## Contract Renewal Evaluation Form

Date:	July 12, 2022
Department:	Real Estate and Asset Management
Contract Number:	20ITB125615C-GS
Contract Title:	Standby Fencing Installation and Repair

## Instructions:

It is extremely important that every contract be rigidly scrutinized to determine if the contract provides the County with value. Each renewal shall be reviewed and answers provided to determine whether services should be maintained, services/scope reduced, services brought in-house or if the contract should be terminated. Please submit a completed copy of this form with all renewal requests.

1. Describe what efforts were made to reduce the scope and cost of this contract.

The scope of work for this contract cannot be reduced because we do not have equipment, skills and in-house staff to provide this service. This contract furnishes all material, labor, tools, equipment and appurtenances necessary to provide installation of new chain link, ornamental iron and steel fencing and replacement of existing fence for all Fulton County facilities on an "as needed" basis only. The cost was determined in the bid process as the lowest and responsible cost for repairs for fencing installation and repair.

2. Describe the analysis you made to determine if the current prices for this good or service is reflective of the current market. Check all applicable statements and provide documentation:

## **Explanation / Notes:**

The prices for fencing installation do reflect the current market. Prices received under this newly formed contract are compared to historical pricing and the current market from other vendors that provide this service. Initially, this procurement was conducted in accordance with all applicable provisions of the Fulton County Code of Ordinances and the specific method of source selection for the services required in this bid is code Selection 102-373, Competitive Sealed Bid.
