Pursuant to O.C.G.A. Section 50-5-64, this Statewide Contract shall not be deemed to create a debt of the State for the payment of any sum beyond the fiscal year of execution or, in the event of a renewal, beyond the fiscal year of such renewal.
2. **Contract Renewal.** The Agency shall have the option, in its sole discretion, to renew the Statewide Contract for additional terms on a year-to-year basis by giving the Contractor written notice of the renewal decision at least sixty (60) days prior to the expiration of the initial term or renewal term. Renewal will depend upon the best interests of the State, funding, and Contractor's performance. Renewal will be accomplished through the issuance of a Notice of Award Amendment. Upon the Agency's election, in its sole discretion, to renew any part of this Statewide Contract, Contractor shall remain obligated to perform in strict accordance with this Statewide Contract unless otherwise agreed by the Agency and the Contractor.
3. **Contract Extension.** In the event that this Statewide Contract shall terminate or be likely to terminate prior to the making of an award for a new contract for the identified goods and services, the Agency may, with the written consent of Contractor, extend this Statewide Contract for such period as may be necessary to afford the State a continuous supply of the identified goods and services.

## C. DESCRIPTION OF GOODS AND SERVICES

1. **Provision of Goods and Services** The Contractor shall provide all goods, services, and other deliverables in compliance with the specifications contained in the RFX, the Statement of Work, and the terms of the Statewide Contract, plus those equipment, services and deliverables as may additionally be described in the Response.
2. **Product Shipment and Delivery.** All products shall be shipped F.O.B. destination. Destination shall be the location(s) specified in the RFX or any provided Purchase Instrument. All items shall be at the Contractor's risk until they have been delivered and accepted by the receiving entity. All items shall be subject to inspection on delivery. Hidden damage will remain the responsibility of the Contractor to remedy without cost to the User Agencies, regardless of when the hidden damage is discovered.
3. **Non-Exclusive Rights.** The Statewide Contract is not exclusive. The Agency reserves the right to select other contractors to provide goods and services similar to goods and services described in the Statewide Contract during the term of the Statewide Contract. User Agencies may obtain similar goods and services from other contractors upon prior approval of the Agency, which approval shall be made at the sole discretion of the Agency when it is deemed to be in the best interests of the State and shall be conclusive.
4. **No Minimums Guaranteed.** The Statewide Contract does not guarantee any minimum level of purchases.
5. **Acceptance.** Product shall be deemed accepted when the ordering User Agency determines that such Product successfully operates in accordance with the Requirements. Such User Agency shall commence Acceptance testing within five (5) business days, or within such other period as set forth in the applicable order or SOW, after Receipt/installation of the Product. Acceptance testing will be no longer than ten (10) business days, or such longer period as may be agreed in writing between User Agency and Contractor. Contractor agrees to provide to the User Agency such assistance and advice as the User Agency may reasonably require, at no additional cost, during such Acceptance testing. Should User Agency fail to provide Contractor written notice of successful or unsuccessful Acceptance testing within five (5) business days following the Acceptance testing period, the Product(s) shall be deemed Accepted.

If the Product does not meet the standard of performance during the initial period of Acceptance Testing, User Agency may, at its discretion, continue Acceptance Testing on a day-to-day basis until the standard of performance is met. Upon rejection, the Contractor will have fifteen (15) calendar days to cure the standard of performance issue(s). If after the cure period, the Product still has not met the standard of performance, the User Agency may, at its option: (a) Terminate the Order; (b) demand replacement Product from Contractor at no additional cost to User Agency; or, (c) continue the cure period for an additional time period agreed upon by the User Agency and the Contractor. Contractor shall pay all costs related to the preparation and shipping of Product returned pursuant to the section. No Product shall be deemed Accepted and no charges shall be paid until the standard of performance is met. The warranty period shall begin upon Acceptance.

6. **New, Used or Altered Products.** All supplies, materials, and equipment supplied to the State must be new and in first-class condition unless the State or User Agencies requests a remanufactured or recycled/refurbished product or if the product is not available as new, such as in some replacement products provided for legacy equipment. If providing refurbished/recycled equipment, the Contractor must clearly indicate to the User Agency that the items being supplied are recycled/refurbished on any quotes, warranties, contracts and invoices provided. In such cases, the Contractor may propose used, recycled or refurbished items. However, the User Agency has the right to accept or not accept the proposed used,

recycled or refurbished items. If awarded a contract, the Contractor must clearly indicate to the User Agency that the items being supplied are recycled/refurbished on any quotes, warranties, contracts and invoices provided.

