The Recipient shall carry out and perform such activities as described in Exhibit D, in a satisfactory and proper manner. Recipient acknowledges that the goods and/or services described in Exhibit D shall be used not only for the benefit of Recipient, but also in furtherance of the regional goals of UASI. Should Recipient become incapable of utilizing any goods or equipment provided hereunder, then Recipient agrees to make same available to another local jurisdiction at UASI's direction. Recipient's failure to either utilize any goods or equipment provided hereunder, or to make same available to another local jurisdiction, may result in a loss of funding and/or equipment to Recipient. replacement, training and insurance. By its acceptance of the goods or equipment provided hereunder, Recipient covenants and agrees to actively participate in any regional exercises which contemplate or require the use of such goods or equipment.

3. **Cost.** All costs associated with the Project shall be paid by UASI in accordance with the terms and conditions set forth in Exhibit D, attached hereto and made a part hereof. Recipient acknowledges that the cost of the Project as shown in Exhibit D is an approximation of the total cost of the Project but does not necessarily reflect the final actual cost of same. At the conclusion of the Project, UASI shall provide Recipient with an appropriate document which accurately reflects the actual retail value of all equipment and/or services provided to Recipient associated with the Project. In addition to the terms and conditions expressed in Paragraph 2 hereinabove, Recipient agrees that should all or any portion of the grant funds used for or in connection with the project described herein subsequently be disallowed for any reason by DHS, GEMA or any other concerned funding agency (whether by virtue of audit or otherwise), then, in that event, upon demand, Recipient either shall return the equipment purchased with such disallowed funds in good condition (allowing for reasonable wear and tear) or reimburse UASI in cash for the fair market value of such equipment (or services).
4. **Compliance with Grant Contract.** Recipient agrees to be bound by all of the applicable terms and conditions of the Grant Contract (Exhibit E) including, but not limited to, the provisions regarding Exhibits, Reimbursement and Reporting Requirements, Audits, Financial Regulations and Guides, National Initiatives, and Special Conditions.

Each party hereto further agrees to comply with the requirements of O.C.G.A. §13-10-90 et seq., and Georgia Department of Labor Rules 300-10-1-.02 et seq. to verify a contractor's or subcontractor's new employee's work eligibility through a federal work authorization program. Further, the parties agree to comply with the regulations, policies, guidelines and requirements set forth in OMB Circulars A-87 and A-133, as appropriate.
6. **Procedures for Handling Critical Infrastructure Information ("PCII").** Recipient recognizes that during the term of this Agreement, Recipient will or may have access to, handle, use, or store critical infrastructure information ("CII") that enjoys protection under the Critical Infrastructure Information Act of 2002 ("CII Act"). Consequently, Recipient covenants and agrees to comply with the regulations promulgated by the Secretary, Department of Homeland Security, pursuant to the CII Act regarding the Procedures for Handling Critical Infrastructure Information ("PHCII") (6 CFR Part 29), as may be amended from time to time, as well as with all relevant requirements of the PCII Program (as defined in the regulations). All persons granted access to Protected Critical Infrastructure Information ("PCII") are responsible for safeguarding such information in their possession or control. PCII shall be protected at all times by appropriate storage and handling. Recipient shall not remove any "PCII" markings from any information. Each person who works with PCII is personally responsible for taking proper precautions to ensure that unauthorized persons do not gain access to it. The unauthorized release of PCII may result in criminal and/or

administrative penalties. Recipient hereby acknowledges that its failure to comply with the above-referenced regulations and the PCII Program will constitute a material breach of the terms of this Agreement.”

7. **Nondisclosure of Confidential Information.** In the furtherance of this Agreement, it may be necessary or desirable for UASI to disclose to Recipient certain confidential information, including, without limitation, writings, drawings, computer software, documentation and hardware, and UASI wishes to prohibit the unauthorized use and disclosure of same by the Recipient. For the purpose of this Agreement, "Confidential Information" shall mean all information received by Recipient from UASI, unless otherwise explicitly marked or designated. Failure to mark Confidential Information as "Confidential" shall not be deemed to operate as a waiver of any rights hereunder. Recipient acknowledges that the Confidential Information is and shall remain the sole and exclusive property of UASI and that UASI has the exclusive right, title and interest to such Confidential Information. No right or license, by implication or otherwise, is granted by UASI as a result of this Agreement or as a result of any disclosure of Confidential Information. Information initially furnished verbally or visually and identified beforehand as confidential at the time of disclosure shall be reduced to writing and confirmed as Confidential Information in a written statement that fully identifies the material considered confidential within fifteen (15) business days after its initial disclosure. During that fifteen (15) business day period, the latter information shall be protected, but failure so to identify, reduce to writing, mark and deliver such verbally or visually disclosed information in the manner prescribed shall relieve Recipient of all obligations of protection with respect to said disclosed information thereafter.

