ARTICLE 18. INDEMNIFICATION

18.1 Non-Professional Services Indemnification. Contractor hereby agrees to indemnify and hold harmless Fulton County, its Commissioners and their respective officers, members, employees, and agents (each, hereinafter referred to as an "Indemnified Person") from and against any and all claims, demands, liabilities, losses, costs or expenses, including attorneys' fees due to liability to a third party or parties, for any loss due to bodily injury (including death), personal injury, and property damage arising out of or resulting from the performance of this Agreement or any act or omission on the part of the Contractor, its agents, employees or others working at the direction of Contractor or on its behalf, or due to any breach of this Agreement by the Contractor or due to the application or violation of any pertinent Federal, State or local law, rule or regulation. This indemnification is binding upon to the successors and assigns of Contractor. This indemnification does not extend to the sole negligence of the Indemnified Persons nor beyond the scope of this Agreement and the work undertaken thereunder. This indemnification survives the termination of this Agreement and shall also survive the dissolution or to the extent allowed by law, the bankruptcy of Contractor.

Contractor obligation to indemnify and hold harmless, as set forth hereinabove, shall also

include, but is not limited to, any matter arising out of any actual or alleged infringement of any patent, trademark, copyright, or service mark, or other actual or alleged unfair competition disparagement of product or service, or other tort or any type whatsoever, or any actual or alleged violation of trade regulations.

Contractor further agrees to indemnify and hold harmless Fulton County, its Commissioners, officers, employees, subcontractors, successors, assigns and agents from and against any and all claims or liability for compensation under the Worker's Compensation Act, Disability Benefits Act, or any other employee benefits act arising out of injuries sustained by any employees of Contractor. These indemnities shall not be limited by reason of the listing of any insurance coverage.

18.2 Notice of Claim. If an Indemnified Person receives written notice of any claim or circumstance which could give rise to indemnified losses, the receiving party shall promptly give written notice to Contractor, and shall use best efforts to deliver such written notice within ten (10) Business Days. The notice must include a copy of such written notice of claim, or, if the Indemnified Person did not receive a written notice of claim, a description of the indemnification event in reasonable detail and the basis on which indemnification may be due. Such notice will not stop or prevent an Indemnified Person from later asserting a different basis for indemnification. If an Indemnified Person does not provide this notice within the ten (10) Business Day period, it does not waive any right to indemnification except to the extent that Contractor is prejudiced, suffers loss, or incurs additional expense solely because of the delay.

18.3 Defense. Contractor, at Contractor's own expense, shall defend each such action, suit, or proceeding or cause the same to be resisted and defended by counsel designated by the Indemnified Person and reasonably approved by Contractor (provided that in all instances the County Attorney of Fulton County Georgia shall be acceptable, and, for the avoidance of doubt, is the only counsel authorized to represent the County). If any such action, suit or proceedings should result in final judgment against the Indemnified Person, Contractor shall promptly satisfy and discharge such judgment or cause such judgment to be promptly satisfied and discharged. Within ten (10) Business Days after receiving written notice of the indemnification request, Contractor shall acknowledge in writing delivered to the Indemnified Person (with a copy to the County Attorney) that Contractor is defending the claim as required hereunder.

18.4 Separate Counsel.

18.4.1 Mandatory Separate Counsel. In the event that there is any potential conflict of interest that could reasonably arise in the representation of any Indemnified Person and Contractor in the defense of any action, suit or proceeding pursuant to Section 18.3 above or in the event that state or local law requires the use of specific counsel, (i) such Indemnified Person may elect in its sole and absolute discretion whether to waive such conflict of interest, and (ii) unless such Indemnified Person (and, as applicable, Contractor) elects to waive such conflict of interest, or in any event if required by state or local law, then the counsel designated by the Indemnified Person shall solely represent such Indemnified Person and, if applicable, Contractor shall retain its own separate counsel, each at Contractor's sole cost and expense.

