PROJECT MANAGEMENT

17/20

Rating Excellent: Project Management that exceeds in some areas. Understanding of project objectives, risks and Contract requirements was above average and required little direction from the User Department.

Comments Gresham was assigned some of the more difficult tasks the Public Works Department identified. This was in large part due to their ability to deliver thru excellent project management. They consistently were able to demonstrate their ability to grasp the needs of the County and provide solutions that met expectations with regards to quality.

SCHEDULE

17/20

Rating Excellent: Delivered ahead of original completion date with some effort by Consultant to meet or exceed project milestone dates, or on original schedule with increased scope. At times, proactive approach to monitoring and forecasting of project schedule.

Comments Gresham was able to consistently meet the approved project schedules.

QUALITY OF DESIGN, REPORTS AND DELIVERABLES

20/20

Rating Outstanding: Extraordinary quality of deliverables that exceeds requirements in all areas and finished product presents a degree of innovation in work.

Comments Gresham demonstrated their ability to think outside of the box by incorporating innovative solutions when faced with challenges to their designs by County staff. This demonstrated their ability to take input from staff and deliver high quality designs that met or exceeded expectations.

TECHNICAL SUPPORT DURING CONSTRUCTION

20/20

Rating Outstanding: Expedited and thorough review of Contractor submissions at all times.

Comments Excellent guidance and technical support was given to County staff during the span of this contract. Gresham was chosen as the CM Services lead on the County's largest Public Works Project(Big Creek Upgrade/Expansion).

OVERSIGHT OF CONTRACTOR COMPLIANCE WITH CONTRACT DOCUMENTS

20/20

Rating Outstanding: Outstanding oversight of the Contractor and ability to bring the Contractor into compliance in an expedited manner.
