BETWEEN
EMORY UNIVERSITY SCHOOL OF MEDICINE AND
FULTON COUNTY, GA**

This agreement ("Agreement") is made as of July 1, 2022 ("Effective Date") between Emory University, a Georgia non-profit institution, by and through its School of Medicine, with an office at 100 Woodruff Circle N.E., Atlanta, GA 30322 ("School") and Fulton County, Ga, on behalf of the Fulton County Medical Examiner's Office, with an office at 430 Pryor St. Atlanta, GA 30312 ("Facility").

- A. PURPOSE.** The purpose of this Agreement is to guide and direct the parties respecting their affiliation to provide clinical education experiences ("Education Experience") at Facility for students who are enrolled in, or visiting students participating in a rotation with, School's M.D. Degree.
- B. TERM AND TERMINATION.** Unless sooner cancelled as provided below, the term of this Agreement will be five (5) years, commencing on the Effective Date. This Agreement may be renewed by mutual written consent of the parties. It also may be cancelled at any time by either party upon not less than thirty (30) days written notice, provided that all Students currently enrolled or participating in an Education Experience at Facility at the time of such notice of termination shall be given the opportunity to continue such participation and the parties shall continue to perform under the terms hereof with regard to the Students, until the sooner of each Student's individual completion of the Education Experience or six (6) months from the date of the notice of termination.

C. GENERAL UNDERSTANDING

- 1) Education Experience. The Education Experience to be provided will be of such content and cover such periods of time as may be mutually agreed upon by School and Facility, from time to time. The starting and ending date for each Education Experience will be agreed upon before the program begins.
- 2) Student Participants. The number of Students designated for participation in an Education Experience will be determined by mutual agreement of School and Facility and may at any time be altered by mutual agreement. All Students must be acceptable to both parties, and either party may withdraw any Student from an Education Experience based upon perceived lack of competency on the part of the Student, the Student's failure to comply with the rules and policies of Facility, or for any other reason that causes either party to reasonably believe that it is not in the best interest of the party for the Student to continue.
- 3) Non-Discrimination. To the extent applicable, both parties shall abide by the requirements of the United States Code of Federal Regulations - 41 CFR §§ 60-1.4(a), 60-300.5(a) and 60-741.5(a). These regulations prohibit discrimination against qualified individuals based on their status as protected veterans or individuals with disabilities and prohibit discrimination against all individuals based on their race, color, religion, sex, or national origin. Moreover, these regulations require that covered prime contractors and subcontractors take affirmative action to employ and advance in employment individuals without regard to race, color, religion, sex, national origin, protected veteran status or disability. In addition, the parties agree that, in fulfilling their respective obligations and duties under this Agreement, they shall not discriminate against any individual or group on the basis of race, religion, age, sex, national origin, citizenship, disability, sexual orientation, genetic information, or veterans/national guard/military reserve status.

 - f) To refrain from publishing any material related to the clinical education experience that identifies Facility or its patients or staff, directly or indirectly, or uses the name of Facility, without first obtaining written approval from Facility.

School shall advise each Student and faculty member that any expenses resulting from illness or injury occurring during his/her experience at Facility may be the responsibility of that individual and shall inform all Students and faculty of the need to maintain health insurance.
 - b) School shall require each Student to provide documentation of the fact that he or she has been appropriately vaccinated against influenza, measles, mumps and rubella (MMR); has satisfactorily proven immunity to these diseases, according to current CDC guidelines; or is unable, for bona fide medical reasons, to receive such vaccinations.
 - c) School shall require each Student to provide documentation of the fact that he or she: (1) has received the complete hepatitis B vaccination series; or (2) has begun the hepatitis B vaccine series and will complete the full series before the end of clinical training; or (3) has satisfactorily proven immunity to hepatitis B through antibody testing; or (4) is unable, for bona fide medical reasons to receive such vaccination.

- 4) Use of Facilities. Facility will provide adequate clinical facilities for Students in accordance with the clinical objectives developed through cooperative planning by School faculty and Facility staff. Facility shall permit Students to use the facilities and resources of the Facility when available, such as libraries, lounges, conference rooms, and audio-visual and other teaching equipment, consistent with the policies and procedures of the Facility.
- 5) Evaluation. Facility staff will, upon request, assist School in the evaluation of the learning and performance of Students, provided the Student has signed a consent to the exchange of educational information in accordance with the Family Educational Rights and Privacy Act of 1974, as amended. Although School shall retain all required consents, Facility will have the right to rely on such consents and to obtain copies of such consents upon request. Any evaluation of Students by Facility will relate only to the general Student participation in the Education Experience and will in no way be construed as a certification by Facility as to the competence of any Student or a representation by Facility of any Student's ability or competence in connection with the practical implementation of any knowledge gained through the Education Experience.
- 6) Student Information. Facility acknowledges that the information provided by School, or others on behalf of School, that directly relates to any Student, including academic information, professional information (e.g., licenses obtained, suspension, revocation); training and/or certifications; health information; and the results of any criminal background check and/or drug testing/treatment information, hereinafter ("Student information") is protected by the Family Educational Rights and Privacy Act (FERPA). - 8) Emergency Care. Facility agrees to comply with applicable state and federal workplace safety laws and regulations. Facility will provide emergency health care to Students who become ill or injured while at Facility. In the event a student is exposed to an infectious or environmental hazard or other occupational injury (e.g., needle stick) while at Facility, upon notice of such incident from the student, Facility will provide such emergency care as required, including, where applicable: examination and evaluation by Facility's emergency department or other appropriate facility as soon as possible after the injury; emergency medical care immediately following the injury as necessary; initiation of the HBV, Hepatitis C (HCV), and/or HIV protocol as necessary; and HIV counseling and appropriate testing as necessary. In the event that Facility does not have the resources to provide such emergency care, Facility will refer such Student to the nearest emergency facility. For purposes of HIPAA, School and Facility acknowledge that School's faculty and Students are part of Facility's "work force", as defined in the HIPAA Privacy Regulations at 45 C.F.R. 160.103, and as such, no Business Associate agreement is required between School and Facility.
- 3) Excluded Provider. Without limiting the generality of the foregoing, no rights are intended to be created for any

Student, faculty member, or patient, or spouse, next of kin, employer or prospective employer of any Student, faculty member or patient.

- 9) No Waiver. No waiver of any term or provision of this Agreement shall be effective unless in writing and signed by the party to be charged. No waiver of a breach of any provision of this Agreement shall be construed to be a waiver of any breach of any other provision. No delay in acting regarding any breach of any provision of this Agreement shall be construed to be a waiver of such breach.

This Agreement has been duly executed and delivered and constitutes each party's valid and binding obligation, enforceable in accordance with its terms.
- 18) Judicial Interpretation. Should any provision of this Agreement require judicial interpretation, it is agreed that the court interpreting or construing the same shall not apply a presumption that the terms hereof shall be more strictly construed against one party by reason of the rule of construction that a document is to be construed more strictly against the party who itself or through its agent prepared the same, it being agreed that the agents of both parties have participated in the preparation hereof.
