Fulton County and the Service Provider agree to amend the Agreement as follows:

- I. Pursuant to Article 29, Assignability, the Parties have contemporaneously agreed that NaphCare, Inc. assigns its rights under the Agreement to its wholly owned subsidiary, NaphCare of Fulton County, LLC, effective July 1, 2023.
- II. Article 4, Scope of Work, Section 4.11 shall be modified to provide as follows:
 - 4.11. Inmate Physical and Mental Health Services are intended only for those inmates in the actual physical custody of the Fulton County Sheriff's Office and housed in the Fulton County jail facilities covered under the Agreement, including inmates under guard by the Fulton County Sheriff's Office in outside hospitals. Such inmates will be included in the daily population count. Service Provider shall bear no responsibility for any other inmates, including those in outside hospitals who are not under guard. Should the South Annex reopen, or any new facility open, Service Provider will bear no responsibility for care to inmates housed at the South Annex or new facility. Should County desire services of

Service Provider at South Annex, should it reopen, or any other facility opening, parties shall mutually agree to required staffing and pricing. Except as herein provided, inmates not in the physical custody of the Fulton County jail facilities will not be deemed to be inmates, nor will they be included in the daily population count. Further, Service Provider shall not be responsible for furnishing, or for the costs of furnishing, Inmate Physical and Mental Health Services to inmates on any sort of temporary release, including, but not limited to, inmates on bond, inmates temporarily released for the purpose of attending funerals or to other family emergencies, inmates on escape status, and inmates on pass, parole, or supervised custody who do not sleep in any of the Fulton County jail facilities covered under this Agreement at night, and such inmates will not be included in the daily population count. Except as herein provided, inmates in the custody of other penal institutions or jails at the request of the Fulton County Sheriff's Office shall likewise be excluded from the daily population count and it shall not be Service Provider's responsibility, either to furnish or to pay the costs of, Inmate Physical and Mental Health Services to those inmates. Once an inmate has been recommitted to the Fulton County jail, for any reason, Service Provider shall be responsible for providing all Inmate Physical and Mental Health Services to the inmate.

- III. Article 4, Scope of Work, Exhibit C, I. Pharmacy, Section 5, shall be deleted and replaced with the following provision:

I. Pharmacy Requirements

5. The Service Provider is responsible for the procurement, payment, inventory control, dispensing and disposal of all pharmaceuticals at all facilities covered by this RFP, in accordance with all local, state and federal rules, regulations and laws. Beginning July 1, 2023, Services Provider shall pass through the costs of HIV medication to County for one hundred percent (100%) reimbursement to the Service Provider. Service Provider will reduce pricing by its HIV budget amount of \$3,600,000.00.

Service Provider shall not be responsible for the costs of Hepatitis C prescription drugs approved by the Food and Drug Administration (which may include the following: Harvoni, Sovaldi, Ledipasvir and/or Sofosbuvir), or other new or generic medications related to the treatment of Hepatitis C. Costs associated with these drugs will be the responsibility of Fulton County on behalf of the Fulton County Sheriff's Office. However, Service Provider will attempt procurement of the inmate's own medication supply for administration should it be determined that the Inmate has a current prescription for the medications referenced above, and if verified, shall continue the Inmate's current treatment while bearing no financial responsibility for same. Service Provider shall be

responsible for notifying the Fulton County Sheriff's Office of any inmate needing traditional Hepatitis C medications, such as, but not limited to, Interferon. County will authorize Service Provider to purchase the medication(s) and invoice Fulton County on behalf of the Fulton County Sheriff's Office for the medications at cost.

Service Provider shall not be responsible for the costs associated with blood factors, biologicals, Vivitrol medication, non-formulary long acting mental health injectable medications, oral chemotherapeutic medications, non-formulary intravenous medications, or other specialty medication costs. Service Provider shall supply any necessary medications to inmates as set forth within this Agreement but in the event Service Provider provides payment for the necessary medications that are not its financial responsibility, it shall invoice Fulton County on behalf of the Fulton County Sheriff's Office on a monthly basis for one hundred percent (100%) reimbursement of any costs associated with same.

Service Provider shall not be responsible for the costs associated with shipment of HIV, Hepatitis C, and blood factor medications, it shall invoice Fulton County on behalf of the Fulton County Sheriff's Office on a monthly basis for one hundred percent (100%) reimbursement of any costs associated with shipment of these medications.

Service Provider shall provide a monthly utilization report for all medications passed through to Fulton County on behalf of the Fulton County Sheriff. Service provider shall provide all medications at costs and shall not gross up any medication costs.

IV. Article 4, Scope of Work, Exhibit C shall be modified to include the addition of the following Paragraph:

L. Service Provider Escort Officers.

The security detention officer escort services ("Escort Officer(s)") rendered by Service Provider shall consist of eight and four-tenths (8.4) FTEs. The Escort Officer services are required and necessary as a means to: (1) reduce the need for Fulton County correctional officers to escort patients within the Fulton County jail facilities; and (2) ensure inmates patients are escorted in a timely manner to their scheduled mental health appointments.