18.4.2 Voluntary Separate Counsel. Notwithstanding Contractor's obligation to defend a claim, the Indemnified Person may retain separate counsel to participate in

(but not control or impair) the defense and to participate in (but not control or impair) any settlement negotiations, provided that for so long as Contractor has complied with all of Contractor's obligations with respect to such claim, the cost of such separate counsel shall be at the sole cost and expense of such Indemnified Person (provided that if Contractor has not complied with all of Contractor's obligations with respect to such claim, Contractor shall be obligated to pay the cost and expense of such separate counsel). Contractor may settle the claim without the consent or agreement of the Indemnified Person, unless the settlement (i) would result in injunctive relief or other equitable remedies or otherwise require the Indemnified Person to comply with restrictions or limitations that adversely affect or materially impair the reputation and standing of the Indemnified Person, (ii) would require the Indemnified Person to pay amounts that Contractor or its insurer does not fund in full, (iii) would not result in the Indemnified Person's full and complete release from all liability to the plaintiffs or claimants who are parties to or otherwise bound by the settlement, or (iv) directly involves the County (in which case the County of Fulton County, Georgia shall be the only counsel authorized to represent the County with respect to any such settlement).

Notwithstanding anything contained in this Agreement, the obligation of the County to make payments provided under this Agreement shall be subject to annual appropriations of funds thereof by the governing body of the County and such obligation shall not constitute a pledge of the full faith and credit of the County within the meaning of any constitutional debt limitation. The Director of Finance shall deliver written notice to the Contractor in the event the County does not intend to budget funds for the succeeding Contract year.

Notwithstanding anything contained in this Agreement, if sufficient funds have not been appropriated to support continuation of this Agreement for an additional calendar year or an additional term of the Agreement, this Agreement shall terminate absolutely and without further obligation on the part of the County at the close of the calendar year of its execution and at the close of each succeeding calendar year of which it may be renewed, unless a shorter termination period is provided or the County suspends performance pending the appropriation of funds.

Quote valid for 30 days. Payment of invoices are due within 30 days from date of invoice unless other terms are issued. Late payments are subject to interest charges of the lesser of 1½% per month or the maximum amount allowed by law. All prices subject to change without notice. Supply subject to availability. This Quote is subject to Presidio's Standard Terms and Conditions below. Any changes to the following Terms and Conditions must be accepted in writing by Presidio, otherwise, CLIENT agrees to be bound by the following Terms and Conditions and pricing contained herein:

Pricing

- Quoted prices exclude applicable taxes. Invoicing will include applicable taxes unless a valid tax exempt certificate is provided.
- The price included herein reflects a 3% discount for payment by cash, check or wire transfer. This discount will not apply in the event that CLIENT pays using a credit card or debit card.
- Prices exclude freight, handling or insurance (unless itemized in the quote).
- Pricing for Professional Services are best-effort estimates only. Actual pricing will be finalized as part of a mutually-agreeable Statement of Work.

Invoicing

- CLIENT is billed upon shipment from the manufacturer and shall accept and pay for partial shipment of products.
- Usage-Based Services Terms and Conditions. For Usage-Based Services purchased by CLIENT, Presidio shall invoice CLIENT once a month. Notwithstanding the amounts included on the applicable purchase order, the invoice for Usage-Based Services will vary from month to month based upon CLIENT's usage and CLIENT shall be obligated to pay all charges for the Usage-Based Services used by CLIENT in the previous month. If CLIENT is delinquent in its payment obligations for the Usage-Based Services, then, upon reasonable, prior notice, Presidio reserves the right to suspend or discontinue such services at its sole discretion. CLIENT acknowledges and agrees that such discontinuation or suspension by PRESIDIO will not constitute a breach of PRESIDIO'S obligations to CLIENT. CLIENT agrees to indemnify and hold harmless PRESIDIO for any resulting damages due to the suspension or discontinuation of the Usage-Based Services due to CLIENT's delinquent or non-payment.
- Enterprise Software, Licensing and Subscription Services ("Enterprise Agreement"). For Third-Party-provided, enterprise-based software licensing and services, Presidio shall invoice CLIENT according to the terms of the Enterprise Agreement between CLIENT and the Third Party. If CLIENT is delinquent in its payment obligations hereunder, then, upon reasonable, prior notice, Presidio reserves the right to suspend or discontinue such services at its sole discretion. CLIENT acknowledges and agrees that such discontinuation or suspension by PRESIDIO will not constitute a breach of PRESIDIO'S obligations to CLIENT. CLIENT agrees to indemnify and hold harmless PRESIDIO for any resulting damages due to the suspension or discontinuation of the services due to CLIENT's delinquent or non-payment.

