Verification Requirements

In order to utilize the cooperative purchasing, statewide or GSA contract, the User Department/Agency must provide justification for the use of the cooperative purchase and why the particular cooperative contract is most advantageous to the County as it relates to price and other factors.

1. The purpose of this contract is to provide a single source for preventive/scheduled and corrective/unscheduled maintenance services for customers responsible for occupying/managing locations that consist with multiple facilities/buildings and is available for all locations throughout the state. The scope of services includes all the labor and material to perform on-site preventive maintenance services including work on building envelope and structure; site utilities and distribution systems; central utility plants; hot and chilled water systems; natural gas, LP distribution and combustion systems; plumbing, sewer and water control systems; electrical systems and lighting; heating ventilation and air conditioning (HVAC); uninterruptible power supply (UPS) systems; emergency generators; security and alarm systems; fire alarm, fire sprinkler, and fire suppression systems; water towers; kitchen and laundry equipment; pest control services; swimming pools; grounds/landscape and fume hoods.

2. Provide an explanation regarding the cost analysis conducted and why utilizing this contract is best value and advantageous to the County. Saves approximately \$0.87/sq. ft. over historical/projected cost for current contract participants

- The average price for Scheduled/Preventive Maintenance (including cost of materials) is only \$1.00/sq. ft.
- Two (2) options exist for the performance of Unscheduled/Corrective Maintenance which can be used independently or mixed and matched for ultimate flexibility & efficiency)
 - Fixed labor rates for skilled maintenance technicians (non-resident, all trades) available for unscheduled maintenance (normal duty hours, after hours and emergency) at rates 11% (on avg.) below industry benchmarks (labor only, materials additional)
 - Customize a permanent resident maintenance staff (skill types and quantities of maintenance personnel at your discretion) to perform unscheduled/corrective maintenance during normal operating hours for an average price 2¢/sq. ft./tech (labor only, materials additional)
- Low markup on materials used for corrective maintenance repairs
- Improved facility life and operational performance through a staff dedicated to meeting the preventive maintenance needs of all facility equipment; thereby reducing equipment failures and facility operational downtime.
- On-site facility staff and managers supported by regional managers and technicians for fast, complete service and dedicated response to facility requests and emergencies 24/7 response to maintenance issues within each facility to protect life, safety and building operation
- Program includes Computer Maintenance Management System (CMMS) which provides the ability to predict, define, track, and categorize maintenance cost for easier budget analysis and improved facility life cycle management Note: actual prices for preventive maintenance and permanent resident staff may differ per location, average prices based on the weighted avg. price/sq. ft. for all facilities currently on contract
