2. The conditions of this award are material requirement of the award. Compliance with any assurances or certification submitted by or on behalf of the subgrantee that relate to conduct during the period of performance also is a material requirement of this award.

Limited exceptions. In certain special circumstances, DOJ may determine that it will not enforce, or enforce only in part, one or more requirements otherwise applicable to the award. Any such exceptions regarding enforcement, including any such exceptions made during the period of performance, are (or will be during the period of performance) set out through the Office of Justice Programs (OJP) webpage entitled "Legal Notices: Special circumstances as to particular award conditions" ([ojp.gov/funding/Explore/LegalNotices-AwardReqs.htm](https://www.ojp.gov/funding/Explore/LegalNotices-AwardReqs.htm)), and incorporated by reference into the award.

The subgrantee agrees to maintain programmatic and fiscal compliance during the application process and throughout the life of the grant award. If the application submitted for this grant award was deemed incomplete due to missing documents, the subgrantee agrees to provide the necessary documentation to complete the award packet within the time frame designated by CJCC. In addition, if, during a monitoring activity (e.g., site visit, desk review, technical assistance visit), findings are identified, the subgrantee agrees to take the necessary steps to address the findings within the time frame designated by CJCC.

If the subgrantee does not adequately resolve findings resulting from a monitoring activity or provide requested documents within the time frame designated by CJCC, the subgrantee will be deemed non-compliant and placed on a 90-day probationary period. If the required actions have not been resolved by the end of the 90-day probationary period (e.g., the requested documents have not been submitted and/or compliance issues remain outstanding/unresolved), the subgrantee understands that the awarded amount will be rescinded.

Initials RP

45. The subgrantee certifies that federal funds will not be used to supplant funds that would otherwise be made available for grant-funded initiatives. Federal funds must be used to supplement existing funds for program activities and not replace funds appropriated for the same purpose. Potential supplanting will be the subject of application review, as well as pre-award review, post-award monitoring, and audit. If there is a potential presence of supplanting, the subgrantee will be required to document that the reduction in non-federal resources occurred for reasons other than the receipt or anticipated receipt of federal funds.

Initials RP

46. The subgrantee must submit Subgrant Adjustment Request #1 with the completed award package. The adjustment request must be accompanied by a detailed project budget that itemizes all projected expenditures. The project budget and summary will not be established, or officially approved, until the subgrantee receives a written approval notice from the CJCC. All project costs and project activities must coincide with the approved budget, summary, and implementation plan unless subsequent revisions are approved by the CJCC.

Initials RP

47. The subgrantee must submit subsequent requests to revise the budget, project summary, and project plan prior to implementing any substantial changes, but no later than 60 days prior to the end of the subgrant period.

Initials RP

48. The subgrantee agrees to submit requests for reimbursement on either a monthly or quarterly basis, as selected by the subgrantee at the time of award. Subgrant Expenditure Reports are due 15 days after the end of the month (if reporting monthly) or 30 days after the end of the quarter (if reporting quarterly).

Initials RP

49. The subrecipient understands and agrees that misuse of award funds may result in a range of penalties, including suspension or debarment from federal grants, recoupment of monies provided under an award, and civil and/or criminal penalties.

CONSUMER DISCLOSURE

From time to time, Carahsoft OBO Fulton County, Georgia (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign, Inc. (DocuSign) electronic signing system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to these terms and conditions, please confirm your agreement by clicking the 'I agree' button at the bottom of this document.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after signing session and, if you elect to create a DocuSign signer account, you may access them for a limited period of time (usually 30 days) after such documents are first sent to you. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. To indicate to us that you are changing your mind, you must withdraw your consent using the DocuSign 'Withdraw Consent' form on the signing page of a DocuSign envelope instead of signing it. This will indicate to us that you have withdrawn your consent to receive required notices and disclosures electronically from us and you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.