Freight, Handling, Shipping

- CLIENT will be billed for Presidio's and/or the manufacturer's freight charges.
- Title/Risk of loss passes to CLIENT Freight on Board (FOB) origin (FOB destination (CONUS) applicable to Federal Government CLIENTS only) unless otherwise agreed to in writing by Presidio. Orders shipped from a manufacturer to Presidio at CLIENT request for warehousing, configuration, storage or otherwise, shall be deemed to have been shipped to CLIENT FOB origin.
- Presidio accepts no responsibility / liability in connection with the shipment.
- International delivery services include (i) Consolidated billing in USD for all international deliveries (ii) Consolidated contracting with one entity, namely Presidio (iii) Single point of contact (iv) Freight forwarding including exportation permits, application of tariff headings, customs clearance (including import permits, licenses, certificates) (v) Asset Management, Tracking & Reporting.
- Goods held in a Presidio warehouse either a) at the CLIENT's request or b) in the event CLIENT refuses to accept delivery, may be subject to warehousing fees of 1% of the list price of such goods.

Warranty and Limitation of Liability

- Product is warranted by the Manufacturer, not by Presidio. Please consult Manufacturer for warranty terms. IN NO EVENT SHALL PRESIDIO BE LIABLE TO CLIENT FOR ANY INDIRECT, INCIDENTAL, SPECIAL, CONSEQUENTIAL, EXEMPLARY, OR PUNITIVE DAMAGES OF ANY KIND WHATSOEVER, ARISING IN CONTRACT, TORT OR OTHERWISE, EVEN IF ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. PRESIDIO'S ENTIRE LIABILITY AND CLIENT'S EXCLUSIVE REMEDY FOR DAMAGES FROM ANY CAUSE WHATSOEVER, INCLUDING, BUT NOT LIMITED TO, NONPERFORMANCE OR MISREPRESENTATION, AND REGARDLESS OF THE FORM OF ACTIONS, SHALL BE LIMITED TO THE AMOUNT WHICH HAS BEEN ACTUALLY PAID TO PRESIDIO BY CLIENT FOR PRODUCTS HEREUNDER.

Return Policy

- CLIENTS return rights are subject to the return policies (& fees including restocking) of the applicable manufacturer
- A Presidio-issued Return Material Authorization (RMA) is required & needs to accompany returned items before any credit is issued to a CLIENT. Presidio reserves the right to deny RMA requests in the event the Manufacturer will not provide for an authorized return. If integration of product is performed at a Presidio facility, transfer of ownership occurs as of inception of integration regardless of shipment terms as manufacturers will not accept return of open product.
- CLIENTS have 15 calendar days from original ship date to request a RMA (unless shorter period is required by manufacturer)
- Items returned must be in original shipping cartons, unopened, unused, undamaged and unaltered failing which Presidio is entitled to reject acceptance of items or charge further fees
- The CLIENT is responsible for shipping fees to the destination highlighted in the RMA
- Opened software cannot be returned

Cancellation Policy

- CLIENT's cancellation of purchase order rights are subject to the cancellation policies (& fees) of the applicable manufacturer

Leases

- In the event Presidio does not receive payment for leased goods purchased on the CLIENT's behalf from the applicable third-party financing entity, CLIENT is obligated to pay Presidio for all such goods as indicated in the applicable Presidio invoice.

