Dear Chairman Pitts:

In accordance with your request, the adjustment of Water facilities belonging to Fulton County is being included in the Department's contract for the roadway work on the above numbered project.

We are transmitting three counterparts of an undated Contract Item Agreement which sets forth the conditions under which the State agrees to have its Contractor perform the work and by which Fulton County will reimburse the Department for this work. As outlined in Article 8, the non-binding Pre-let estimate not including betterment for this work is **\$57,500.00** of which the Department will bear **0% or \$0.00** and Fulton County will bear **100% or \$57,500.00**. Also, attached is a cost estimate supporting the Agreement.

If the Agreement meets with your approval, please handle for execution on behalf of Fulton County and return all three (3) counterparts to the State of Georgia, Office of Utilities, One Georgia Center, 600 West Peachtree Street, 10th Floor, Atlanta, Georgia 30308, for execution on behalf of the Department. Also, complete the attached resolution form and insert the date of resolution on page 5 of the Agreement. The Official Seal of Fulton County is also required to be affixed to each counterpart in compliance with instructions from our Attorney General's Office.

Also, please provide Fulton County's Federal Employee Identification Number (FEIN) in the blank shown on page 4 of the Agreement.

In accordance with Articles 8, 9, and 10 of the Agreement, the Department shall notify Fulton County in writing the amount due the Department based upon the aforementioned commitment letter at the time of execution. At that time a check for the amount required to perform the work will be requested as outlined in the Agreement.
