

## Contract Renewal Evaluation Form

Date:	July 14, 2022
Department:	Real Estate and Asset Management
Contract Number:	20ITB1008C-MH
Contract Title:	Boiler Inspection and Preventive Maintenance Services

### Instructions:

It is extremely important that every contract be rigidly scrutinized to determine if the contract provides the County with value. Each renewal shall be reviewed, and answers provided to determine whether services should be maintained, services/scope reduced, services brought in-house or if the contract should be terminated. Please submit a completed copy of this form with all renewal requests.

### 1. Describe what efforts were made to reduce the scope and cost of this contract.

The scope of work for this contract cannot be reduced because we do not have the in-house capabilities of required equipment, tools, skills, and in-house staff to provide this service. This service keeps the County in compliance, because it is governed and mandated by the State of Georgia to provide inspection of buildings or similar structures to ensure compliance with the Local standards (see attached Georgia Laws and Rules Regulating Escalators and Georgia Laws and Rules Regulating Boilers and Pressure Vessels).

Each existing boiler and pressure vessel shall be thoroughly inspected as to their construction, installation, and condition on an annual basis. A permit is required and issued in accordance with the safety standards set forth for these equipment (see Attached Georgia Code Sections 120-3-25 and 120-3-26).

### 2. Describe the analysis you made to determine if the current prices for this good or service is reflective of the current market. Check all applicable statements and provide documentation:

5. Is this a seasonal item or service? ☐ Yes ☐ No

6. Has an analysis been conducted to determine if this service can be performed in-house? ☐ Yes  
☐ No If yes, attach the analysis.

This service cannot be performed in-house because the DREAM does not have enough qualified and experienced technicians necessary to perform this kind of work.

7. What would be the impact on your department if this contract was not approved?

If this contract is not renewed, the department will not be able to provide boiler inspection and preventive maintenance services in Fulton County facilities. This also will jeopardize Fulton County for not following the State of Georgia laws and rules regulating on all existing boilers and pressure vessels inspection and permits for Fulton County facilities.

This service keeps the County in compliance, because it is governed and mandated by the State of Georgia to provide inspection of buildings or similar structures to ensure compliance with the Local standards (see attached Georgia Laws and Rules Regulating Escalators and Georgia Laws and Rules Regulating Boilers and Pressure Vessels). Each existing elevator: escalator, boiler and pressure vessel shall be thoroughly inspected as to their construction, installation, and condition on an annual basis. A permit is required and issue in accordance with the safety standards set forth for this equipment (see Attached Georgia Code Sections 120-3-25 and 120-3-26).
