, "Indemnified Parties") from any and all costs, expenses, losses, claims, damages, liabilities, settlements and judgments, including reasonable value of the time spent by the Attorney General's Office, related to or arising from:
 - (i) Any breach of the Statewide Contract;
 - (ii) Any negligent, intentional or wrongful act or omission of the Contractor or any employee, agent or subcontractor utilized or employed by the Contractor;
 - (iii) Any failure of goods to comply with applicable specifications, warranties, and certifications under the Statewide Contract;
 - (iv) The negligence or fault of the Contractor in design, testing, development, manufacture, or otherwise with respect to the goods or any parts thereof provided under the Statewide Contract;
 - (v) Claims, demands, or lawsuits that, with respect to the goods or any parts thereof, allege product liability, strict product liability, or any variation thereof;
 - (vi) The Contractor's performance or attempted performance of the Statewide Contract, including any employee, agent or subcontractor utilized or employed by the Contractor;
 - (vii) Any failure by the Contractor to comply with the "Compliance with the Law" provision of the Statewide Contract;
 - (viii) Any failure by the Contractor to make all reports, payments and withholdings required by federal and state law with respect to social security, employee income and other taxes, fees or costs required by the Contractor to conduct business in the State of Georgia or the United States;
 - (ix) Any infringement of any copyright, trademark, patent, trade dress, or other intellectual property right; or
 - (x) Any failure by the Contractor to adhere to the confidentiality provisions of the Statewide Contract.
2. **Duty to Reimburse State Tort Claims Fund.** To the extent such damage or loss as covered by this indemnification is covered by the State of Georgia Tort Claims Fund ("the Fund"), the

Contractor (and its insurers) agrees to reimburse the Fund. To the full extent permitted by the Constitution and the laws of the State and the terms of the Fund, the Contractor and its insurers waive any right of subrogation against the State, the Indemnified Parties, and the Fund and insurers participating thereunder, to the full extent of this indemnification.

3. **Litigation and Settlements.** The Contractor shall, at its own expense, be entitled to and shall have the duty to participate in the defense of any suit against the Indemnified Parties. No settlement or compromise of any claim, loss or damage entered into by the Indemnified Parties shall be binding upon Contractor unless approved in writing by Contractor. No settlement or compromise of any claim, loss or damage entered into by Contractor shall be binding upon the Indemnified Parties unless approved in writing by the Indemnified Parties.

4. **Patent/Copyright Infringement Indemnification.** Contractor shall, at its own expense, be entitled to and shall have the duty to participate in the defense of any suit instituted against the State and indemnify the State against any award of damages and costs made against the State by a final judgment of a court of last resort in such suit insofar as the same is based on any claim that any of the software constitutes an infringement of any United States Letters Patent or copyright, provided the State gives the Contractor immediate notice in writing of the institution of such suit, permits Contractor to fully participate in the defense of the same, and gives Contractor all available information, assistance and authority to enable Contractor to do so. Subject to approval of the Attorney General of the State of Georgia, the Agency shall tender defense of any such action to Contractor upon request by Contractor. Contractor shall not be liable for any award of judgment against the State reached by compromise or settlement unless Contractor accepts the compromise or settlement. Contractor shall have the right to enter into negotiations for and the right to effect settlement or compromise of any such action, but no such settlement shall be binding upon the State unless approved by the State.

In case any of the software is in any suit held to constitute infringement and its use is enjoined, Contractor shall, at its option and expense:

- (i) Procure for the State the right to continue using the software;
- (ii) Replace or modify the same so that it becomes non-infringing; or
- (iii) Remove the same and cancel any future charges pertaining thereto.

Contractor, however, shall have no liability to the State if any such patent, or copyright infringement or claim thereof is based upon or arises out of:

- (i) Compliance with designs, plans or specifications furnished by or on behalf of the Agency as to the software;
- (ii) Use of the software in combination with apparatus or devices not supplied by Contractor;
- (iii) Use of the software in a manner for which the same was neither designed nor contemplated; or
- (iv) The claimed infringement of any patent or copyright in which the Agency or any affiliate or subsidiary of the Agency has any direct interest by license or otherwise.

5. **Survives Termination.** The indemnification obligation of the Contractor shall survive termination of the Statewide Contract.

H. INSURANCE

Contractor shall provide all insurance as required by the RFX.

I. BONDS

The Contractor shall provide all required bonds in accordance with the terms of the RFX and as stated in the Statewide Contract Form.

