HON Customer Experience has made some changes with ordering process. If an agency is working with a dealer, we do recommend they send their order to the dealer to place on their behalf. It is still an order placed between the agency and HON, the dealer is just doing us a favor by entering it into our electronic system. HON will still be sending the Agency an Order Acknowledgement and sending the Invoice from HON to the agency. It just makes for a cleaner, more efficient and quicker process when the order is entered into the HON electronic ordering system.

Dealers do this as a benefit to HON. The order is still made out to HON.