7. **Software and Specifications.** The Contractor shall provide all software ("Software") in strict compliance with the descriptions and representations as to the Software (including performance, capabilities, accuracy, completeness, characteristics, specifications, configurations, standards, functions and requirements) which appear in the RFX and the terms of the Statewide Contract.
8. **Software Licenses.** Contractor shall provide Software licenses ("Licenses") in compliance with the specifications contained in the RFX and the terms of the Statewide Contract. To the extent permitted and/or required by the Software publishers of any Software provided hereunder, Contractor hereby grants an irrevocable, nonexclusive, worldwide, fully paid up, royalty-free license and/or sublicense to use, execute, maintain, reproduce, modify, display, and perform copies of Software and accompanying documentation in accordance with the licensing capacity (if any) specified in the RFX and or applicable Purchase Instrument. User Agency may copy the Software as necessary to efficiently utilize the Software. Without limiting the generality of the foregoing, such rights shall include copying rights granted to "owners of copies" under federal copyright laws of the United States, plus copying:
- (i) For backup, archive or emergency restart purposes;
  - (ii) For disaster recovery and disaster recovery testing purposes;
  - (iii) To migrate the Software for use on other computers and/or hardware; and
  - (iv) To store the Software at any off-premise location which the User Agencies use for storage purposes.

If the Contractor is acting as a reseller of the Software, the Contractor must provide the Licenses, as required by the Software publishers, to the User Agencies and shall coordinate with any negotiations of such Licenses as may be conducted among the Agency, User Agencies and the Software publishers. All licenses provided hereunder shall remain in effect perpetually until termination of the Statewide Contract. Within thirty (30) days of any termination or expiration of each individual License, the User Agency will destroy all copies of the Software in its possession or control.

9. **Software Exclusions.** Except as expressly permitted by this Statewide Contract, the User Agencies agree that they will not:
- (i) Create derivative works based on the Software;
  - (ii) Reverse engineer, disassemble, or decompile the Software; or
  - (iii) Remove any identification or notices contained on the Software.

User Agencies will notify Contractor if the User Agencies become aware of any unauthorized third-party access to, or use of, the Software.

10. **Services and other Deliverables.** Contractor shall provide services and other deliverables ("Services") in compliance with the specifications contained in the RFX and the terms of the Statewide Contract. "Services" shall include administration, distribution, installation, configuration, support and training services as further described in the RFX. Contractor and any employees of Contractor will perform the Services on time, in a workmanlike manner, and consistent with the level of care and skill ordinarily exercised by other providers of similar services at the time such Services are provided.
11. **Ordering and Technical Assistance.** User Agencies may place orders individually from time to time in any manner permitted by applicable state purchasing policy, the RFX, and the Response as accepted by the Agency. The Contractor shall provide technical assistance as reasonably required for the User Agencies to make purchases if online purchases are made utilizing the Contractor's website.

#### D. COMPENSATION

1. **Pricing and Payment.** The Contractor will be paid for the goods and services sold pursuant to the Statewide Contract in accordance with the RFX and final pricing documents as incorporated into the Statewide Contract Form and the terms of the Statewide Contract. Unless clearly stated otherwise in the Statewide Contract, all prices are firm and fixed and are not subject to variation. Prices include, but are not limited to freight, insurance, fuel surcharges and customs duties. User Agencies are solely and individually financially responsible for their respective purchases.
2. **Billings.** If applicable, and unless the RFX provides otherwise, the Contractor shall submit, on a regular basis, an invoice for goods and services supplied to the User Agencies under the Statewide Contract at the billing address specified in the Purchase Instrument or Statewide Contract. The invoice shall comply with all applicable rules concerning payment of such claims. User Agencies shall pay all approved invoices in arrears and in accordance with applicable provisions of State law.

Unless otherwise agreed in writing by the Agency and the Contractor, the Contractor shall not be entitled to receive any other payment or compensation from the User Agencies for any goods or services provided by or on behalf of the Contractor under the Statewide Contract. The Contractor shall be solely responsible for paying all costs, expenses and charges it incurs in connection with its performance under the Statewide Contract.

3. **Delay of Payment Due to Contractor's Failure.** If the User Agencies in good faith determine that the Contractor has failed to perform or deliver any service or product as required by the Statewide Contract, the Contractor shall not be entitled to any compensation under the Statewide Contract until such service or product is performed or delivered. In this event, the User Agencies may withhold that portion of the Contractor's compensation which represents payment for services or products that were not performed or delivered. To the extent that the Contractor's failure to perform or deliver in a timely manner causes the User Agencies to incur costs, the User Agencies may deduct the amount of such incurred costs from any amounts payable to Contractor. The User Agencies' authority to deduct such incurred costs shall not in any way affect the Agency's sole authority to terminate the Statewide Contract.
4. **Set-Off Against Sums Owed by the Contractor.** In the event that the Contractor owes the User Agency any sum or the User Agency must obtain substitute performance, the User Agency may set off the sum owed against any sum owed by the User Agency to the Contractor.

