Lessor agrees to maintain the PSTC.

5. Default and Termination.

5.1 Default by Lessee. Lessee will be considered in default (following notice of default by Lessor and failure by Lessee to cure within thirty (30) days of said notice) under this Lease in the event Lessee makes a general assignment for the benefit of creditors or files a voluntary petition in bankruptcy, or if a decree is entered involuntarily adjudicating Lessee bankrupt and such decree is not dissolved within ninety (90) days. In the event of such Lessee

default and failure to cure, this Lease shall terminate automatically with no further action required of Lessor.

5.2 Lease Termination by Lessee. The Lessee may terminate this Lease at any time during the Initial Term or any Extension Term by providing sixty (60) days' prior written notice to Lessor. Upon such termination, this Lease shall be null and void and of no further force or effect and neither Lessor nor Lessee shall have any further rights or liabilities under this Lease; provided, however, that Lessee shall be and remain responsible and liable to the Lessor for any damage to the property in excess of normal wear and tear.

6. Entry upon Premises. Lessor reserves the right to enter upon the Leased Premises at any reasonable time for the protection of its property. In exchange for access to and use of the parking lot facilities located on Lots 15 and 16 in Exhibit B for no cost, Lessee agrees to be responsible for the maintenance and repair of the paved parking lot facilities during the Term of the Lease.

7. Improvements/Structures; Personal Property.

7.1 Improvements/Structures. All improvements and structures on the Lease Premises are the property of Lessor.

7.2 Personal Property. All personal property placed or located by the Lessee on the Leased Premises may, at the Lessee's sole discretion, be removed by the Lessee at the end of the Term or earlier termination as the case may be.

8. Liability and Indemnification. Each Party agrees to be responsible for its own acts and omissions and the acts and omissions of its agents. To the fullest extent permitted by law, each Party agrees to indemnify and hold harmless the other Party, its Commissioners, Councilmembers, officers, agents and employees, from and against any claim or liability of any nature, including but not limited to injury to person or property on or about the Leased Premises, caused solely by the activity of a Party during the term of this Lease. However, nothing herein shall be construed as a waiver of the Parties' respective sovereign immunity or the governmental immunities available to its officers, officials, employees, or agents.

9. Assignment and Subletting. Lessee has no right to assign or sublet, in whole or in part, this Lease. Notwithstanding the foregoing,, if Lessee enters into an agreement with a third-party operator/promoter for its outdoor live music concerts, plays, performances, festivals and other events, such an agreement shall not be determined to be an assignment or subletting so long as said third-party operator/promoter complies with all provisions of this Lease and expressly agrees to indemnify and hold the County harmless for any and all claims and losses.

10. Insurance.

10.1 Lessee will maintain worker's compensation coverage in the amounts and form as required by applicable law.

10.2 Lessee agrees that Lessee shall, to the extent allowable by laws, be responsible for all costs and damages stemming from all claims, actions, damages, liability and expense, and shall, along with contractor, person, or organization allowed by Lessee to have access to the Property, hold harmless, to the extent permitted by law, Fulton County from all claims, actions, damages, liability and expense, including without limitation reasonable attorneys' fees and costs, in connection with personal injury or property damage arising out of the acts or omissions of Lessee the contractor, person, or organization, their employees, agents, or volunteers upon the Property or any property surrounding the Property. Notwithstanding the foregoing, nothing herein shall be construed as a waiver of the County's sovereign immunity and the immunities available to County officials, officers, employees and agents. Lessee shall have the right to self-fund for its workers' compensation, automobile liability and general and excess liability coverages for its activities on the Property or any property surrounding the Property in conducting the activities authorized by this License Agreement. Notwithstanding the foregoing, Lessee shall ensure that any contractor, person, school or organization performing work on the Property provides insurance sufficient to cover any losses and includes Fulton County as an additional insured. A failure by Lessee to produce a copy of any required insurance document

immediately upon demand by Lessor, but no later than seven (7) business days before the happening of an Event, is hereby deemed to be material breach of the Lease resulting in the County having the right to immediately terminate the License Agreement without recourse by the City.

10.3 All required insurance coverage will be evidenced by one or more current certificates of insurance. Lessee may fulfill these insurance obligations by listing the other party as an additional insured on their respective policies. Notwithstanding anything in this Lease to the contrary, Lessee shall have the right to self-fund any insurance coverage under this Lease.

10.4 Lessor, its officers, employees, agents and volunteers must be covered as additional insureds with respect to liability arising out of the activities by or on behalf of the named insured in connection with this Lease.

10.5 All insurance coverage maintained by Lessee (or its contractor) must be endorsed to provide that the amount of coverage afforded to Lessor by the terms of this Lease will not be suspended, voided, or canceled except after thirty (30) days' prior written notice to Lessor, and Ground Lessee's (or its contractor's) failure to do so will constitute a Default in accordance with the terms herein.

