| Behavioral Health   | U.S. Department of Health & Human Services (SAMHSA) | FY 2021 Resiliency in Communities After Stress and Trauma (ReCAST) | Request approval to apply and accept a new grant award in the amount of \$4,820,283.83 from the U.S. Department of Health & Human Services (Substance Abuse and Mental Health Services Administration) to establish "The SPOT", an innovative "drop-in" facility that presents an opportunity to create true social justice innovation through the development of a trauma-informed typology of behavioral health center that responds to the needs and experiences of people who have experienced disparity, disrespect, and racial discrimination when they have sought help before. The Fulton County Department of Behavioral Health & Developmental Disabilities (BHDD) will collaborate with the Georgia Mental Health Consumer Network on this project. The overall purpose of this initiative is to provide peer support and connection to culturally-responsive and appropriate services to high-risk youth and families, and to promote resilience and equity through a trauma-informed, recovery-focused, peer-led community behavioral health center in Fulton County. This will be achieved by building a community coalition of new and existing stakeholders in public health, public safety, criminal justice, and community advocacy to respond to the needs of people impacted directly or indirectly by the civil unrest in Fulton County in 2020 and the underlying causes of that unrest.<br>No County Cash Match. | \$ 4,820,283.83        | \$ -         | Pending |
