- District 6

Is this a purchasing item?

Yes

Summary & Background Request approval to renew existing contracts to provide On-Site Door Repair and Overhead Door Preventive and Predictive Maintenance on an “as-needed” basis for Countywide facilities for FY2023.

Scope of Work: These contracts furnish all materials, labor, tools, equipment, and appurtenances necessary to provide on-site door repair and preventive and predictive maintenance services Countywide. The scope of work includes inspection and repair of doors and mountings, wind locks, guides weather stripping, counterbalance and to inspect all pivot points, hinges latches, center roller supports and maintenance repair and replacement on a case-by case basis. Preventive and/or Predictive Maintenance (PM) checks includes, but is not limited to:

- Visual and Audible Inspection
- Operations Check
- Roll-Up doors: Manual and Power Operated
- Swing Doors, ADA equipped Doors and Main Entrance
- Gates with Secured Access
- Fire doors and Fire Curtains
- Maintenance Services on Electromagnetic Devices when Necessary
- Repair and Replacement on Case-by-Case Basis

Community Impact: This contract impacts the community in having the ability to provide on-site doors repairs and maintenance services on Countywide facilities.

Department Recommendation: The Department of Real Estate and Asset Management recommends approval.

These are a time materials contract. The requested total spending authority in the total amount of \$215,000 is sufficient to cover the costs for replacement/component parts and hourly services for FY2023. The requested total spending authority in the total amount of \$215,000 is the same total spending authority approved in FY2022, however it is being split between the two (2) contractors differently, with Overhead Door of Atlanta receiving \$20,000 less than it did and Piedmont Door

Automation receiving \$20,000 more.

Expenditure History:

- FY2022: The County allocated/expenditures as of 9/9/ 2022, \$202,561.08
- FY2021: The County spent \$343,164.00
- FY2020: The County spent \$183,965.00
- FY2019: The County spent \$346,835.42

Project Implications: These contracts ensure safety and security of employees and citizen. In many cases structural integrity of facilities will be compromised leading to vandalism and theft in County-owned facilities. Not having a professional contractor could result in the County's failure to comply with Federal ADA requirements.

Community Issues/Concerns: None of which the Department is aware.

Department Issues/Concerns: If these contracts are not approved, the Department's ability to address the needs for on-site door repair and preventive and predictive maintenance services, with its limited in-house staff, will suffer when specialized trained technicians and equipment are not available.

Contract Modification

(A) Overhead Door of Atlanta dba D.H. Pace Company, Inc.
