WHEREAS, Fulton County ("County") entered a Contract with Delta Municipal, Inc, to provide water meters dated 02/03/2021, on behalf of the Department of Public Works; and

WHEREAS, this increased spending authority will cover the cost for the procurement of water meters to be installed at new water service connections and for repairs and replacement of current service locations, and avoid the delay in procuring these materials; and

WHEREAS, the Contractor has performed satisfactorily over the period of the contract; and

WHEREAS, this amendment was approved by the Fulton County Board of Commissioners on [Insert Board of Commissioners approval date and item number].

NOW, THEREFORE, the County and the Contractor agree as follows:

This Amendment No. 1 to Form of Contract is effective as of the ____ day of _____, 20__, between the County and Delta Municipal, Inc, who agree that all Services specified will be performed in accordance with this Amendment No. 1 to Form of Contract and the Contract Documents.

SCOPE OF WORK TO BE PERFORMED: This increased spending authority will provide for water meters to be installed at new water service connections and for repairs and replacement of current service locations. On November 3, 2021, Delta Municipal was approved to supply 2100 of new meters for 2022 at a cost of \$750,000. Public Works has received these meters and have installed them throughout our

service area. Currently, up to 600 residential and commercial meters require replacement due to malfunctions that inhibit the accuracy of recording water usage and associated potential loss of revenue. This increased spending authority will purchase enough meters to address this need plus provide additional meters to ensure our inventory is stocked through the first quarter of 2023.

1. .
2. **COMPENSATION:** The services described under Scope of Work herein shall be performed by the Contractor for a total amount not to exceed the additional amount of \$1,078,910.67.
3. **LIABILITY OF COUNTY:** This Amendment No. 1 to Form of Contract shall not become binding on the County and the County shall incur no liability upon same until such agreement has been executed by the Chair to the Commission, attested to by the Clerk to the Commission and delivered to Contractor.
4. **EFFECT OF AMENDMENT NO. ___ TO FORM OF CONTRACT:** Except as modified by this Amendment No. ___ to Form of Contract, the Contract, and all Contract Documents, remain in full force and effect.