Recipient shall maintain all Confidential Information in confidence and shall not disclose same to any third party. In protecting such information from disclosure, Recipient shall use at least the same degree of care as it normally uses in the protection of its own confidential and proprietary information of like kinds. Recipient further agrees that it will not (i) use any Confidential Information received except for the purposes contemplated by this Agreement, (ii) disclose same to persons in its organization without a "need to know", or (iii) make unnecessary copies of same. Upon discovery of an unauthorized, inadvertent or accidental disclosure, Recipient shall promptly notify UASI of such disclosure and shall take all reasonable steps to retrieve the disclosure and prevent further such disclosures.

The restrictions herein shall not apply with respect to Confidential Information which:

Is or becomes known to the general public without breach of this Agreement; or

Was previously known to the Recipient or was possessed by it without restriction prior to any disclosure hereunder; or

Is or has been lawfully disclosed to Recipient by a third party without an obligation of confidentiality; or

Is disclosed pursuant to judicial action or government regulations.

Recipient shall not disclose any Confidential Information furnished hereunder in any manner contrary to the laws and regulations of the United States of America, or any agency thereof, including but not limited to Export Administration Regulations of the U.S. Department of Commerce and U.S. Department of State. This obligation shall survive any termination or expiration of this Agreement, and shall be independent of any other obligations, any limitations thereon, and any exceptions thereto, which may be stated elsewhere in this Agreement.

9. **Termination:**

a. **Cause/Default:** Should either party to this Agreement substantially violate or default on any material term or provision of this Agreement, the non-defaulting party shall, in addition to any other legal or equitable remedies provided by law, have the right to terminate this Agreement after first providing the defaulting party with written notice, which shall specify the alleged violation or default with reasonable particularity, and which shall initiate a thirty-day time period for an opportunity to cure such violation(s) or default. If after the appropriate period of time the defaulting party is unwilling or unable to cure its default, then the non-defaulting party shall have the right to terminate this Agreement effective immediately. Upon termination of this Agreement, neither party shall incur any new obligations after the effective date of the termination and shall cancel all outstanding obligations as soon as possible.

b. **Convenience:** This Agreement may be cancelled or terminated by either of the parties without cause; however, the party seeking to terminate or cancel this Agreement must give written notice of its intention to do so to the other party at least ninety (90) days prior to the effective date of cancellation or termination.

c. **Non-Availability of Funding:** Notwithstanding any other provision of this Agreement, in the event that the source of funding for reimbursement under this Agreement (appropriations from the Congress of the United States of America) no longer exists or in the event the sum of all obligations of UASI incurred under this and all other agreements entered into for this program exceeds the balance of such funding, then this Agreement shall immediately terminate without further obligation of UASI as of that moment. The certification by the Director of GEMA of the occurrence of such event shall be conclusive.

10. **Amendment:** This Agreement shall only be amended, modified or changed by writing, executed by authorized representatives of the parties, with the same formality as this Agreement was executed.
11. **Assignment.** Neither party shall assign this Agreement without the prior written consent of the other party hereto. Each party binds itself, its successors, and permitted assigns to all covenants, agreements and obligations contained herein.
12. **Legal Responsibility.** Each party to this Agreement will bear the risk of its own actions. To the extent permitted by law, each party will be responsible for any and all claims, demands, suits, actions, damages, and causes of action related to or arising out of or in any way connected with its own actions and the actions of its officials, employees, or agents in carrying out the terms and conditions of this Agreement.
13. **Disputes.** Any claim, controversy or dispute which cannot be resolved by the parties, related directly or indirectly to this Agreement, shall be resolved by a court of competent jurisdiction. Each party agrees in good faith to participate in a mediation process if requested by the other party with all costs of mediation to be borne equally between the parties.
14. **No Third Party Beneficiary.** Nothing herein expressed or implied is intended to confer on any person, other than the parties hereto or their respective successors and assigns, any rights, remedies, obligations or liabilities under or by reason of this Agreement.
15. **Mutual Negotiations.** The parties hereto have negotiated this Agreement with assistance of legal counsel and, therefore, its terms shall be enforced equally between the parties and there shall be no construction more favorable to either party.

16. **No Waiver.** Either party's failure to insist on strict performance of any term or condition of this Agreement shall not be deemed a waiver of that term or condition even if the party accepting or acquiescing in the nonconforming performance knows of the nature of the performance and fails to object.
17. **Entire Agreement.** The parties acknowledge that they have not been induced to enter into this Agreement by any representation or warranty not set forth in this Agreement. This Agreement, including all Exhibits and Attachments, contains the entire agreement of the parties with respect to its subject matter and supersedes all existing agreements and all oral, written or other communications between them concerning its subject matter.
18. **Effective Date.** The parties acknowledge that if each has received benefit from the other during any period in which no active agreement existed, then all actions and payments made during any such period are hereby ratified by both parties.
19. **Time of the Essence.** Recipient acknowledges that time is of the essence for its obligations under this Agreement.
20. **Severability.** Any provision of this Agreement decreed invalid by a court of competent jurisdiction shall not invalidate the remaining provisions of the Agreement.
21. **Governing Law.** This Agreement shall be governed by and interpreted in accordance with the laws of the state of Georgia.
22. **Force Majeure.** If either party hereto is delayed or prevented from the performance of any act required in this Agreement by reason of acts of God, strikes, lockouts, labor disputes, civil disorder, or other causes without fault and beyond the control of the party obligated, performance of such act will be excused for the period of the delay.
23. **Paragraph Headings.** The paragraph headings in this Agreement are for convenience of reference only and do not define, limit, enlarge, or otherwise affect the scope, construction, or interpretation of this Agreement or any of its provisions.