## E. TERMINATION

1. **Immediate Termination.** Pursuant to O.C.G.A. Section 50-5-64, any purchase made pursuant to this Statewide Contract will terminate immediately and absolutely if the User Agency determines that adequate funds are not appropriated or granted or funds are de-appropriated such that the User Agency cannot fulfill its obligations under the Statewide Contract, which determination is at the User Agency's sole discretion and shall be conclusive. Further, the Agency may terminate the Statewide Contract for any one or more of the following reasons effective immediately without advance notice:
  - (i) In the event the Contractor is required to be certified or licensed as a condition precedent to providing goods and services, the revocation or loss of such license or certification may result in immediate termination of the Statewide Contract effective as of the date on which the license or certification is no longer in effect;
  - (ii) The Agency determines that the actions, or failure to act, of the Contractor, its agents, employees or subcontractors have caused, or reasonably could cause, life, health or safety to be jeopardized;
  - (iii) The Contractor fails to comply with confidentiality laws or provisions; and/or
  - (iv) The Contractor furnished any statement, representation or certification in connection with the Statewide Contract or the bidding process which is materially false, deceptive, incorrect or incomplete.
  
2. **Termination for Cause.** The occurrence of any one or more of the following events shall constitute cause for the Agency to declare the Contractor in default of its obligations under the Statewide Contract:
  - (i) The Contractor fails to deliver or has delivered nonconforming goods or services or fails to perform, to the Agency's satisfaction, any material requirement of the Statewide Contract or is in violation of a material provision of the Statewide Contract, including, but without limitation, the express warranties made by the Contractor;
  - (ii) The Agency determines that satisfactory performance of the Statewide Contract is substantially endangered or that a default is likely to occur;
  - (iii) The Contractor fails to make substantial and timely progress toward performance of the Statewide Contract;
  - (iv) The Contractor becomes subject to any bankruptcy or insolvency proceeding under federal or state law to the extent allowed by applicable federal or state law including bankruptcy laws; the Contractor terminates or suspends its business; or the Agency reasonably believes that the Contractor has become insolvent or unable to pay its obligations as they accrue consistent with applicable federal or state law;
  - (v) The Contractor has failed to comply with applicable federal, state and local laws, rules, ordinances, regulations and orders when performing within the scope of the Statewide Contract;
  - (vi) The Contractor has engaged in conduct that has or may expose the Agency or the State to liability, as determined in the Agency's sole discretion; or

- (vii) The Contractor has infringed any patent, trademark, copyright, trade dress or any other intellectual property rights of the Agency, the State, or a third party.
3. **Notice of Default.** If there is a default event caused by the Contractor, the Agency shall provide written notice to the Contractor requesting that the breach or noncompliance be remedied within the period of time specified in the Agency's written notice to the Contractor. If the breach or noncompliance is not remedied within the period of time specified in the written notice, the Agency may:
- (i) Immediately terminate the Statewide Contract without additional written notice; and/or
  - (ii) Procure substitute goods or services from another source and charge the difference between the Statewide Contract and the substitute contract to the defaulting Contractor; and/or,
  - (iii) Enforce the terms and conditions of the Statewide Contract and seek any legal or equitable remedies.
4. **Termination Upon Notice.** Following thirty (30) days' written notice, the Agency may terminate the Statewide Contract in whole or in part without the payment of any penalty or incurring any further obligation to the Contractor. Following termination upon notice, the Contractor shall be entitled to compensation from the User Agency, upon submission of invoices and proper proof of claim, for goods and services provided under the Statewide Contract to the User Agencies up to and including the date of termination.
5. **Termination Due to Change in Law.** The Agency shall have the right to terminate this Statewide Contract without penalty by giving thirty (30) days' written notice to the Contractor as a result of any of the following:
- (i) The Agency's authorization to operate is withdrawn or there is a material alteration in the programs administered by the Agency; and/or
  - (ii) The Agency's duties are substantially modified.
6. **Payment Limitation in Event of Termination.** In the event of termination of the Statewide Contract for any reason by the Agency, the User Agencies shall pay only those amounts, if any, due and owing to the Contractor for goods and services actually rendered up to the date specified in the notice of termination for which the User Agencies are obligated to pay pursuant to the Statewide Contract or Purchase Instrument. Payment will be made only upon submission of invoices and proper proof of the Contractor's claim. This provision in no way limits the remedies available to the State under the Statewide Contract in the event of termination. The State shall not be liable for any costs incurred by the Contractor in its performance of the Statewide Contract, including, but not limited to, startup costs, overhead or other costs associated with the performance of the Statewide Contract.
7. **The Contractor's Termination Duties.** Upon receipt of notice of termination or upon request of the Agency, the Contractor shall:
- (i) Cease work under the Statewide Contract and take all necessary or appropriate steps to limit disbursements and minimize costs, and furnish a report within thirty (30) days of the date of notice of termination, describing the status of all work under the Statewide Contract, including, without limitation, results accomplished, conclusions resulting therefrom, and any other matters the Agency may require;

