 - Technology
 - Post COVID Plan
- Health and Human Services/Public Works:
 - Board of Health (quarterly)
 - Emergency Rental Assistance Program (ERAP)
 - Health and Human Services
 - Public Works
- Internal Services and Facilities:
 - COVID 19 Reserve & ARPA Spend (monthly)
 - Financial/Performance Measures (monthly)
 - Major Facilities Projects
 - Strategic Priority Area Reports

QUESTIONS

COVID Update

INCIDENT RESPONSE REVIEW

**Cases now in
Green**

**All tracked metrics are
now slowly trending
downward.**

The current reported 7-day case average is 62

Waste-water analysis suggests the real daily caseload is 275

5.1%

Percent Positive Rate

Positivity is dropping at a fast rate (below 5% will put the county in the green)

88%

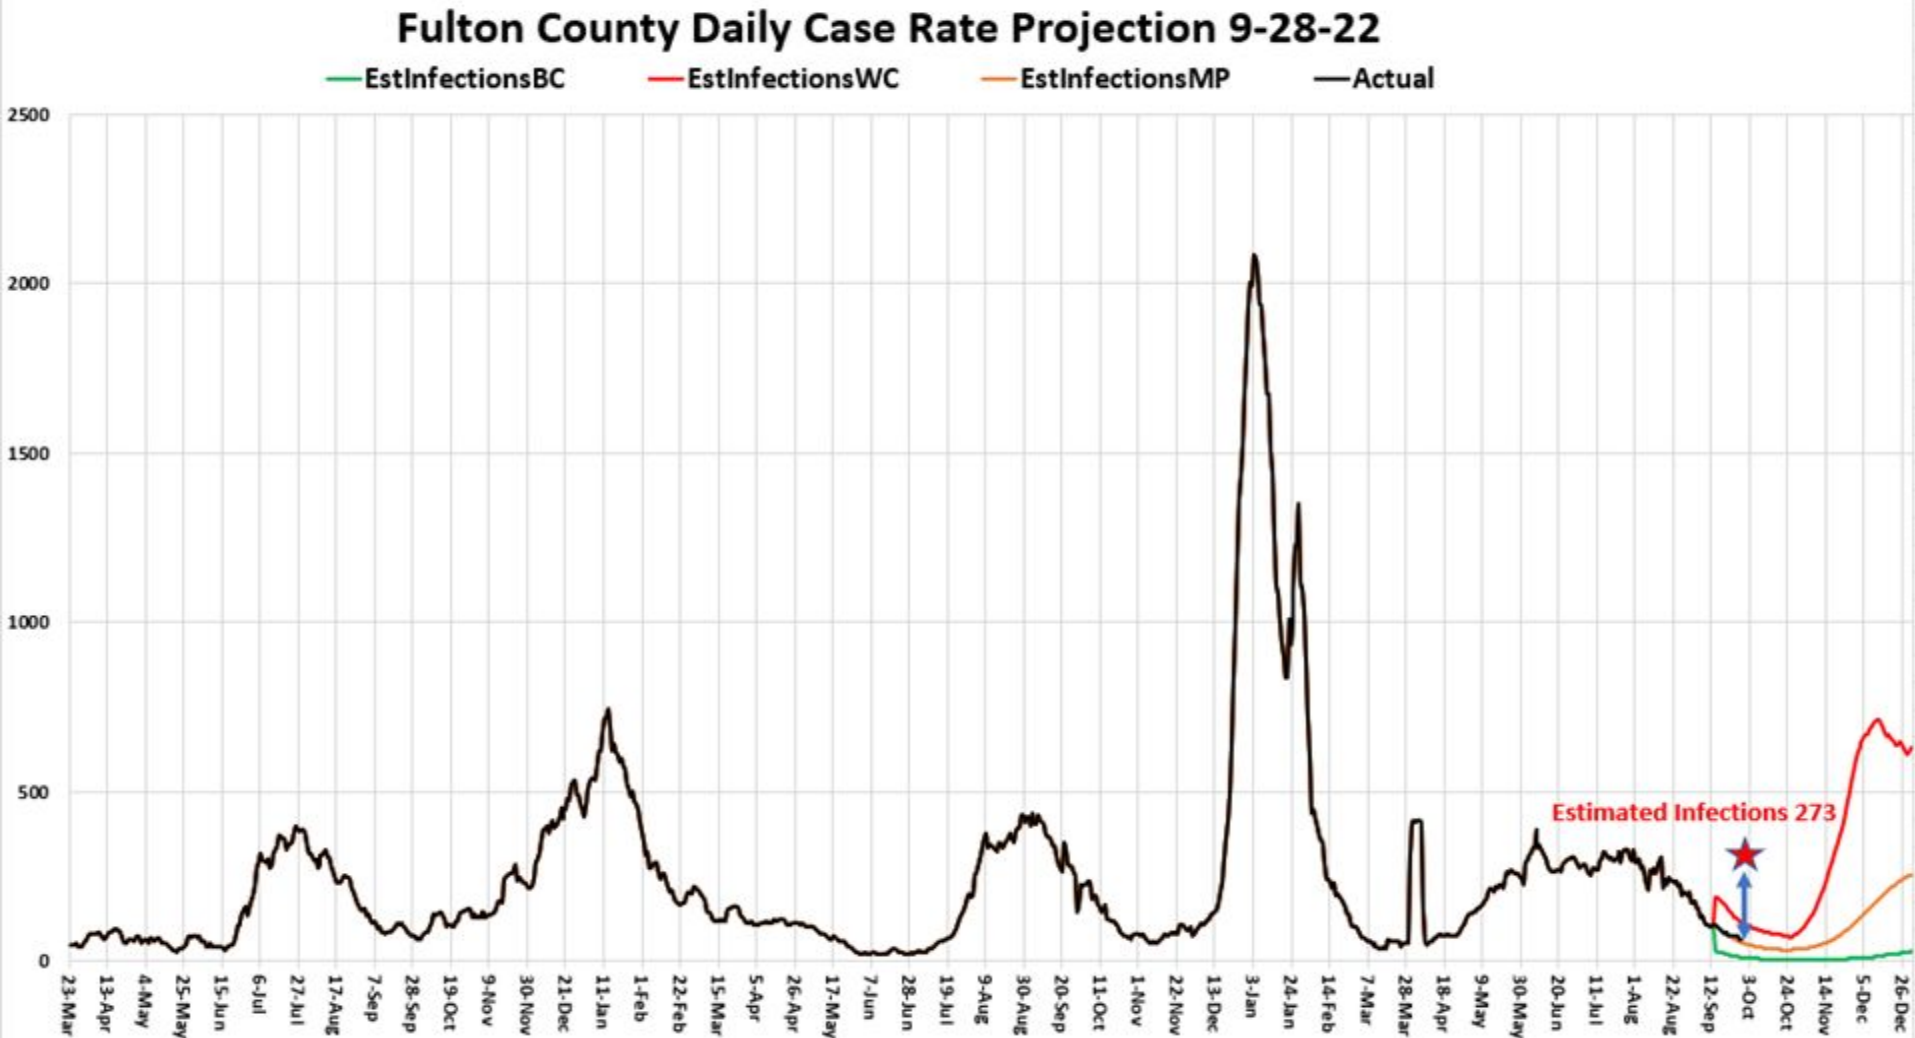

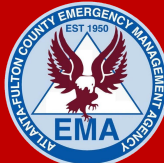

**Unvaccinated still
account for 88% of
hospitalizations &
Deaths in Fulton
County**

- ❖ Hospitalizations continue to slowly drop
- ❖ Currently there are 130 COVID patients in FC Hospitals
- ❖ FC hospitals still have 17 COVID patients on ventilators.

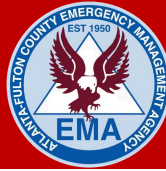

- ❖ **CDC Health System Risk is Green**
The lowest risk level – 3rd week
- ❖ **CDC community spread level is Orange**
The medium risk level – 2nd consecutive week

COVID Case Projection

- ❖ County Case-Rate continues to slowly drop as does the waste-water analysis
- ❖ Current modeling suggests a winter surge starting in mid-November

COVID RESPONSE GLIDE PATH

Bivalent COVID-19 boosters NOW available at all BOH sites!!!

Eligibility - 12 y/o and over & 2 months since your last booster

Fulton County is offering \$100 incentives for 1st or 2nd doses until October 31st !!!

Path Forward

- ❖ Monitor world, national, state and local trends
- ❖ Leverage waste-water sampling analysis and data
- ❖ Maintain relationships with key partners (E.G. school systems, hospitals, churches, senior services, etc.)
- ❖ Transition from contracted resources (E.G. CORE) to Board of Health services for fixed and mobile vaccination efforts
- ❖ Maintain key roles in our Unified Command system that we share with between Emergency Management and Board of Health (E.G. Unified Incident Command, Operations, Planning, and Logistics)
- ❖ Continue financial recovery efforts with GEMA and FEMA