J. WARRANTIES

1. **Construction of Warranties Expressed in the Contract with Warranties Implied by Law.** All warranties made by the Contractor and/or subcontractors in all provisions of the Statewide Contract and the Contractor's Response, whether or not the Statewide Contract specifically denominates the Contractor's and/or subcontractors' promise as a warranty or whether the warranty is created only by the Contractor's affirmation or promise, or is created by a description of the materials, goods and services to be provided, or by provision of samples to the State shall not be construed as limiting or negating any warranty provided by law, including without limitation, warranties which arise through course of dealing or usage of trade, the warranty of merchantability, and the warranty of fitness for a particular purpose. The warranties expressed in the Statewide Contract are intended to modify the warranties implied by law only to the extent that they expand the warranties applicable to the goods and services provided by the Contractor. The provisions of this section apply during the term of the Statewide Contract and any extensions or renewals thereof.
2. **Warranty – Nonconforming Goods.** All goods delivered by Contractor to the User Agencies shall be free from any defects in design, material, or workmanship. If any goods offered by the Contractor are found to be defective in material or workmanship, or do not conform to Contractor's warranty, the User Agencies shall have the option of returning, repairing, or replacing the defective goods at Contractor's expense. Payment for goods shall not constitute acceptance. Acceptance by the User Agencies shall not relieve the Contractor of its warranty or any other obligation under the Statewide Contract.
3. **Compliance with Federal Safety Acts.** Contractor warrants and guarantees to the State that the goods provided under the Statewide Contract are in compliance with Sections 5 and 12 of the Federal Trade Commission Act; the Fair Packaging and Labeling Act; the Federal Food, Drug, and Cosmetic Act; the Consumer Product Safety Act; the Federal Environmental Pesticide Control Act; the Federal Hazardous Substances Act; the Fair Labor Standards Act; the Wool Products Labeling Act; the Flammable Fabrics Act; the Occupational Safety and Health Act; the Office of Management and Budget A-110 Appendix A; and the Anti-Kickback Act of 1986.
4. **Originality and Title to Concepts, Materials, and Goods Produced.** Contractor represents and warrants that all the concepts, materials, goods and services produced, or provided to the State pursuant to the terms of the Statewide Contract shall be wholly original with the Contractor or that the Contractor has secured all applicable interests, rights, licenses, permits or other intellectual property rights in such concepts, materials and works. The Contractor represents and warrants that the concepts, materials, goods and services and the State's use of same and the exercise by the State of the rights granted by the Statewide Contract shall not infringe upon any other work, other than material provided by the Statewide Contract to the Contractor to be used as a basis for such materials, or violate the rights of publicity or privacy of, or constitute a libel or slander against, any person, firm or corporation and that the

concepts, materials and works will not infringe upon the copyright, trademark, trade name, trade dress patent, literary, dramatic, statutory, common law or any other rights of any person, firm or corporation or other entity. The Contractor represents and warrants that it is the owner of or otherwise has the right to use and distribute the goods and services contemplated by the Statewide Contract.

5. **Conformity with Contractual Requirements.** The Contractor represents and warrants that the goods and services provided in accordance with the Statewide Contract will appear and operate in conformance with the terms and conditions of the Statewide Contract.
6. **Authority to Enter into Contract.** The Contractor represents and warrants that it has full authority to enter into the Statewide Contract and that it has not granted and will not grant any right or interest to any person or entity that might derogate, encumber or interfere with the rights granted to the State.
7. **Obligations Owed to Third Parties.** The Contractor represents and warrants that all obligations owed to third parties with respect to the activities contemplated to be undertaken by the Contractor pursuant to the Statewide Contract are or will be fully satisfied by the Contractor so that the State will not have any obligations with respect thereto.
8. **Title to Property.** The Contractor represents and warrants that title to any property assigned, conveyed or licensed to the State is good and that transfer of title or license to the State is rightful and that all property shall be delivered free of any security interest or other lien or encumbrance. Title to any supplies, materials, or equipment shall remain in the Contractor until fully paid for by the User Agencies.
9. **Industry Standards.** The Contractor represents and expressly warrants that all aspects of the goods and services provided or used by it shall at a minimum conform to the standards in the Contractor's industry. This requirement shall be in addition to any express warranties, representations, and specifications included in the Statewide Contract, which shall take precedence.
10. **Contractor's Personnel and Staffing.** Contractor warrants that all persons assigned to perform services under this Statewide Contract are either lawful employees of Contractor or lawful employees of a Subcontractor authorized by the Agency as specified in the RFX. All persons assigned to perform services under this Statewide Contract shall be qualified to perform such services. Personnel assigned by Contractor shall have all professional licenses required to perform the services.
11. **Use of State Vehicles.** Contractor warrants that no State vehicles will be used by Contractor for the performance of services under this Statewide Contract. Contractor shall be responsible for providing transportation necessary to perform all services.