Service Provider agrees that it shall utilize off-duty officers currently employed by the Fulton County Sheriff's Office, retired officers, reserve officers of Fulton County or the equivalent thereof, to provide

any necessary services hereunder. In doing so, Service Provider may hire and manage any Escort Officer necessary solely for the purposes of escort for Service Provider's healthcare service needs, so long as the Escort Officer is currently employed by the Fulton County Sheriff's Office (to include retired, reserve or the equivalent thereof), has completed all necessary background screening required by the Fulton County Sheriff's Office and/or Service Provider and/or drug screening testing required by either party.

To the extent necessary, the Fulton County Sheriff's Office and/or its personnel shall collaborate with Service Provider to provide appropriate training and necessary security briefings to Escort Officers, which shall include all necessary training related to Sheriff's Policy Number 1500-18, Inmate Observation, and training related to Grady Health System's handcuffs and other restraint requirements prior to any inmate/patient transport to Grady Health System. The Parties agree that Escort Officers will not participate in inmate/patient transports. Additionally, the Parties hereby agree that any Escort Officer that is currently deputized as a law enforcement officer in the State of Georgia may, in their sole discretion, interrupt their provision of services rendered on behalf of Service Provider in order to discharge their public duties as law enforcement officers and attend to emergencies and other exigent circumstances outside the scope of these services. Such interruption or termination of services shall not be considered a breach and Service Provider shall not be obligated to pay for any such interruption of services and activities performed after the Escort Officer interrupts or terminates the provision of services set forth herein.

Service Provider shall not exercise control over an Escort Officer's (deputized only) enforcement of laws and officers shall not enforce any rules and regulations that are not otherwise violations of the law, as determined by the Escort Officer and the Sheriff. Each Escort Officer shall be subject to, and shall abide by, all Fulton County and Fulton County Sheriff's Office rules and regulations as well as complying with all local, state and federal laws.

Neither Service Provider nor the Sheriff has the right and neither shall seek to exercise any control over the other Party, its employees, its officers or its agents. Service Provider will decide and direct which Escort Officers it shall assign, at what times, and to which facility to provide services. Service Provider shall be solely responsible for any applicable employee wages, timesheets, payroll deductions, federal and state taxes, unemployment compensation contributions, social security taxes, and benefits of its employees.

The Parties hereby agree that when rendering services at Fulton County jail facilities, Escort Officers shall act solely as the agents of Service Provider, unless they interrupt said services to discharge their public duties as law enforcement officers and attend to emergencies and other exigent circumstances outside the scope of this paragraph, for which Service Provider shall maintain no control over, nor liability for whatsoever. Any liability, associated risks, claims and/or damages related to the safety, security and cleanliness of the Fulton County jail facilities shall be the sole responsibility of the Fulton County Sheriff's Office.

- V. Article 10, Compensation, Exhibit E shall be deleted and replaced with the attached Exhibit E which provides, effective July 1, 2023, a six percent (6%) cost of living adjustment to the current base compensation, additional compensation to support an ADP of 3,300 applicable to the County's inmate patient population physically housed in Fulton County jail at Rice Street, Atlanta City Detention Center ("ACDC"), and Alpharetta jail, additional compensation to support personnel wage increases, and a one-time expense to replace aging information technology ("IT") equipment. Service Provider will install the IT replacement equipment and the Parties agree that such equipment is the property of Fulton County assigned exclusively to the Fulton County Sheriff for the Service Provider's use. The IT replacement equipment, including the servers and computers, will be used by the Service Provider in its provision of services at any Fulton County jail facility and shall remain the property of Fulton County assigned exclusively to the Fulton County Sheriff upon the termination of this Agreement.
- VI. Article 11, Personnel and Equipment, Paragraph 11.4 shall be deleted and replaced with the following:
 - 11.4 Service Provider will provide medical, dental, technical, and support personnel necessary for the staffing of Inmate Medical Services as described in and as required by this Agreement. Service Provider shall provide staffing as described in Schedule 1 of this Agreement, attached hereto and incorporated herein by reference. The Parties mutually agree that the ADP is three thousand three hundred (3,300) and is applicable to the County's inmate patient population physically housed in the Fulton County jail at Rice Street, Atlanta City Detention Center ("ACDC"), and Alpharetta jails. If the ADP either exceeds three thousand five hundred (3,500) or is below three thousand one hundred (3,100) for at least two (2) consecutive months, then Parties hereby agree to meet and confer to establish new staffing levels and adjust compensation accordingly. Furthermore, should Service Provider be required to provide additional staffing not set forth within this Agreement as a result of any Court Order, Consent Decree, or otherwise, County shall be responsible for payment to Service Provider for any costs associated with same.

