Open Hand Atlanta	1380 W Marietta St NW	Atlanta	GA	30318	6	1,2,3,4,5,6

Approach and Design:

Project Open Hand/Atlanta, Inc., Open Hand Medically Tailored Meals for Waitlisted Fulton County Seniors will provide services to **84** clients that reside in Fulton County, with CCSP funding.

Project Open Hand/Atlanta, Inc., will provide the following activities and services in Fulton County with CCSP funding:

As of this February 2024, there are 1175 Fulton County residents who have been screened for medical need for nutrition intervention by the Atlanta Regional Commission (ARC), deemed eligible to receive Open Hand's nutrition services and placed on the waitlist due to lack of funding. 75 of those individuals have been marked as "Tier 1", signifying that they are in a high need category for receiving nutrition services as soon as possible.

Open Hand is seeking emergency gap funding in order to provide medically tailored meals to these individuals on a temporary basis until more resources become available to ensure that no one who has been deemed eligible for our services has to go without assistance. This will immediately address their needs of food security and provide them with a key, home-based community service.

Open Hand Atlanta's medically tailored meals program supports Fulton County CSP's funding priorities under the Senior Services primary service category. By providing Fulton County seniors with hand delivered, nutritious food we are providing a service to older adults that aligns with the strategic priorities for the Fulton County government including improving health outcomes, increasing access to services that enable older adults to remain in the community and age in-place, and providing gap services to older adults that align with the strategic priorities of the Fulton County Government.

By specifically targeting Fulton County seniors who have been waitlisted for our essential nutrition services, this program will also fill the service gap of seniors who report experiences of hunger or go without food which has a demonstrated negative effect on the health outcomes outlined above.

Open Hand takes pride in our extensive network of partnerships that allows us to impact far more people than we ever could working alone. Our more than 135 community partners provide us with client referrals and opportunities to educate across the state.

Open Hand reaches over 11,000 people annually as a result of the relationships we have formed. A partial list of partners includes Grady Hospital, Fulton County Department of Public Health, AID Atlanta, Mercy Care, Fulton-DeKalb Hospital Authority, Kaiser Permanente, United Healthcare and Grady Infectious Disease Program.

CONSUMER DISCLOSURE

From time to time, Carahsoft OBO Fulton County, Georgia (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign, Inc. (DocuSign) electronic signing system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to these terms and conditions, please confirm your agreement by clicking the 'I agree' button at the bottom of this document.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after signing session and, if you elect to create a DocuSign signer account, you may access them for a limited period of time (usually 30 days) after such documents are first sent to you. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. To indicate to us that you are changing your mind, you must withdraw your consent using the DocuSign 'Withdraw Consent' form on the signing page of a DocuSign envelope instead of signing it. This will indicate to us that you have withdrawn your consent to receive required notices and disclosures electronically from us and you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.