K. PRODUCT RECALL

In the event that any of the goods are found by the Contractor, the State, any governmental agency, or court having jurisdiction to contain a defect, serious quality or performance deficiency, or not to be in compliance with any standard or requirement so as to require or make advisable that such goods be reworked or recalled, the Contractor will promptly communicate all relevant facts to the Agency and undertake all corrective actions, including those required to meet all obligations imposed by laws, regulations, or orders, and shall file all necessary papers, corrective action programs, and other related documents, provided that nothing contained in this section shall preclude the Agency from taking such action as may be required of it under any such law or regulation. The Contractor shall perform all necessary repairs or modifications at its sole expense except to any extent that the Contractor and the State shall agree to the performance of such repairs by the State upon mutually acceptable terms.

L. CONTRACT ADMINISTRATION

1. **Order of Preference.** In the case of any inconsistency or conflict among the specific provisions of the Statewide Contract Terms and Conditions (including any amendments accepted by both the Agency and the Contractor attached hereto and the Awarded Item Schedule, if any), the RFX (including any subsequent addenda and written responses to bidders' questions), and the Contractor's Response, any inconsistency or conflict shall be resolved as follows:
 - (i) First, by giving preference to the Statewide Contract Terms and Conditions.
 - (ii) Second, by giving preference to the specific provisions of the RFX.
 - (iii) Third, by giving preference to the specific provisions of the Contractor's Response, except that objections or amendments by a Contractor that have not been explicitly accepted by the Agency in writing shall not be included in this Statewide Contract and shall be given no weight or consideration.

2. **Intent of References to Bid Documents.** The references to the parties' obligations, which are contained in this document, are intended to supplement or clarify the obligations as stated in the RFX and the Contractor's Response. The failure of the parties to make reference to the terms of the RFX or the Contractor's Response in this document shall not be construed as creating a conflict and will not relieve the Contractor of the contractual obligations imposed by the terms of the RFX and the Contractor's Response. The contractual obligations of the Agency cannot be implied from the Contractor's Response.

3. **Compliance with the Law.** The Contractor, its employees, agents, and subcontractors shall comply with all applicable federal, state, and local laws, rules, ordinances, regulations and orders now or hereafter in effect when performing under the Statewide Contract, including without limitation, all laws applicable to the prevention of discrimination in employment and use of targeted small businesses as subcontractors or contractors. The Contractor, its employees, agents and subcontractors shall also comply with all federal, state and local laws regarding business permits and licenses that may be required to carry out the work performed under the Statewide Contract. Contractor and Contractor's personnel shall also comply with all State, Agency, and User Agency policies and standards in effect during the performance of the Statewide Contract, including but not limited to the Agency and User Agencies' policies and standards relating to personnel conduct, security, safety, confidentiality, and ethics. Further, the provisions of O.C.G.A. Section 45-10-20 et seq. have not and must not be violated under the terms of this Statewide Contract. In the event any proceeding of a quasi-judicial or judicial nature is commenced in connection with this Statewide Contract, such proceeding shall solely be brought in a court or other forum of competent jurisdiction within Fulton County, Georgia. This provision shall not be construed as waiving any immunity to suit or liability, including without limitation sovereign immunity, which may be available to the State.

- 8. Parties' Duty to Provide Notice of Intent to Litigate and Right to Demand Mediation.** In addition to any dispute resolution procedures otherwise required under this Statewide Contract or any informal negotiations which may occur between the State and the Contractor, no civil action with respect to any dispute, claim or controversy arising out of or relating to this Statewide Contract may be commenced without first giving fourteen (14) calendar days written notice to the State of the claim and the intent to initiate a civil action. At any time prior to the commencement of a civil action, either the State or the Contractor may elect to submit the matter for mediation. Either the State or the Contractor may exercise the right to submit the matter for mediation by providing the other party with a written demand for mediation setting forth the subject of the dispute. The parties will cooperate with one another in selecting a mediator and in scheduling the mediation proceedings. Venue for the mediation will be in Atlanta, Georgia; provided, however, that any or all mediation proceedings may be conducted by teleconference with the consent of the mediator. The parties covenant that they will participate in the mediation in good faith, and that they will share equally in its costs; provided, however that the cost to the State shall not exceed five thousand dollars (\$5,000.00).

All offers, promises, conduct and statements, whether oral or written, made in the course of the mediation by any of the parties, their agents, employees, experts and attorneys, and by the mediator or employees of any mediation service, are inadmissible for any purpose (including but not limited to impeachment) in any litigation or other proceeding involving the parties, provided that evidence that is otherwise admissible or discoverable shall not be rendered inadmissible or non-discoverable as a result of its use in the mediation. Inadmissibility notwithstanding, all written documents shall nevertheless be subject to the Georgia Open Records Act O.C.G.A. Section 50-18-70 et.seq.

No party may commence a civil action with respect to the matters submitted to mediation until after the completion of the initial mediation session, forty-five (45) calendar days after the date of filing the written request for mediation with the mediator or mediation service, or sixty (60) calendar days after the delivery of the written demand for mediation, whichever occurs first. Mediation may continue after the commencement of a civil action, if the parties so desire.