- (ii) Immediately cease using and return to the State, any personal property or materials, whether tangible or intangible, provided by the State to the Contractor;
- (iii) Comply with the State's instructions for the timely transfer of any active files and work product produced by the Contractor under the Statewide Contract;
- (iv) Cooperate in good faith with the Agency, the User Agencies, and their employees, agents and contractors during the transition period between the notification of termination and the substitution of any replacement contractor; and
- (v) Immediately return to the User Agencies any payments made by the User Agencies for goods and services that were not delivered or rendered by the Contractor.

## F. CONFIDENTIAL INFORMATION

1. **Access to Confidential Data.** The Contractor's employees, agents and subcontractors may have access to confidential data maintained by the State to the extent necessary to carry out the Contractor's responsibilities under the Statewide Contract. The Contractor shall presume that all information received pursuant to the Statewide Contract is confidential unless otherwise designated by the State. If it is reasonably likely the Contractor will have access to the State's confidential information, then:
  - (i) The Contractor shall provide to the State a written description of the Contractor's policies and procedures to safeguard confidential information;
  - (ii) Policies of confidentiality shall address, as appropriate, information conveyed in verbal, written, and electronic formats;
  - (iii) The Contractor must designate one individual who shall remain the responsible authority in charge of all data collected, used, or disseminated by the Contractor in connection with the performance of the Statewide Contract; and
  - (iv) The Contractor shall provide adequate supervision and training to its agents, employees and subcontractors to ensure compliance with the terms of the Statewide Contract.

The private or confidential data shall remain the property of the State at all times. Some services performed for the Agency and/or User Agencies may require the Contractor to sign a nondisclosure agreement. Contractor understands and agrees that refusal or failure to sign such a nondisclosure agreement, if required, may result in termination of the Statewide Contract.

2. **No Dissemination of Confidential Data.** No confidential data collected, maintained, or used in the course of performance of the Statewide Contract shall be disseminated except as authorized by law and with the written consent of the State, either during the period of the Statewide Contract or thereafter. Any data supplied to or created by the Contractor shall be considered the property of the State. The Contractor must return any and all data collected, maintained, created or used in the course of the performance of the Statewide Contract, in whatever form it is maintained, promptly at the request of the State.
3. **Subpoena.** In the event that a subpoena or other legal process is served upon the Contractor for records containing confidential information, the Contractor shall promptly notify the State and cooperate with the State in any lawful effort to protect the confidential information.

4. **Reporting of Unauthorized Disclosure.** The Contractor shall immediately report to the State any unauthorized disclosure of confidential information.
5. **Survives Termination.** The Contractor's confidentiality obligation under the Statewide Contract shall survive termination of the Statewide Contract.

## G. INDEMNIFICATION

1. **Contractor's Indemnification Obligation.** The Contractor agrees to indemnify and hold harmless the State and State officers, employees, agents, and volunteers (collectively, "Indemnified Parties") from any and all costs, expenses, losses, claims, damages, liabilities, settlements and judgments, including reasonable value of the time spent by the Attorney General's Office, related to or arising from:

  - (ix) Any infringement of any copyright, trademark, patent, trade dress, or other intellectual property right; or
  - (x) Any failure by the Contractor to adhere to the confidentiality provisions of the Statewide Contract.
2. **Duty to Reimburse State Tort Claims Fund.** To the extent such damage or loss as covered by this indemnification is covered by the State of Georgia Tort Claims Fund ("the Fund"), the Contractor (and its insurers) agrees to reimburse the Fund. To the full extent permitted by the Constitution and the laws of the State and the terms of the Fund, the Contractor and its insurers waive any right of subrogation against the State, the Indemnified Parties, and the Fund and insurers participating thereunder, to the full extent of this indemnification.

3. **Litigation and Settlements.** The Contractor shall, at its own expense, be entitled to and shall have the duty to participate in the defense of any suit against the Indemnified Parties. No settlement or compromise of any claim, loss or damage entered into by the Indemnified Parties shall be binding upon Contractor unless approved in writing by Contractor. No settlement or compromise of any claim, loss or damage entered into by Contractor shall be binding upon the Indemnified Parties unless approved in writing by the Indemnified Parties.
