<b>Department:</b>	<b>Real Estate and Asset Management</b>
<b>Contract Number:</b>	<b>20ITB125835C-GS</b>
<b>Contract Title:</b>	<b>Carpet &amp; Carpet Tile Installation and Repair Services Countywide</b>

**Instructions:**

It is extremely important that every contract be rigidly scrutinized to determine if the contract provides the County with value. Each renewal shall be reviewed and answers provided to determine whether services should be maintained, services/scope reduced, services brought in-house or if the contract should be terminated. Please submit a completed copy of this form with all renewal requests.

**1. Describe what efforts were made to reduce the scope and cost of this contract.**

**Carpets are one of the essential features of floor covering. These are replaced only when the condition of the carpet has the potential to cause liability for the County. Efforts are indeed being made to operate this contract with strict spending constraints. Whenever possible, the removal and resetting of furniture for carpet and/or tile installation and repair are performed by Fulton County staff rather than the contractor, providing slight reductions in scope and cost of this contract. Additionally, small jobs not involving moving and lifting of furniture as well as cleanup after that are undertaken in-house by the County as opposed to the contractor, resulting in further reductions.**

**2. Describe the analysis you made to determine if the current prices for this good or service is reflective of the current market. Check all applicable statements and provide documentation:**

The County does not have the resources, specialty tools and equipment to provide carpet and carpet tile installation repair services Countywide.

7. What would be the impact on your department if this contract was not approved?

Not approving this contract would negatively impact all Fulton County departments. The upkeep of Fulton County facilities is an essential function of this department. This contract is a vital part of our ability to maintain functional and aesthetically sound facilities. Without this contract, flooring within Fulton County facilities could go without necessary maintenance and provide for a potentially hazardous environment. The deterioration of floor coverings in many well-traveled locations like Court Rooms and public corridors could be a cause for tripping hazards and health hazards from deteriorating carpets
