Thank you for the opportunity to provide a quote. We are pleased to quote as follows:			
COHS Tuition Scholarship This Scholarship provides a student the opportunity to earn an Cognia/Sacs/NCA/NWAC accredited high school diploma designed to prepare them for jobs or future post-secondary education. Once a scholarship is awarded, a student has eighteen (18) months to complete the course work. If a student does not begin the coursework within thirty (30) calendar days of being awarded a scholarship or if the student withdraws from the program within the thirty (30) calendar days, the scholarship may be awarded to another student. Students will be assigned an academic coach that they may contact, as needed, for assistance and advice regarding the COHS program. The academic coach will monitor student progress and recommend and arrange for one-on-one tutoring when necessary. Students may also request tutoring if desired. Student access to their courses, grades, and progress towards their accredited high school diploma is accessible twenty-four (24) hours a day / seven (7) days per week.	12	\$1,095	\$13,140
