Summary & Background (*First sentence includes Agency recommendation. Provide an executive summary of the action that gives an overview of the relevant details for the item.*)

Scope of Work: These contracts will provide the necessary rip rap crushed stones to be used by Public Works crews in the repair of the water distribution and wastewater collection systems throughout the North and South Fulton service areas.

Community Impact: If timely repairs cannot be made to the water distribution and wastewater collection system, potential impacts to the availability of this infrastructure to our customers can occur.

Department Recommendation: The Department of Public Works recommends approval of lowest responsible bidders to A) Green Dream International, LLC and (B) Luck Stone dba Stephens Industries, LLC with two renewal options.

Project Implications: Rip Rap and crushed stone is necessary for repairs to the water distribution and wastewater collection system. Failure to approve this contract may delay repairs resulting in extended water outages or discharges of untreated wastewater to the environment.

Community Issues/Concerns: No issues were raised by constituents or customers relative to this item.

Department Issues/Concerns: The Department has no issues / concerns regarding these contracts.

Contract Modification: This is a new procurement.