Software terms

- Software is subject to the license terms that accompany it.
- License terms are established between the CLIENT & owner of the software
- Unless Presidio is the owner or licensor, Presidio makes no representations and/or warranties relating to its operation, ownership or use.
- Delivery of software licenses are agreed to be accepted in electronic form from the third party software company. Otherwise, you agree to self-accrue any applicable sales tax at the rate in effect for the jurisdiction

Term and Termination of Orders: Usage-Based Services, Enterprise Agreements and Multi-Year Orders

- The terms of use for Usage-Based Services (i.e. Cisco-provided WebEx or Software as a Service (SaaS)) are established by the applicable third-party provider of such services either at the applicable third-party provider website or via the separate agreement between CLIENT and third-party provider.
- The "Initial Term" of an order for Usage-Based Services and/or Enterprise Agreement ("Order") starts on the date the Usage-Based Services and/or Enterprise Agreement are available for use by CLIENT and lasts for the time period stated in the Order. After the Initial Term, unless prohibited by applicable law, there will be an automatic "Renewal Term" of the same length of time unless CLIENT notifies Presidio in writing that CLIENT does not want to renew at least sixty (60) days before the end of the then current Initial Term or Renewal Term. If the fees will change for the Renewal Term, Presidio will notify CLIENT reasonably in advance of the Renewal and in time for CLIENT to accept or reject renewing the Usage-Based Services and/or Enterprise Agreement. If CLIENT agrees with the fee changes, CLIENT may do nothing and the new fees will apply for the upcoming Renewal Term.
- Either party may terminate an Order by providing the other party written notice of termination at least sixty (60) days before the end of such Initial or Renewal Term. The termination will be effective on the last day of the Initial or Renewal Term and CLIENT will pay for the Usage-Based Services and/or Enterprise Agreement until the end of the current Initial or Renewal Term regardless of when CLIENT provided notice. Notwithstanding the foregoing, Usage-Based Services and Enterprise Agreements ordered are strictly non-cancelable during the Initial Term or Renewal Term except as otherwise provided in the applicable Service Terms and/or otherwise agreed upon in writing by Presidio. CLIENT will not be entitled to any refund for terminated Usage-Based Services or Enterprise Agreements during the Initial Term or Renewal Term except as agreed upon in writing by Provider and/or Presidio

Multi-Year Agreements

- For multi-year agreements, CLIENT expressly agrees to enter into a binding, non-cancelable agreement per the billing schedule set forth in the quote. THE CLIENT ACKNOWLEDGES AND AGREES THAT THE CLIENT'S AGREEMENT AND PAYMENTS FOR A MULTI-YEAR TRANSACTION ARE ESSENTIAL ELEMENTS OF THE BASIS OF THE BARGAIN BETWEEN THE PARTIES FOR MULTI-YEAR AGREEMENTS, SUCH THAT PRESIDIO WOULD NOT HAVE ENTERED INTO A MULTI-YEAR TRANSACTION WITHOUT SUCH AGREEMENT.

Cisco Enterprise Agreement Program Terms and Conditions for End Users

These terms and conditions together with the applicable Enrollment Descriptions and EUIF (collectively, “EA Program Terms”) govern any Suites that You order under the Cisco Enterprise Agreement Program (“**Purchased Suites**”). The EA Program Terms do not modify the terms of any Cisco products or services You purchase outside of the Cisco Enterprise Agreement Program.

By signing these terms and conditions You agree to the EA Program Terms and the Licensing Documents. If You do not agree to the EA Program Terms or Licensing Documents, You may not Consume the Software or Cloud Services. Notwithstanding the foregoing, You are not obligated to make a purchase by entering into the EA Program Terms, and neither the EA Program Terms nor the Licensing Documents will apply until You place an order as further described in section 1, below.

