

Contract Renewal Evaluation Form

Date:	10/17/2022
Department:	Public Works
Contract Number:	21ITBC000022A-CJC
Contract Title:	Jetter Parts

Instructions:

It is extremely important that every contract be rigidly scrutinized to determine if the contract provides the County with value. Each renewal shall be reviewed and answers provided to determine whether services should be maintained, services/scope reduced, services brought in-house or if the contract should be terminated. Please submit a completed copy of this form with all renewal requests.

1. Describe what efforts were made to reduce the scope and cost of this contract.

The scope and cost reduction efforts of this contract are to purchase Jetter Parts for the Department of Public Works. These Jetter Parts will offer operational support for the cleaning and preventing of sanitary sewer stop-ups, and overflows within the sanitary sewer collection system. This contract will allow Public Works to purchase various hoses, grabbers, choppers, nozzles and the accompanying fittings to allow staff to clear items from the sanitary sewer lines that prevent flow within the pipes. Failure to procure / maintain these items in stock can negatively impact the operational support the Department of Public Works receives to maintain the sanitary sewer collections system and services. Subsequent negative constituent or client health can ensure if not procured due to overflows of the system onto private properties and creeks.

2. Describe the analysis you made to determine if the current prices for this good or service is reflective of the current market. Check all applicable statements and provide documentation:

5. Is this a seasonal item or service? Yes No

6. Has an analysis been conducted to determine if this service can be performed in-house? Yes No **If yes, attach the analysis.**

An annual contract is needed by the Public Works Department on a year-round basis for Jetter Parts. These items are used for maintenance and repair of the sewer infrastructure throughout the Fulton County Sewer Service areas.

7. What would be the impact on your department if this contract was not approved?

Approval by the Board of Commissioners in the renewal of this contract is critical for the Public Works Department to effectively complete the process of maintaining sanitary sewer collections system and services. If this contract is not renewed it could delay the department's response time in responding to sewage overflows, blockages and service repairs in Fulton County Sewer Collection System.