- VII. Article 15, Termination for Convenience, shall be deleted and replaced with the following:

Notwithstanding any other provisions, either Party may terminate this Agreement for its convenience at any time by providing the other Party with at least six (6) months prior written notice. If the Agreement is terminated for convenience by either party, as provided in this article, Service Provider will be paid compensation for those services actually performed. Partially completed tasks will be compensated based on a signed statement of completion to be submitted by Service Provider which shall itemize each task element and briefly state what work has been completed and what work remains to be done.

If, after termination, it is determined that the Service Provider was not in default, or that the default was excusable, the rights and obligations of the parties shall be the same as if the termination had been issued for the convenience of the government.

- VIII. Article 22, Indemnification, Paragraph 22.1 shall be modified as follows:

ARTICLE 22. INDEMNIFICATION

22.1 Professional Services Indemnification. With respect to liability, damages, costs, expenses (including reasonable attorney's fees and expenses incurred by any of them), claims, suits and judgments that arise or are alleged to arise out of the Service Provider/Service Provider's acts, errors, or omissions in the performance of professional services, the Service Provider shall defend, indemnify, release, and hold harmless the Fulton County Sheriff's Office, Fulton County, its Commissioners and their respective officers, members, employees and agents (each, hereinafter referred to as an "Indemnified Person"), from and against liability, damages, costs, expenses (including reasonable attorney's fees and expenses incurred by any of them), claims, suits and judgments only to the extent such liability is caused by the negligence of the Service Provider in the delivery of the services under this Agreement. Such indemnity is limited to those liabilities caused by a Negligent Professional Act or Medical Malpractice, as defined below, and specifically does not include allegations based on Fulton County's policies, training or duties. Professional Liability shall be defined as responsibility for a single act or omission, or a series of related acts or omissions during Services Provider's provision of services pursuant to the Scope of Work of this Agreement, arising out of the medical negligence, intentional act, or willful misconduct of the Service Provider or its officers, employees, or agents. This indemnification survives the termination of this Agreement and shall also survive the dissolution

or to the extent allowed by law, the bankruptcy of the Service Provider.

For the purposes of the Professional Services Indemnity above:

- 1) "Negligent Professional Act" means a negligent act, error, or omission in the performance of Professional Services (or by any person or entity, including joint ventures, for whom Service Provider is liable) that causes liability and fails to meet the applicable professional standard of care, skill and ability under similar conditions and like surrounding circumstances, as is ordinarily employed by others in their profession.
- 2) "Medical Malpractice" means a medical professional's violation of the applicable standard of care that results in an injury for which a recovery may be had.

Service Provider's obligation to defend, indemnify, release and hold harmless, as set forth hereinabove, shall also include, but is not limited to, any matter arising out of any actual or alleged infringement of any patent, trademark, copyright, or service mark, or other actual or alleged unfair competition disparagement of product or service, or other tort of any type whatsoever, or any actual or alleged violation of trade regulations.

Service Provider shall have no duty or obligation to defend and/or indemnify the Sheriff/County, its Commissioners, officers, employees, sub-contracted Service Providers, successors, assigns and agents for any claims, losses, damages, lawsuits, costs, judgments or expenses arising out of or resulting from: (a) any negligent or intentional act or acts or other omission(s) attributable to the Sheriff/County, its employees and/or its agents; and/or (b) the Sheriff/County and/or its employees preventing an inmate from receiving medical care ordered by Service Provider or its agents.

Service Provider further agrees to indemnify and hold harmless Fulton County, its Commissioners, officers, employees, sub-contracted Service Providers, successors, assigns and agents from and against any and all claims or liability for compensation under the Worker's Compensation Act, Disability Benefits Act, or any other employee benefits act arising out of injuries sustained by any employees of Service Provider. These indemnities shall not be limited by reason of the listing of any insurance coverage.

- IX. Article 26, Insurance, shall be modified to include the addition of the following paragraph:

Should Fulton County obtain General Liability insurance coverage on behalf of the Fulton County Sheriff's Office, such insurance shall be in an amount to cover the Fulton County Sheriff's Office's obligations under this Agreement. If General Liability insurance is obtained by Fulton County on behalf of the Fulton County Sheriff's Office, then Fulton County agrees to add Service Provider, to the extent permissible by law, as an additional insured under any applicable insurance policy, and provide Service Provider with a certificate of insurance ("COI") evidencing coverage.

- X. Article 39, Invoicing and Payment, Time of Payment Paragraph shall be modified as follows:

Time of Payment. Fulton County on behalf of the Fulton County Sheriff's Office shall make payments to Service Provider within thirty (30) days after receipt of a proper invoice.

- XI. Schedule 1, Staffing Levels, in the original Agreement and the MHSU staffing set forth in Amendment No. 2 shall be deleted and replaced with the attached Schedule 1, Staffing Levels.

This Amendment is effective July 1, 2023.

Except as modified herein, all other terms and conditions set forth within the Agreement shall remain in full force and effect.

IN WITNESS WHEREOF, the Parties hereto have caused this Amendment to be executed by their duly authorized representatives as attested and witnessed and their corporate seals to be hereunto affixed as of the day and year date first above written.