10.6 Lessee will maintain Environmental Insurance covering damages, injuries, penalties and costs related to releases of pollutants and hazardous substances and costs of remediation and regulatory compliance for this location, in an amount not less than Ten Million Dollars per Pollution/Condition and Ten Million Annual Policy Aggregate.

10.7 The insurance company issuing the policy or policies required under this Agreement shall have no recourse against Lessor (including its agents and agencies) for payment of any premiums or for assessments under any form of policy.

10.8 Any and all deductibles under the above-described insurance policies shall be paid by Lessee.

10.9 Lessee shall provide Lessor with evidence of a certificate of insurance each year. If Lessee fails to maintain any of the insurance coverages required herein, then Lessor will have the option to declare Lessee in breach or Lessor may, without obligation to do so, purchase replacement insurance or pay the premiums that are due on existing policies in order that the required coverages may be maintained. In such event, Lessee shall immediately reimburse Lessor for the cost of same commencing from the date the amount is paid by Lessor.

10.10 Lessee, at its option, may satisfy its obligations hereunder to insure within the coverage of any so-called blanket policy or policies of insurance which it now or hereafter may carry, by appropriate amendment, rider, endorsement or otherwise; provided, however, that the interests of Lessor shall thereupon be as fully protected by such blanket policy or policies as they would be if this option to so insure by blanket policy were not permitted.

11. Estoppel Certificates. Lessor agrees, upon not less than thirty (30) days prior written notice by Lessee, to execute, acknowledge and deliver a statement in writing (i) certifying that this Lease is unmodified and in full force and effect (or, if there have been modifications, that the Lease is in full force and effect as modified and stating the modifications), (ii) stating the dates to which rent and other charges hereunder have been paid by Lessee, (iii) stating whether or not, to the best knowledge of Lessor, Lessee is in default in the performance of any covenant, agreement or condition contained in this Lease, and if so, specifying each default of which Lessor may have knowledge, and (iv) stating the address to which notices to Lessor should be sent. Any such statement delivered pursuant hereto may be relied upon by Lessee, any lender, mortgagee or creditor of Lessee, any prospective purchaser or

sublessee (subtenant) of Lessee, or any prospective assignee of any such lender, mortgagee, creditor, purchaser or sublessee.

For purpose of this Lease, “**hazardous substances**” shall mean and include those elements or compounds which are contained in the list of hazardous substances adopted by the Environmental Protection Agency (EPA) and the list of toxic pollutants designated by Congress or the EPA under any applicable environmental law or legislation, as such lists may be supplemented, amended or newly enacted from time to time. To the extent that any of the applicable environmental laws of the State of Georgia establish a meaning for “hazardous substances” which is broader than that specified in any federal legislation or laws, such broader meaning shall apply. “**Applicable Environmental Law**” shall mean and include the collective aggregate of the following: any law, statute, ordinance, rule, regulation, order or determination of any governmental authority or any board of fire underwriters (or body exercising similar functions) or any restrictive covenant or deed restriction (recorded or otherwise) pertaining to the environmental and ecological condition of the Leased Premises. “Contaminants” shall mean and include any “Contaminant which is likely to pose a danger to human health” as defined in Ga. 12.5 Lessee shall not construct any onsite improvements or remove or alter any onsite structures or facilities without the prior written consent of the Lessor, which consent may be granted or denied in the sole and absolute discretion of Lessor.

12.6 Lessee shall give notice to Lessor immediately upon either (i) Lessee's receipt of any written notice from any governmental authority of a violation of any Applicable Environmental Laws with respect to the Leased Premises, or (ii) newly acquiring actual knowledge of the presence or release of any hazardous substances or Contaminants not previously disclosed or known on the Leased Premises in a condition that is resulting or could reasonably be expected to result in any adverse environmental, public safety, or human impact, with a full description thereof. To the extent a release of hazardous substances, Contaminants, or any other violation of Applicable Environmental Laws is caused by Lessee, Lessee shall promptly comply with all Applicable Environmental Laws requiring the notice, removal, treatment, or disposal of such hazardous substances or Contaminants, shall pay for all such response activities without seeking remuneration or contribution from Lessor, and shall provide Lessor with satisfactory evidence of such compliance.

12.7 Lessor shall have an unrestricted right to access, install, remove, repair, monitor and maintain testing wells, monitoring sites, and gas control and recovery systems for the purpose of meeting EPD requirements for the landfills located near or adjacent to the Wolf Creek Amphitheatre Site, including the right of the County to exclude public and Lessee access to such areas or any or all areas of the leased property if necessary or prudent, in the sole determination of Lessor, for the County's compliance with EPD requirements or for public safety.