### NIMS Compliance Form

This NIMS Compliance Form **MUST** be completed by each agency requesting or benefiting from funding.

In federal Fiscal Year 2008, state agencies, tribes, and local governments are considered to be in full NIMSD compliance if they have adopted and/or implemented the FY 2007 compliance activities as determined by the National Incident Management System Capability Assessment Support Tool (NIMSCAST) or other accepted means. This document describes the actions that jurisdictions must have taken by September 30, 2008 to be compliant with NIMS. Homeland Security Presidential Directive 5 (HSPD-5), Management of Domestic Incidents, requires all federal departments and agencies to adopt and implement the NIMS, and requires state and local jurisdictions to implement the NIMS to receive federal preparedness funding. Please check the box next to each action that your organization has completed. For those actions not completed please provide a one-page summary of the plan to complete these actions and fully implement NIMS. ### Approved Detailed Project Description/Cost

#### Citizen Corps

The mission of Citizen Corps is to harness the power of every individual through education, training, and volunteer service to make communities safer, stronger, and better prepared to respond to the threats of terrorism, crime, public health issues, and disasters of all kinds. Metro Atlanta UASI will support the 5 core initiatives of the Citizen Corps program; CERTS, VIPS, Neighborhood Watch, Fire Corps and Medical Reserve Corps. Each participating program must work through their Citizen Corps Council and must encompass the entire program. Metro Atlanta UASI will provide equipment and resources to insure citizens are prepared to respond in the event of a disaster.

There are five critical elements for the successful completion of this project/initiative:

1. Initiation-the completion of the initial investment justification application and subsequent approval by the Change Control Board and/or Senior Policy Group (as applicable) and DHS. This step is completed.
2. Planning-the development of specification and project requirements. The identification of the actual equipment that will be awarded and distributed to the members and the establishment of any professional services contracts that may be required to execute this project. This step is completed.
3. Execution-the actual commencement of the project and implementation of project related activity
4. Monitoring and Control-the validation that the project has been executed as planned per contract and program requirements. Commencement of any auditable actions that verify equipment received, training completed or execution of any exercises that demonstrate improved capability
5. Project Close-out-this confirms all project work is complete, the financial obligations are satisfied and any resources/plans have been institutionalized by the receiving party.

Although Atlanta Fulton County Citizen Corps Council has established all five programs, it is only requesting funding for 3 of the 5 programs from Grant Year 2012.

1. The **Fire Corps** promotes the use of citizen advocates to enhance the capacity of resource-constrained fire and rescue departments at all levels: volunteer, combination, and career. Citizen advocates can assist local fire departments in a range of activities including fire safety outreach, youth programs, and administrative support. Fire Corps provides resources to assist fire and rescue departments in creating opportunities for citizen advocates and promotes citizen participation. The program has requested equipment to provide training and support valued approximately at **\$3929.94**

2. The **Community Emergency Response Team** (CERT) Program educates people about disaster preparedness and trains them in basic disaster response skills, such as fire safety, light search and rescue, and disaster medical operations. Using their training, CERT members can assist others in their neighborhood or workplace following an event and can take a more active role in preparing their community. The program has requested equipment to provide training and support valued approximately at **\$12,632.19**.
3. **Neighborhood Watch** works to provide information, training and resources to citizens and law enforcement agencies throughout the country. In the aftermath of September 11, 2001, Neighborhood Watch programs have expanded beyond their traditional crime prevention role to help neighborhoods focus on disaster preparedness, emergency response and terrorism awareness. No funds have been requested for this program.
4. **Volunteers in Police Service** (VIPS) works to enhance the capacity of state and local law enforcement to utilize volunteers. VIPS serves as a gateway to resources and information for and about law enforcement volunteer programs. The program has requested equipment to provide training and support valued approximately at **\$7901.46**
5. The **Medical Reserve Corps** (MRC) Program which strengthens communities by helping medical, public health and other volunteers offer their expertise throughout the year as well as during local emergencies and other times of community need. MRC volunteers work in coordination with existing local emergency response programs and also supplement existing community public health initiatives, such as outreach and prevention, immunization programs, blood drives, case management, care planning, and other efforts. No funds have been requested for this program.

AFCEMA has requested **\$536.41** for administrative supplies in support of the overall program. The total value of this equipment award is approximately **\$25,000.00**.

Final costs with detailed equipment itemization for each project will be submitted to agency at conclusion of project/equipment award. Exhibit F reflects the details of the equipment award, however, any items awarded must be in compliance and approved by the GEMA Authorized Equipment List.