1. **Orders.** To purchase Suites under the EA Program Terms, You must first submit the applicable EUIF and Enrollment Description signed by Your authorized representative to the Approved Source. The EUIF must list: (a) Your Participating Affiliates; (b) the Purchased Suites; (c) the Suite Term; and (d) accurate Meter counts for You and all Participating Affiliates. You will then be required to place an order for the Purchased Suites according to the process set forth in Your purchasing agreement with the Approved Source.
2. **Access To Purchased Suites.** Subject to Your payment of the applicable fees to the Approved Source, Cisco will grant You and all Participating Affiliates the right to Consume the Purchased Suites during the Suite Term via the EA Workspace or as otherwise set forth in the applicable Enrollment Description. You must pay for all Software and Cloud Services Consumed. You are responsible for keeping all login credentials to the EA Workspace secure and for the actions of any individual You or a Participating Affiliate authorize to access the EA Workspace, including payment for any Software or Cloud Services Consumed by such individuals.
3. **Enterprise-wide Commitment.** The Approved Source relies on the information You provide in the EUIF to establish the Enterprise-wide Commitment. During the Suite Term, Your payment obligation related to the Enterprise-wide Commitment may increase as a result of any of the following: (a) You exceed the Initial Growth Cap (as described in section 5); (b) You exceed the Initial Entitlement or the previous year’s Entitlement subject to a True Forward (as described in section 6); or (c) You purchase an additional Suite (as described in section 9).
4. **Term & Termination.**
 - a. **Term.** The Term of the EA Program Terms will commence on the date of signature below and continue so long as there is an active Purchased Suite, unless earlier terminated in accordance with section 4(c)(i), below.
 - b. **Suite Term.** The Suite Term for each Purchased Suite will commence on the Suite Start Date and last for the period set forth in the EUIF, unless terminated in accordance with section 4(c)(i), below.
 - c. **Termination.**
 - i. Either party may terminate the EA Program Terms or a Purchased Suite if the other party materially breaches the EA Program Terms and does not cure the breach within 30 days of written notice of the breach.
 - ii. In the event of Your uncured material breach of the EA Program Terms for non-payment of fees to the Approved Source, Cisco may, in lieu of termination of the Program Terms pursuant to section 4(c)(i), suspend Your right to Consume the Software and Cloud Services in the Purchased Suite and suspend Your access to the EA Workspace, until Your breach has been cured.
 - iii. In the event of Your termination for Cisco’s uncured material breach of the EA Program Terms, Cisco will refund to the Approved Source (or You, if You purchased directly from Cisco) any fees You paid covering the period after the effective date of termination.

- iv. Other than as provided in this section 4 and to the extent permitted by law, the EA Program Terms and any orders placed thereunder are non-cancellable and may not be terminated.
- d. **Effect of Termination; End of Suite Term.** Upon termination or at the end of the Suite Term:
- i. The following rights will terminate with respect to the Purchased Suites: (1) Your right to Consume Cloud Services and Software; (2) Your right to access the EA Workspace; (3) Your right to receive Support Services; and
 - ii. You must destroy the product activation keys (PAKs) provided in connection with the Purchased Suites.
5. **Initial Growth Cap.** If You exceed the Initial Growth Cap during the first six months of the Suite Term, the Approved Source may charge You for such Consumption above the Initial Growth Cap. If the Purchased Suite includes a Growth Allowance (described in the applicable Enrollment Description), the Growth Allowance cannot be used to offset fees for exceeding the Initial Growth Cap.
6. **True Forward.**
- a. Cisco performs a True Forward for the Purchased Suites on each anniversary of the Suite Start Date. On the first anniversary of the Suite Start Date, if You have exceeded the Initial Entitlement, the Approved Source will charge You for the Consumption above the Initial Entitlement through the remainder of the Suite Term. On each subsequent anniversary of the Suite Start Date, the Approved Source will charge You for any Consumption above the previous year's Entitlement through the remainder of the Suite Term.
 - b. Your True Forward payment obligation for each Purchased Suite will be calculated by comparing Your Consumption of Software and Cloud Services to Your Entitlement for the previous year. Any payment owed to the Approved Source will be determined as follows and reflected in the price quote from the Approved source: the unit price less any applicable discount or incentive multiplied by the quantity by which You exceeded Your then-current Entitlement. The price used to calculate any True Forward fees will be established when You place the order for each Purchased Suite.
 - c. For some Suites, a portion of Your True Forward payment obligation may be offset by the residual value remaining in Software or Cloud Services in the same Suite. This process is called value shift, and the applicable Enrollment Description indicates whether and to the extent value shift applies to a given Suite.
 - d. There is no fee for exceeding the Entitlement in the final year of the Suite Term.
7. **Updates to Purchased Suites.** Cisco may enhance or refine the Purchased Suites at no additional cost to You. Such updates will not materially reduce the core functionality of the Purchased Suites.
8. **End of Life.** Notwithstanding anything in the EA Program Terms to the contrary, Cisco reserves the right to discontinue a Suite with at least three years' prior notice. If a Purchased Suite is discontinued, Cisco will either: (a) provide You a substantially similar replacement Suite for the remainder of the Suite Term; or (b) issue a credit to the Approved Source (or You, if You purchased directly from Cisco) for any fees You paid for the Purchased Suite covering the period after the last date such Purchased Suite is available for You to Consume. Such credit can be applied towards the future purchase of Cisco products and services.
9. **Purchasing Additional Suites.** You may purchase additional Suites by submitting a new EUIF and order to the Approved Source. Additional Suites may co-terminate with a pre-existing Purchased Suite provided there are at least 12 months remaining in the Suite Term of such pre-existing Purchased Suite. Otherwise, additional Purchased Suites will be given a new Suite Term and will be subject to the then-current EA Program Terms in accordance with section 10, below.

