

**MEMORANDUM OF AGREEMENT
FOR PARTICIPATION IN THE DISTRICT-WIDE
SINGLE FAMILY TOILET RETROFIT PROGRAM**

THIS AGREEMENT is made and entered into as of this _____ day of _____ 20 21____, by and between, Fulton County (hereinafter referred to as the “Utility”) and the Metropolitan North Georgia Water Planning District (hereinafter referred to as the “District”) and is in effect as of December 31 2021.

WITNESSETH:

WHEREAS, the Utility is responsible for developing and implementing a water conservation program within its service area; and

WHEREAS, the District will coordinate and manage a District-wide Toilet Retrofit Program (“the Program”) for single family residential customers by providing administrative services as stated in Duties of the District and

WHEREAS, the Utility desires to participate in the District-wide Program.

NOW, THEREFORE, in consideration of the premises and of the mutual covenants herein contained, and for other good and valuable consideration, the parties hereto agree as follows:

1. Duties of the Utilities

- a. Follows the administrative procedures developed by the District for the management of the program.
- b. Receives weekly notifications from the District of rebates to be processed and issue rebate credits to customers in a timely manner.
- c. Upon receipt of notification by the District of a customer’s eligibility for the toilet rebate, the Utility will respond to the District within 5 business days with notification of acceptance or rejection of each eligible customer and the reason for rejection.
- d. Answers customer questions about the status of their rebate credits (once their confirmation letters have been received).
- e. Agrees to pay District the processing fee for each toilet approved for rebate.
- f. Promotes the program through link on Utility websites, bill inserts, mailers, and/or other forms of communication.
- g. Verification of toilet installation is optional but would be the responsibility of the Utility.

2. Duties of the District

- a. Provides administrative services to process the rebate applications.
- b. Maintains a website, application form, and reporting database for utilities.
- c. Maintains a telephone number and email address for customer questions about the program and processing applications.
- d. Mails or makes available applications to single family residential customers only.
- e. Receives rebate application from customer and verifies eligibility. Eligibility is determined based on date of home construction, receipt of original toilet purchase receipt, copy of recent water bill in name of applicant and confirmation of eligible toilet model.
- f. Notifies the Utility of rebate amount to credit customer.
- g. Sends a confirmation/rejection letter to each customer.
- h. Provides management reports for Utilities to access on a regular basis.
- i. Invoices the Utility for the \$10.00 administrative fee for each toilet approved for rebate.
- j. Maintains billing accounts and financial records for three years after the completion of this Agreement and provide periodic status updates to the Utilities.
- k. Provides periodic invoices to each participating Utility for administrative fees.

3. Costs Paid by the Utility

The Utility hereby agrees to provide funding of \$ 50,000 for this program for the term of the agreement unless the agreement is terminated at which time the Utility would fund any applications that have been approved by the District and Utility prior to termination. Funding is the total annual amount allocated by the Utility for rebate and administration fees for the term of this Agreement. In the event the Utility meets the previously stated funding amount prior to the expiration of this Agreement, the Utility is no longer obligated to provide rebates or administration fees.

The Utility further agrees that the District will only process rebates for toilets that have received the EPA WaterSense label.

From January 1, 2021 through June 30, 2021, each ultra-high-efficiency toilet (UHET) using 1.1 gpf or less will have a maximum rebate face value of \$100.00 per toilet. Each high-efficiency toilet (HET) using 1.28 gpf will have a maximum rebate face value of \$50.00 per toilet.

From July 1, 2021 and forward, UHET toilets using 1.1gpf or less will have a maximum rebate face value of \$75 per toilet. HET toilets using 1.28 gpf will no longer be eligible for rebates.

Additionally, the Utility agrees that an administrative charge of \$10.00 for each toilet approved for rebate will be charged. A customer can only receive two toilet rebates per property.

4. Payment Method

Utility will pay the \$10.00 administrative fee for each toilet approved for rebate to the District through periodic billings. Rebates will be issued by the Utility to participating Utility customers until the allotted rebate amount for the Utility is exhausted. The Utility may add additional funding at any time during their program participation by amending this Agreement.

5. Term

This Agreement shall become effective as of the date first written above and shall continue in full force and effect until December 31, 2021. Either party may terminate this Agreement without cause by providing the other party written notice sixty (60) days prior to termination. This Agreement may be amended upon agreement of the parties. In the event of such termination, the Utility shall be obligated to pay all issued rebates and administrative costs associated with rebates approved prior to such termination.

IN WITNESS WHEREOF, the parties have hereto executed this Agreement as of the date first above written.
