## **General Contract Information**

Through strategically sourced procurement, the State Purchasing Division of the Department of Administrative Services has established a new Statewide Contract(s) for Language Services, (99999—001-SPD0000136) with 9 suppliers. This new statewide contract replaces the prior statewide contract titled Temporary Staffing- Clerical & Light Industrial (SWC80781), which was awarded from January 2008 to 2017.

This statewide contract is a CONVENIENCE CONTRACT for all state of Georgia governmental entities subject to the State Purchasing Act. The statewide contract is also available on a Mandatory basis to all other governmental entities in the state of Georgia, including state authorities, local governments, municipalities, cities, townships, and counties. The contract term is from July 01, 2017, to June 30, 2019. In addition, the State has three (3) one-year renewals through June 30, 2022. The contract has been extended as the new solicitation is underway. It is on its fifth extension.

The purpose of this contract is to provide a reliable supply of temporary staffing services to meet the diverse needs of state and local government entities. For purposes of this eRFP, temporary staffing services have been separated into five (5) distinct categories based on (1) job families consisting of commonly grouped job titles or (2) other related support services closely associated with providing temporary staffing resources as follows: (a) Administrative Staffing (b) Professional Staffing (c) Industrial Staffing (d) Healthcare Staffing (e) Other Staffing Related Services. All Suppliers were awarded to serve the 5 regions.

### **Key Benefits of the Contract:**

- Agencies or eligible public bodies don't need to run their own full procurement; they can simply issue purchase orders to vendors already vetted under this contract.
- Rates are established and reviewed by the Georgia Department of Administrative Services (DOAS), ensuring cost-effective staffing.
- Competitive pricing and cost savings
- Administrative Efficiency & Faster Procurement: saves time and reduces paperwork
- The contract complies with procurement Law; it is audit-ready and fully compliant
- This contract supports short-term, long-term, and project-based staffing needs across a wide range of roles.
- Conversion flexibility (via amendment), allowing conversion of temporary staff to full-time positions under defined terms.
- This contract provides choice and flexibility for multiple vendors awarded across various categories and skill levels under the same contract
- It is available to state agencies, local governments, universities, and other authorized users.

## **UPDATE: Amendment- EFFECTIVE DATE: 7/1/2021**

Where the State agency seeks to change the status of an administrative temporary staffing resource, acquired under this Statewide contract, from temporary to permanent status, the following method shall be used to determine any applicable conversion fees due to the Statewide Contract supplier:

**CONVERSION FEE:** If, prior to completing 520 hours of a work assignment, the contractor converts to a full-time role, a fee equal to 160 hours of the rate of pay will be used

Step 1: The temporary resource meets the administrative temporary staffing conversion requirements

Step 2: Please contact the Statewide Contract Supplier Contract Manager to complete the resource conversion fee process  
**Affordable Care ACT Fee:** Contractor acknowledges the State's intent to take advantage of the Safe Harbor provision relevant to third-party employment arrangements between Applicable Large Employers and temporary staffing firms in compliance with the Code, rules, regulations and other official guidance, under which an offer of coverage by the temporary staffing firm is deemed an offer of healthcare coverage by User Agencies. Contractor further acknowledges that the fees a User Agency pays to Contractor include an additional fee attributable to those individuals with MEC.

This additional fee shall be **\$ 2.00** per Contractor's Employee per month of MEC, as indicated in Contractor's cost proposal as ACA Safe Harbor Provision Fee", and shall be designated "ACA Compliance Charge" (or similar) on Contractor's invoice. The ACA Compliance Charge may appear as an aggregate total in the last weekly invoice of the month. Each of Contractor's last weekly invoices to a User Agency shall identify the number of Contractor's Employees who provided services to the User Agency during any portion of the month and, if different, separately identify the number of Contractor's Employees with MEC.