10. **Modifications.** As our business evolves, Cisco may modify the EA Program Terms. Updated EA Program Terms do not apply to pre-existing Purchased Suites or to future orders that co-terminate to a pre-existing Purchased Suite, which will be governed by the version of the EA Program Terms already in effect for the pre-existing Purchased Suite.
11. **Participating Affiliates.** You are responsible for Your Participating Affiliates' compliance with the EA Program Terms.
12. **Support Services.** Basic Support Services are included in the price of the Purchased Suite and described in the applicable Enrollment Description and Licensing Documents. Higher levels of Support Services may be available for You to purchase and, if You elect to do so, will be described in documentation provided to You at the time of purchase.
13. **Importation Fee for Embedded Software.** For Purchased Suites that include Embedded Software, the value of Embedded Software will be deducted from the purchase price of the related Cisco hardware. If You are required to pay an Importation Fee, Your jurisdiction may use the value of both the hardware and Embedded Software to calculate the Importation Fee. Accordingly, the Importation Fee on the value of the combined products may be higher than if calculated solely using the price of the hardware.
14. **Delivery of Embedded Software.** Embedded Software is delivered pre-installed on Cisco hardware to the address provided on the purchase order for the Cisco hardware. Your use of the smart licensing account Cisco designates for the Embedded Software will ensure accurate pricing of the Embedded Software.
15. **No Assignment & Transfer.** Neither the EA Program Terms, nor any right or obligation herein may be assigned or transferred by a party (including under Cisco's Software Transfer and Relicensing Policy) without the other party's prior written consent, which may not be unreasonably conditioned, withheld, or delayed. Any attempted assignment without the other party's consent shall be void and of no effect. Notwithstanding the foregoing, Cisco may assign the EA Program Terms and any right or obligation herein to a Cisco Affiliate without Your consent.
16. **Verification.** Upon reasonable request from Cisco, You will assist Cisco in verifying the quantity of Software and Cloud Services that You have Consumed. If the verification discloses Consumption above Your then-current Entitlement, the Approved Source will charge You for the excess Consumption in accordance with the EA Program Terms.
17. **Combined Discounts.** The pricing, discounts, and other incentives offered in connection with a Purchased Suite may not be combined with any other price reductions, discounts, promotional pricing, rebates, credits, trade-in, or other pricing programs or incentives offered by Cisco unless expressly agreed by Cisco in writing.
18. **Entire Agreement.** The EA Program Terms constitute the entire agreement between the parties concerning the Cisco Enterprise Agreement Program and supersede all prior oral or written communications between the parties concerning the program.
19. **Order of Precedence.** The documents comprising the EA Program Terms are complimentary, and to the extent possible, construed and interpreted consistently. In the event of an inconsistency, conflict, or ambiguity between the EA Program Terms, the order of precedence for any Purchased Suite is first the EUIF, then the Enrollment Description, and then these terms and conditions. The EA Program Terms take precedence over the applicable Licensing Documents.

Supplemental Terms and Conditions

Applicable Meters

The Meter for the Cisco Collaboration Flex Plan Enrollment is the number of Deployed Knowledge Workers.

“Deployed Knowledge Worker” means a Knowledge Worker who has a profile configured within the Software or Cloud Service provisioning platform and associates that profile with the applicable desk phone, Jabber client, Webex Teams client, mobile phone, video device, or personal computing device. You must assign each Knowledge Worker a cloud, on-premises, or hosted account to be treated as a single Deployed Knowledge Worker. A Knowledge Worker who is assigned more than one configuration (cloud, on-premises, or hosted) will be counted as multiple Deployed Knowledge Workers. If at any time during the Term You change a Deployed Knowledge Worker’s deployment type, You may be required to pay additional applicable fees immediately upon such change. **“Knowledge Worker”** means an employee or contractor who utilizes devices capable of running the Software, Cloud Services, or related browser plug-ins as part of their job duties.

If You purchase the Cisco Collaboration Flex Plan for Education Meetings Enterprise Agreement Suite, Your Students may Consume the Purchased Suite free of charge. **“Student”** means an individual who is currently enrolled or registered at Your institution for academic study on a full- or part-time basis. Employees, contractors, alumni, former students, prospective students, and students on an extended leave or indefinite absence are not considered Students. You will be required to provide a Student count on the EUIF. Thirty days prior to the True Forward event, you or your Reseller must update your order to reflect the number of Students provisioned at that time, which will be used to determine if you have exceeded your Growth Allowance. Failure to update your subscription will result in the additional Students being counted as Deployed Knowledge Workers for purposes of the True Forward.

Access to Purchased Suites

The Cisco Collaboration Flex Plan Enrollment does not utilize the EA Workspace. Subject to Your payment of the applicable fees to the Approved Source, Cisco will grant You and all Participating Affiliates access to the Purchased Suites via automated integrated electronic delivery tools and email notification to the point of contact designated in the order.

Purchasing Additional Suites

During the Suite Term, You may add another Cisco Collaboration Flex Plan Suite without submitting a new EUIF.

Common Area Licenses

Common area licenses are calling licenses not associated with Knowledge Workers that are intended to be used in lobbies, conference rooms, and other public spaces. If Your Consumption of common area licenses exceeds 50% of Your then-current Deployed Knowledge Worker count, the Approved Source may charge You for such excess Consumption.

Term and Termination

At the end of the Suite Term, the Purchased Suite will automatically renew for one year (a **“Renewal Suite Term”**) unless: (a) You elect on the order not to auto-renew; or (b) at least 30 days before the end of then-current Suite Term, You notify the Approved Source of Your intention not to renew the Purchased Suite. If the Growth Allowance has not been exceeded, the Purchased Suite will renew for the Knowledge Worker count on the EUIF. If the Growth Allowance has been exceeded, the Purchased Suite will renew for the Deployed Knowledge Worker count at the end of the then-current Suite Term.

Notwithstanding the foregoing, the Approved Source will notify You of any fee changes reasonably in advance of the Renewal Term. The new fees will apply for the upcoming Renewal Term unless You notify the Approved Source that You do not accept the fee changes before the next Suite Start Date.

Growth Allowance

The Growth Allowance for the Cisco Collaboration Flex Plan Enrollment is 20%. During the Suite Term, You may Consume up to 120% of the Initial Entitlement without incurring any additional charges. The True Forward is calculated once You exceed the Growth Allowance. For clarity, if You exceed the Initial Entitlement but do not exceed the Growth Allowance, You will not incur any True Forward charges.

Support Services

The basic Support Services are set forth in the Cisco Collaboration Flex Plan OD.
